## LOCAL MATTERS.

**Tolchester Tournament.**—A big crowd attended the tournament at Tolchester yesterday afternoon, and it was a success in every particular. Details next week.

**We Close on Saturday at Twelve.**—We wish to announce to our friends and patrons that the TRANSCRIPT office will be closed at twelve o'clock on Saturdays for the remainder of August and September, in order that our force may enjoy a little recreation. All matters of business will receive prompt attention during the Saturday mornings.

**Commissioners Loses Damage Suit.**—Justice Robert W. Calder on Tuesday rendered judgment against the county commissioners for $60.00 and costs in favor of W. C. McNatt, of Sassafras, for damages incurred by injury to a horse, owned by plaintiff, caused by a defective bridge on the public road last February. John D. Urie, Esq., was attorney for the plaintiff and Lewin W. Wickes, Esq., for the county commissioners.

**Peddling Without License.**—H. H. Hardesty, of Rock Hall, was arrested this week by Constable Charles L. Gill, on a charge of peddling without a license. The case was brought to trial yesterday morning before Justice Robt. Calder. Hope H. Barroll, Esq., appeared for Hardesty, and State's Attorney Wm. W. Beck represented the State. After hearing all the evidence in the case, the justice rendered a verdict of not guilty.

**Accident to Edw. Bennett.**—Edward Bennett, the young son of Mr. James Bennett, of Morgnec, sustained a painful injury last Sunday while on a visit to Mr. J. Raymond Bowers' boys. The young men had been down to the water and were returning to the house, when young Bennett jumped over a fence and stuck a piece of rail about the depth of three inches into his foot. Particles of grass and splinters of wood were found in the wound by Dr. H. L. Dodd, who was summoned to attend the injured young man. The wound has since caused the young man considered pain, but he is improving.

**A Mammoth Peach.**—Capt. Samuel Wallen, the battle scarred confederate veteran, and one of Queen Anne's leading truckers, brought to Chestertown on Wednesday a mammoth peach of the *Alberta* variety, which measured 11⅜ inches in circumference and weighed 11 ouces. He presented the peach to a prominent gentleman in town, and it was pronounced as large as a cantaloupe and quite "Moreish" in taste. The person who ate it said it was delicious. The colonel says he has a plenty more like it. If the colonel thinks this article worth a basket of the above peaches he can leave it at the TRANSCRIPT office and no questions will be asked.

**Will of the Late Mrs. Gawthrop.**—The will of the late Mrs. Mary T. Gawthrop was filed in the Orphans' Court of Queen Anne's county last week for probate. Mr. Thomas G. Trenchard was appointed, during the recess of the court, administrator c. t. a., and forthwith filed his bond for approval of the court last Tuesday. The bulk of the real property is devised in fee to her nephews, William E. and Thomas G. Trenchard, sons of the late George O. Trenchard. The house where the testatrix resided, in Church Hill, is devised to Mrs. Laura Trenchard, widow of the late George O. Trenchard for and during her natural life. Mrs. Trenchare is also bequeathed the horse, carriage and other personal property. The estate is valued at $15,000.

## LITTLE LOCALS.

*†*Bedworth, Jr., will be in the free-for-all trot or pace at the Tolchester Fair. Will you be there to see him go?

*†*The town commissioners are laying a substantial brick pavement on the north side of Washington avenue.

*†*Mr. W. C. Palmatory has sold his mill property at Church Hill to Messrs. Linwood Carter and E. S. Valliant, Jr., of Queen Anne's.

*†*August 20, 30 31, and Sept. 1 are the dates of the BIG TOLCHESTER FAIR. Everybody is going. But don't get the dates mixed.

*†*Preparations are being made in the large family lot in Chester cemetery for the erection of a handsome mausoleum of granite to the memory of the late Josiah Lusby. It will be erected by Mr. A. L. Davidson, and will be in place by October 1.

*†*Some one dumped seven bunches of spoiled fish along the public road from Topping's mill to the cemetery on Monday and all day Tuesday the air was filled with buzzards feasting. *†*Mr. Arlington L. Sparks has engaged Miss M. O'Connor, of Baltimore, as manager of his millinery department. Miss O'Connor has had an experience of eighteen years in the business and for nine years was in charge of the millinery department of one of Baltimore's largest and most select department stores. ### A TRIBUTE TO THE MEMORY OF ARCHER KERR HEPBRON.

In view of the exceptional traits of character possessed by this young man, it is befitting that the world should know something of his pure unselfish life, noble manhood and stainless record. That "death loves a shining mark" was never better exemplified than in this case. Of tall, commanding figure, a bright and happy countenance, eyes beaming with intelligence, he attracted attention wherever he went. Quiet and unobtrusive in manner, his acquaintance had to be sought, but once known he was loved, and it was to those who knew him best that his beautiful life and character were most attractive and inspiring. He was faithful in every walk of life, in the home, in the office, in the schoolroom, in the church and Sunday school where he labored for the Master—as a son, as a brother, as a friend, he was never found wanting. He received his education in the public schools of Baltimore, graduating in 1904 from the Baltimore City College. He had just completed very successfully the first year's course in the Law Department of the University of Maryland, and hoped and expected by study and application to attain an enviable position in his chosen and loved profession. Besides being liberally endowed by nature, he inherited from his grand father, the late Rev. J. B. Merritt, so well-known in Kent county, that quality of mind which would have enabled him to win distinction in after life. A Delawarean by birth, he claimed Maryland as his State, and was jealous of her reputation and proud of her attainments. Twenty years and three months counted his short life, but it was well spent, and though young, he was capable of advising and directing those twice or even three times his age. Life was very bright and promising to him, and he little thought as he went with happy companions on the afternoon of the 24th of July to indulge in innocent recreation, that he would never return alive. While bathing, being ignorant of the treacherous shore, he lost his life. To the parent and grandparent he was the chief attraction of their lives, the pride and joy of their hearts, for it was in the home especially that his noble deeds were most practised. Obedient and dutiful always, respectful and considerate ever, contented under every condition in life. This sad affliction has come with stunning effect upon the members of his family.

Funeral services were held at the home of his grandmother, Mrs. J. B. Merritt, on the 27th, and the remains were tenderly laid to rest in the family lot at Shrewsbury, in close proximity to the grave of his beloved grandfather, where together they await the call on the resurrection morn.

### IN MEMORIAM.

At the home of her parents in Rock Hall on August 1, 1905, Rosa Louise Thomas, daughter of Joshua and Ella Thomas, aged 8 months and 23 days.

A bud the Gardner gave us,
A pure and lovely child,
He gave it to our keeping
To cherish undefiled.
But just as it was opening
To the glory of the day,
Down came the heavenly Gardener
And took our bud away.

Another little lamb has gone
To dwell with Him who gave,
Another little darling babe
Is sheltered in the grave.
God needed one more angel child
Amidst His shining band,
And so He bent with loving smiles
And clasped our darlings hand.

JOSHUA AND ELLA THOMAS,
Rock Hall, Kent Co., Md.

The little crib is empty now,
The little clothes laid by,
A mother's hope, a father's joy
In death's cold arm doth lie.
Go little pilgrim to thy home
On yonder blissful shore,
We miss thee here, but soon will come
Where thou hast gone.

Day by day I saw her fade
And slowly sink away,
Yet in my heart I often prayed
That she might longer stay.

HER PARENTS.

Mr. C. W. Brook, editor of the Aberdeen Enterprize, Aberdeen Maryland, writes us: "I used your Colic, Cholera and Diarrhoea Remedy some twenty years ago and discovered it was a quick and safe cure. No one can sell me something said to be 'just as good' as the Chamberlain Remedy, for in all these years I have used it and recomended it, I have never known it to disappoint any one in its result; when Chamberlain's Colic, Cholera and Diarrhoea Remedy was taken for the complaints it cures. Have it handy in the house; don't wait until you need it before you buy it. You don't have time to send for it then—keep it in the house." For sale by M. A. Toulson, Druggist.

# A COMRADE OF GENERAL GRANT

## Says: "I Do Not Believe Pe-ru-na Has a Superior."

COL. BENJ. F. HAWKES.

Col. Benj. F. Hawkes, of 611 G street, S. W., Washington, D. C., is one of the three living comrades of General Grant in his cadet days at West Point. In a recent letter this venerable gentleman says of Peruna:

*"I have tried Peruna after having tried in vain other remedies for catarrh, and I can say without reservation that I never felt a symptom of relief until I had given Peruna the simple trial that its advocates advise. I do not believe it has a superior either as a remedy for catarrh or as a tonic for the depressing and exhausted condition which is one of the effects of the disease."*—*Benj. F. Hawkes.*

**The Greatest Family Medicine Ever Discovered.**

Hon. Wm. G. Hunter, ex-member North Carolina Legislature, writes from the Census Office Building, Washington, D. C., as follows:

"The greatest family medicine ever discovered, in my opinion, which comes from experience as well as observation, is Peruna. The most common affliction to humankind is a bad cold. Peruna drives it out of doors, wards off catarrh, invigorates and gives fresh strength to mind and body. I give Peruna my unqualified endorsement."—Wm. G. Hunter.

**Chronic Catarrh of the Stomach Cured By Pe-ru-na.**

Jas. T. Jakeman, President Elder Morman Church, Salt Lake City, Utah, writes:

"I should be and am a very grateful man for having been recommended the use of Peruna for catarrh. I had a chronic case of catarrh of the stomach and my system was so filled with different remedies that I had taken, that I sickened at the sight of a medicine bottle Peruna was a last resort and it did not fail me, but cured me in about three months and I feel that it is a wonderful remedy and gladly give my experience from its use."—Jas. T. Jakeman.

**Pe-ru-na Proved a Life Saver.**

Mr. Louis Byrens, auctioneer, commission merchant and business broker, 436½ Richmond street, London, Ont., writes:

"I had been a sufferer with what physicians diagnosed as chronic catarrh. I thereby lost the necessary speaking faculties, which almost caused me to discontinue the business of auctioneer.

"After spending several hundred dollars for various medicines and doctor bills without avail, your wonderful remedy, Peruna, was recommended to me.

"After using several bottles of this life saver, I found relief, and I am again capable of conducting my auction sales. I wish to convince others, likewise afflicted, of the merits of your great remedy."—Louis Byrens.

**Thousands of Testimonials.**

We have on file thousands of testimonials like the ones given here. We can give our readers only a slight glimpse of the vast array of unsolicited endorsements of Peruna which we are constantly receiving.

**Pe-ru-na is a Catarrhal Tonic Especially Adapted to the Declining Powers of Old Age.**

In old age the mucous membranes become thickened and partly lose their function.

This leads to partial loss of hearing, smell and taste, as well as digestive disturbances.

Peruna corrects all this by its specific operation on all the mucous membranes of the body.

One bottle will convince anyone. Once used and Peruna becomes a life-long stand-by with old and young.

Mr. Charles F. Benctsson, Truesdail, Mo., writes: "I have followed your instructions for the past month and am now as well as I can be at the age of eighty-four years. I thank you for your valuable instructions and advice. I first used Peruna fourteen years ago when my health was so bad that I had no hope of staying many days, and after using it I began to pick up. It has helped me ever since. I feel well, but will always have Peruna as my companion."—Charles F. Benctsson.

**As Well As Can Be At the Age of Eighty-four Years**

***Suffered a Number of Years From Systemic Catarrh.***

***Used Peruna as Last Resort, Now in Good Health.***

Mrs. E. Schoncher, 220½ S. Olive St. Los Angeles, Cal., president Girl's Friendly Society, also secretary South Los Angeles Travelers Club, writes:

"I was for a number of years a sufferer from systemic catarrh. I was very nervous and run down, my appetite had failed me and my sleep was not restful. I had lost much in weight and looked like a very sick person. ***My physician advised a change of climate and the medicine I took only gave me temporary relief.***

"I tried a bottle of Peruna as a last resort and was greatly pleased to find that I felt much improved in a general way and then I bought several bottles more.

"I am now in good health and have a good appetite and sleep well. I cannot say too much for Peruna and for what it has done for me."—E. Schoncher.

**Pe-ru-na Contains no Narcotics.**

One reason why Peruna has found permanent use in so many homes is that it contains no narcotic of any kind. Peruna is perfectly harmless. It can be used any length of time without acquiring a drug habit. Peruna does not produce temporary results. It is permanent in its effect.
