LITTLE LOCALS.

*†*Beautiful nights.

*†*These are the days when one begins to think of his coalbins.

*†*Mr. John E. Matthews, express agent, has rented one of Mr. Chas. S. Smith's Cross street buildings for next year.

*†*The schooner "Morning Light." Capt. Larrimore, of Laurel, Del., unloaded a cargo of lumber at the county wharf this week for contractor Walter T. Pippin.

*†*The Judefind farm, situated at Edesville, was offered at public sale by Mr. Charles T. Westcott this week and withdrawn on a bid of $2750. *It was not advertised in the Transcript.*

*†*Miss M. Elva Smith, a graduate of Washington College, class of '05, has been appointed principal of Union school in Queen Anne's and entered upon her duties on Monday.

*†*It is reported that the Young property near Deep Landing, in lower Kent, has been sold to Mr. H. G. Wilkins. The property contains 33 acres and the price stated is $1812.50.

*†*Mr. Milton P. Crew, of Broad Neck, has purchased through J. Waters Russell, real estate, the J. F. Copper property near town. *This property was advertised in the Transcript and brought a good price.*

†"Shorty" Mitchell, formerly a troublesome character and a frequenter of the police courts of Chestertown, is in the Wilmington jail charged with the murder of Isaac Anderson, whom he shot in a quarrel over a woman.

*†*The sale of the personal property of Mr. Thos. A. Connor, near St. Paul's Church on Wednesday was attended by a large crowd of people from all parts the county. *This sale was advertised exclusively in the Transcript.* Auctioneer Hurlock got good prices for everything and Mr. and Mrs. Connor looked after the comfort of the crowd. Hope H. Barroll, Esq., was the attorney.

*†*The festival and supper held at St. Paul's Church on Wednesday evening was very largely attended and a large sum was cleared on the splendid supper consisting of soft crabs, oysters in all styles, fried chicken, country ham, etc.

*†*The public schools of the county opened under favorable circumstances of Monday. Large attendances at all the schools, and at Chestertown, in several departments, seating room is at a premium. This argues well for the cause of education.

*†*A four months old colt belonging to Mr. Robert G. Nicholson cut itself quite badly in a barb wire fence on Thursday morning. The gash was about 15 inches long and Dr. H. G. Simpers was called to dress it. The doctor took twenty-two stitches and the wound is healing nicely.

*†*Postmaster General Cortelyou has issued orders designating holidays upon which rural free delivery carriers are not required to serve their routes. The days named are:—New Year's Day, Washington's Birthday, Memorial Day, Fourth of July, Labor Day and Thanksgiving.

*†*Mr. Thos. G. Wroth has purchased the stable and lot belonging to Miss Willie Wickes, on Front street, and it is said that Mr. Wroth and Mr. R. D. Hynson will greatly improve the property by the removal of the stables. Mr. Wroth's new purchase is in the rear of Mr. Hynson's stable and adjoins the lot recently purchased by Mr. Wroth from Mr. Charles T. Westcott.

*†*Master Hanson Stavely, son of Mr. and Mrs. A. N. Stavely, of Lynch's, who was the successful competitor for the free scholarship at Charlotte Hall School, St. Mary's county, was entered at the institution this week by his mother. Mrs. Stavely is much pleased with the appearance of the college. We predict for Master Stavely a successful college career.

*†*We asked Mr. Isaac Gibbs, of near Massey, if he would get 75 bushels of corn to the acre this fall. He said "that will hardly start it." That don't look like Kent's corn crop will be short, as one of our local papers has endeavored to convey the impression throughout the state. There will be one of the largest corn crops every raised in the county this fall, and Mr. Gibbs, as well as Mr. Adam F. Huey, is one of Kent's big growers.

*†*The steamer Jane Mosley brought a colored excursion from Cambridge to Chestertown on Wednesday. The boat reached town about five o'clock, the captain lost his way, and when he arrived at the wharf he found the steamer's boiler in such condition that the excursionists were compelled to pass the night at the wharf. They found "sleeping quarters" on the boat, and left on Thursday morning at eight o'clock for Cambridge. The excursionists were very orderly and made the best of their predicament.

Runaway Accident.

Miss Mary Rogers and Miss Carter, who is a guest of her sister, Mrs. Hiram M. Brown, on Front street, met with a serious runaway accident on Thursday evening. The young ladies were returning to Chestertown from Tolchester, and when near the brow of the hill at Mr. James T. DeCorses' gate, the horse attempted to run. In the attempt to control the horse a rein was broken and Miss Rogers endeavored to stop him by pulling him into the bank. Miss Carter jumped out and escaped injury. Miss Rogers, however, was thrown from the runabout, and sustained a fracture of both bones of the limb below the knee.

Judge John P. Nicholson and wife, who were enroute to his brother's, Mr. Robert G. Nicholson, for supper happened along and rendered valuable assistance to the young ladies. Mr. Nicholson sent a colored man who saw the accident, and came to the assistance of the ladies, to Mr. George Hatcherson's for a dearborn and mattress, and the young ladies were brought to town by Mr. Hatcherson, reaching here about seven-thirty o'clock Dr. Hines was summoned, and found Miss Rogers' limb broken as stated above. He set the fracture and the patient spent a comfortable night. Aside from a nervous shock, Miss Carter escaped injury. The horse made a dash for town, and was caught and brought home without any damage to the runabout or harness.

WOMEN SUFFER NEEDLESS MISERY.

There are hundreds of thousands of women in America suffering from Female Diseases, endangering their lives by doing nothing. If they write to me I will give them the benefit of my extensive experience.---S. B. Hartman, M. D.

IN view of the great multitude of women suffering from some form of female disease and yet unable to find any cure, Dr. Hartman, the renowned gynecologist, has announced his willingness to direct the treatment of as many cases as make application to him during the summer months without charge.

The treatment will be conducted by correspondence.

The medicines prescribed can be obtained at all drug stores.

The Doctor will prescribe all medicines, applications, hygienic and dietary regulations necessary to complete a cure. Furthermore, all correspondence will be held strictly confidential.

This offer will hold good only during the summer months. Any woman can become a regular patient by sending a written statement of her age, condition of life, history and symptoms of her derangements, and previous treatment.

Pe-ru-na Brought Health and Happiness.

Miss Nellie South, late of Manchester, Eng., writes from 86 Prince Arthur St., Montreal, Can., as follows:

"Peruna has made a wonderful change in my life. It has brought me health and happiness.

"Since my seventeenth year I have had female complaint and irregularities. My general health suffered, I had pains in my back and lower limbs, my eyes were dim, and I became morose and unreasonable.

"Mother sought the advice of our family physician, who prescribed for me, but I grew no better.

"I then read of Peruna and procured a bottle. That one bottle was worth more than all the doctor's medicine I had taken previously.

"I cannot express my gratitude. Peruna has been a great blessing to me."—Nellie South.

Miss Edna Moore, 46 Elm street, Buffalo, N. Y., Secretary East End Literary Association, writes:

"I was a great sufferer from systemic catarrh, was extremely nervous, could not sleep, fainted easily, was very irritable, had a confusion of the senses, and got up in the morning feeling more tired than when I went to bed.

"I was very wretched, but upon taking Peruna I began to improve, and after using the medicine four months, I felt like a new woman and was completely cured."—Edna Moore.

The principal remedy which Dr. Hartman relies upon in curing catarrhal diseases of women is Peruna. Hundreds of women sufferers find Peruna a household necessity.

MISS Angelina Grotten, 805 St. Urbain street, Montreal, Can., writes: "Having heard Peruna praised so highly induced me to try it for my cold, and pains in the groins with which I had been suffering for months. It took nearly three bottles to cure me, but I consider that was but a short time, as I have often taken doctors' prescriptions for months before I got relief."—Angelina Grotton.

As is well known, Dr. Hartman is the President of the Hartman Sanitarium, an institution which has a department devoted to the treatment of female diseases.

He is thus brought to see thousands of such cases every year, the most of whom return to their homes to be treated by correspondence.

Half of Woman's Ills are Catarrh and for Catarrh Pe-ru-na is Unrivalled.

Those wishing to become patients should address Dr. S. B. Hartman, Columbus, Ohio.

We have on file thousands of testimonials like the ones given here. We can give our readers only a slight glimpse of the vast array of unsolicited endorsements we are constantly receiving. No other physician in the world has received such a volume of enthusiastic letters of thanks as Dr. Hartman for Peruna.

Prohibition State Convention

The State Convention of the Prohibition party was held in the auditorium of the Central Y. M. C. A. building, Baltimore, on Tuesday. Three session were held, morning, afternoon and evening. The convention was called to order by Chairman F. C. Hendrickson, and was opened with prayer, by Rev. W. M. Strayer. The principal business of the convention was the adoption of a platform and the nomination of a canditate for State Comptroller. The platform is particularly strong against the jug trade in local option counties. It declares against the Poe Amendment, saying that if the negro race is to be benefitted, the first step would be to place it beyond reach of liquor, which is most detrimental to moral advancement. The platform also takes up the oyster question, saying that the redemption of the barren oyster beds is favored under such legislative safeguards as to prevent a monopoly of the industry. Notice is also taken of the alleged raising of the printing bill of the State from $17,000 to $25,000 and on the strength of that the platform declares that the legislative servants, the people are careless of the trust imposed upon them. Mr. R. Henry Holmes was nominated by the convention for State Comptroller. The delegates from Kent were Benjamin F. Rash, Rev. W. E. Habbart, Rev. W. L. White, Samuel Brown, L. Wilmer Ford, Thomas Rasin Frank Bottomly, and J. H. Weist.
