GRAND

Democratic Mass Meeting

IN CHESTERTOWN,

On Wednesday, October 25th,

at 2.30 and 7.30 P. M.

Prominent speakers of national and state reputation will address the meeting.

A full band of music will be in attendance. Everybody invited to attend and hear the issues discussed. The Constitutional Amendment will be fully and clearly explained and every voter in Kent county should avail himself of the opportunity in order that he may cast a ballot intelligently upon this important change in the Constitution of the State of Maryland.

LEWIN W. WICKES,
JAMES W. IVENS,
JOHN C. REDMILE,
State Central Committee for Kent county.

DEMOCRATIC LEADERS and party workers generally were active throughout the county on Tuesday in the work of registration. Reports favorable to Democrats have been received from all the districts, and the work done shows the party is united and working harmoniouly for the success of the ticket.

"THERE is a physical difference between the white race and the negro that will forever prevent them from living together on terms of social or political equality."—*Abraham Lincoln.*

And yet in this campaign Democrats are vilified and abused by Republican politicians for standing exactly where Lincoln stood!

THE TWO PLACES on the Republican ticket made vacant by the declination of Mr. Azariah M. Kendall for County Commissioner, and Mr. L. B. Russell for Teasurer will likely be filled by the appointment next week by the Republican State Central Committee, of Mr. Jas. B. Willson, of the Fifth District, for commissioner, and Mr. George W. Atwell, of the Third District for treasurer. The entire ticket will then be:

Legislature—R. R. Hill and L. P. Atwell.

County Commissioners—Jas. B. Willson and Harry Willis.

Treasurer—George W. Atwell.

Sheriff—Samuel C. Walters.

JUDGE DAVID FOWLER has resigned the Chief Judgeship of the Supreme Court of Baltimore city, to engage in the practice of law. Governor Edwin Warfield appointed Judge N. C. Burke, who is a candidate for the office, his successor, and also appointed Insurance Commissioner Frank I. Duncan, who is a candidate for the position, associate judge to succeed Judge Burke. Both Judge Burke and Mr. Duncan have been appointed until the next election, when they will undoubtly be elected for the full term of 15 years. The appointment of Mr. Duncan as judge makes vacant the office of Insurance Commisioner, one of the best of the State offices within the appointment of the Governor. Among those prominently is Mr. Joseph Street, editor of the Harford *Democrat*, of Belair.

PEOPLE'S COLUMN.

☞ The columns of the TRANSCRIPT are open to the proper discussion of all topics of public interest or importance. Whether the editors agree with the sentiment expressed or not, the people should and may be heard through the TRANSCRIPT's columns—the paper will be the People's Forum from which they may be heard on all subjects—purely personal matter excepted. The Editors are not responsible in any manner for articles that appear in this column.

EDITORI TRANSCRIPT—Dear Sirs: Great improvements have been made in our school system during the last few years, but not until recently has the question of essentials and non-essentials been considered. Much of what is taught in our public schools could be omitted, some are useless and others are made useless by modern usages. This is true especially in arithmetic, catch-problems, complex problems, knotty solutions, conumdrums and curiosities which have taken so much time and strength of the pupils, have caused more trouble and worry to both pupil and teacher than the other studies combined. They are chiefly avenues for the mathematical calculations and drills and yet are not very suitable for that. Merely to work over one problem after another of the same kind in a mechanical way cultivates mental dullness. All topics that are not broadly universal in their application can be left to the technical specialist. Dr. C. A. McMurry says, "Omit surveyor's measure because it is not a measurement in use among any except professional surveyors. On the basis of social custom, we can omit Apothecary and Troy weight; Longitude except the very simplest, involving the 15° degree unit, since our standard time makes others unnecessary; Furlongs in linear and rood in square measure; Dram and quarter in Avoirdupois Weight Table in folding paper; all problems in reduction ascending and descending; greatest common divisor, least common multiple, complex and compound fractions as a separate topic, compound proportion, percentage as a separate topic, with its cases; true discount, most problems in compound interest, all in annual interest, problems in partial payment, commission and brokerage, all examples involving fractions of shares, profit and loss as a special topic, Equation of payments because of improved banking facilities, partnership, because made unnecessary in the old sense by stock company; cube root, all algebra, except such simple use of the equation as is directly helpful in arithmetic."

By referring to schedule of studies to be taught this year I find a year's work could be saved.

If the above are non-essentials, why should they be taught? why are these applications retained? Simply because they enlarge the book. Text books are in preparation expunging all that is not necessary, giving the essentials with that which the child will have to deal as a business man.

Read the physiology in use, when a child comprehends it, he will be a full fledged physician. Hygiene was the object of our educators. Shall we continue in these ruts and teach every thing, whether it is useful or not, or use the weeding-out process? J. A. G.

Some Seasonable Advice.

It may be a piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy at hand. This remedy is so widely known and so altogether good that no one should hesitate about buying it in preference to any other. It is for sale by M. A. Toulson, druggist, Chestertown.

Order of Publication.

Elmer E. Leary, Antone Gagalski,
vs.
Bertie May Besowsky, John A. Besowsky, Rosa Besowsky, Fanny Besowsky, Willie Besowsky, Daisy Besowsky, Effie Besowsky, Margie Besowsky, George Besowsky, Annie Sewell, Marion Sewell, Hope H Barroll, new administrator in the place and stead of Robert F. Jewell, late administrator.

In the Circuit Court for Kent County, in Equity.

No. 1565.

The object of this suit is to procure a decree for the sale of the real estate of Rudolph Besowsky deceased, to pay the debts of the said deceased.

The bill states that Rudolph Besowsky, late of Kent county, departed this life intestate leaving no widow surviving him but leaving the following children and heirs at law, viz.: Annie Sewell, who married Marion Sewell, who reside in Rock Hall, Kent county, Maryland, John A. Besowsky, adult, who resides in the State of New Jersey; Bertie May Besowsky and Rosa Besowsky, adults both of whom reside in the city of Baltimore, Maryland; Fannie Besowsky, adult, who resides in Morristown, New Jersey, and the following children not of age; Willie Besowsky and Daisy Besowsky, both of whom reside in Baltimore, Md.; Effie Besowsky, who resides in Talbot county, Md.; Margie Besowsky, who lives in Wilmington, Del., and George Besowsky, who lives in a Catholic schoo lin the State of Delaware.

And the bill further states that there is some uncertainty as to the residence of some of the defendants, and as a precaution the bill alleges generally that all the defendants are non-residents so that if it is impossible to serve personal notice on any of the defendants, due notice may be given to those who do not reside in the State of Maryland, by means of an Order of Publication.

And the bill further states that the said Rudolph Besowsky was in his lifetime indebted unto Elmer E. Leary in the sum of $22.45, and unto Antone Gagalski in the sum of $18.45, and the said Rudolph Besowsky, being so indebted, departed this life intestate, leaving but a small personal estate, not sufficient to pay his debts, and letters of administration have been granted unto Hope H. Barroll.

And the bill further states that the said Rudolph Besowsky left real estate at a great value situated in Kent county, Maryland.

To the end therefore that the real estate of the said Rudolph Besowsky, deceased, or so much thereof as may be necessary may be sold for the payment of the debts of your orators and for the payment of the debts due the other creditors of the said deceased,

It is thereupon ordered this 14th day of September, 1905, by the Circuit Court for Kent county as a court of Equity, that the plaintiffs by causing a copy of this order to be inserted in some newspaper printed and published in Kent county once a week for four successive weeks before the 16th day of October, 1905, giving notice to the said Bertie May Besowsky, John A. Besowsky, Rosa Besowsky, Fannie Besowsky, Willie Besowsky, Daisy Besowsky, Effie Besowsky, Margie Besowsky, George Besowsky, Annie Sewell and Marion Sewell, all of whom are alleged to be non-resident defendants, of the object and substance of this bill and warning them to appear in person or by solicitor on or before the 6th day of November next, to show cause if any they have why a decree should not be passed as prayed.
