REPUBLICAN primaries to-day. Convention on Monday.

THE HAMAN OYSTER BILL is one of the clubs which a great Republican corporation is using to kill the Democratic party in the State of Maryland. They have employed Mr. B. Howard Haman, a prominent democratic lawyer of Baltimore city to further the bill, and if a democratic candidate favors the bill, or a Democratic Legislature passes it, it will use the strongest sort of inducement of one of the greatest issues of the Republican party—MONOPOLY. In the interest of the masses of the people, the bill should be killed. Let the next Legislature pass a law to prohibit the catching of oysters for a year or two years, and see that the law is rigidly enforced by the oyster navy and there will be an abundance of oysters for everyone. This is the sort of oyster legislation the oystermen want.

PEOPLE'S COLUMN.

☞ The columns of the TRANSCRIPT are open to the proper discussion of all topics of public interest or importance. Whether the editors agree with the sentiment expressed or not, the people should and may be heard through the TRANSCRIPT's columns—the paper will be the People's Forum from which they may be heard on all subjects—purely personal matter excepted. The Editors are not responsible in any manner for articles that appear in this column.

Chestertown, Md., Aug. 26, 1905.

EDITORS OF TRANSCRIPT, TOWN, GENTLEMEN:—This day, Saturday, August 26th, rejected wheat is quoted in Baltimore at 64 and 65 cents. Mr. A. S. Turner, the grain buyer at Worton Station, is offering 73 to 74 cents; in this respect the Philadelphia market so far excels the advantages of Baltimore. Mr. Turner requires all his wheat to be delivered on the railroad. Why don't the farmers consult their own advantage in reference to their damaged wheat and get offers for it along the railroad and begin shipping wheat to Philadelphia? Such a move would be a profitable one if the farmers who are interested should investigate and act upon it. This information comes from Mr. Turner himself. Anyone who will consult the Baltimore papers will see that the papers give the prices as above.

THREE JURORS CURED

Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler, of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Slebourne county, Alabama. He says: "While there I ate some fresh meat and some souse meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us." For sale by M. A. Toulson, Druggist.
