TORTURING PAIN.

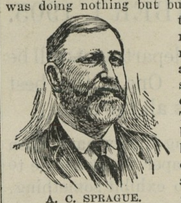

Half This Man's Sufferings Would Have Killed Many a Person, But Doan's Cured Him.

Thousands of grateful people are telling every day how Doan's Kidney Pills cured them of distressing and dangerous kidney and bladder troubles.

Yet other thousands are suffering every day from these same ills. Why? They are either very negligent or very skeptical. Neglect of kidney disorders leads to dropsy, diabetes, Bright's disease and other fatal diseases.

Sincere, honest testimony like the following should convince every skeptic.

A. C. Sprague, stock dealer, of Normal, Ill., writes: "For two whole years I was doing nothing but buying medicines to cure my kidneys. I do not think that any man ever suffered as I did and lived. The pain in my back was so bad that I could not sleep at night. I could not ride a horse and sometimes was unable even to ride in a car. My condition was critical when I sent for Doan's Kidney Pills. I used three boxes and they cured me. Now I can go anywhere and do as much as anybody. I sleep well and feel no discomfort at all."

A. C. SPRAGUE.

A FREE TRIAL of this great kidney medicine which cured Mr. Sprague will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. Sold by all dealers; price, fifty cents per box.

CHINESE MUSIC.

What Dr. Whewell, Master of Trinity, Knew About It.

The remarkable extent of the knowledge possessed by Dr. William Whewell, at one time master of Trinity, Cambridge, is well illustrated by the following story, taken from the "Life and Work of Dr. Momerie."

Two of the younger dons, growing rather jealous of the master's reputation for omniscience, determined that they would discover something of which he knew nothing. They pitched upon the subject of Chinese music. How should he know anything about it? They did not, so they went to an encyclopedia and read the subject up.

The next time they met Whewell at a dinner party they led the conversation gradually in the direction of music, when they began to discourse upon the music of the Chinese and gave out all their recently acquired information.

Whewell was silent, much to their satisfaction. Evidently he knew nothing about the matter. But just as they were beginning to rejoice in their triumph he said:

"Might I ask, gentlemen, where you got your information?"

"Oh, yes," they replied. "We picked it up out of such and such an encyclopedia."

"Ah," said Whewell, "I was thinking so. I wrote that article thirty years ago, and it's full of mistakes."

THE ELECTRICITY HABIT.

There Is One Thing In Its Favor—It Is Usually Beneficial.

"Of all the habits the one that sticks closest to a fellow is the electricity habit," said a young doctor. "The drink habit and the cocaine habit are mere summer fancies compared with it. But there is one thing to be said in its favor—it is usually beneficial. The electricity habit is contracted just like any other habit. A few currents are administered during an illness. They strengthen and stimulate, and the first thing the patient knows he finds the tonic indispensable. Even after he gets well he craves the treatment. I know one young woman who makes a fair living by calling at the homes of electricity victims and dosing them with a few shocks from a galvanic battery. Most slaves to the habit have their own batteries, but they are afraid to apply the treatment to themselves. That is practically a groundless fear, for there isn't one chance in a thousand of a person giving himself an overdose. Still they prefer an experienced hand to manage the current. Not all the electricity fiends are invalids by any means. Many of them are now as well as they ever were, yet they have become so addicted to the habit that they require the weekly, semiweekly or possibly daily electric thrills to tone them up."—New York Post.
