REACH THE SPOT.

To cure an aching back,
The pains of rheumatism,
The tired-out feelings,
You must reach the spot—get at the cause.

In most cases 'tis the kidneys.

Doan's Kidney Pills are for the kidneys.

Charles Bierbach, stone contractor, living at 2625 Chestnut St., Erie, Pa., says: "For two years I had kidney trouble, and there was such a severe pain through my loins and limbs that I could not stoop or straighten up without great pain, had difficulty in getting about and was unable to rest at night, arising in the morning tired and worn out. The kidney secretions were irregular and deposited a heavy sediment. Doctors treated me for rheumatism, but failed to help me. I lost all confidence in medicine, but Doan's Kidney Pills relieved me so quickly and so thoroughly that I gladly made a statement to that effect for publication. This was in 1898, and during the six years which have elapsed I have never known Doan's Kidney Pills to fail."

A FREE TRIAL of this great kidney medicine which cured Mr. Bierbach will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. For sale by all druggists; price, 50 cents per box.

TOMATOES SCARCE; PRICES ARE HIGH.

Reports from reliable sources are to the effect that the tomato crop in Kent this season is almost a total failure. The scarcity of this fruit is due to the unseasonable weather as well as to the shortage in the acreage planted. About one-fourth as many tomatoes were planted in the county this season as were last year, principally because of the low contract price offered by packers, and it is a difficult matter to see a large patch of tomatoes anywhere in the county this season. The frequent rains have had the effect of making the plants all go to vines and where 10 tons to the acre was an average yield last season, the farmer with a patch this season will be lucky to get four tons to the acre. This will necessarily advance the price, and it is more than likely that tomatoes will bring a good price all season owing to the scarcity all over the state. A few contracts were made in Kent this season by the Canning & Mercantile Company, of Still Pond, and by agents representing foreign packers at $6 per ton, while in Queen Anne's those who contracted will receive $7 per ton. Those who are shipping tomatoes to city markets are receiving at the rate of $10 per ton, and it is the shipper this year who has struck luck. Last year those who contracted had the advantage, receiving $8 per ton, while those who shipped averaged about $6. The farmers argue that next season contract prices will be good, because the scarcity this season will enable the packers to "get off," last season's surplus pack, and there will be much fewer tomatoes canned this season than last, thereby increasing the demand for next season. Among the farmers who have fine patches of tomatoes near town are Messrs. John Gale Usilton and B. F. Rash, but they report their tomatoes very scarce. The crop is the lightest in many years in Kent.
