Instruction to Voters.

How to Proceed to Cast a Ballot Under the Election Law.

Attorney-General William S. Bryan, Jr., has prepared the following instructions to voters as directed by Article 33, Code of Public General Laws, and amendments thereto:

1. TO VOTE. Enter room, step up to guard-rail, give name and registered residence to the judges. Wait until your name is found upon the registers, then get Ballot from the judge in charge of the ballots. See that he has written your name and number on the coupon attached to the ballot and his own name or initials on the back of the ballot itself.

2. Upon receiving your ballot, retire to one of the booths or compartments and prepare your ballot by marking with an indelible pencil after the name of every person, or persons for whom you wish to vote, and to the right thereof in the blank space provided therefor, a cross-mark, for example (X); and in case of a question submitted to a vote of the people, by marking likewise in the appropriate space a cross-mark (X) against the answer you desire to give. If you wish to vote for some one whose name is not printed on the Official Ballot, you can write the name of such person in the blank space upon the ballot provided for that purpose.

3. In marking the ballott you may take with you into the polling place any written or printed momorandum or paper to assist you in preparing your ballot, except a fac-simile of the ballot to be voted. You must prepare and deposit your ballot without undue delay. Before coming from behind the curtain in front of your compartment you must fold your ballot in the same way as it was folded when you received it, so that the marks you have made upon it shall be entirely concealed. You then hand your folded ballot to the judge at the ballot box, give him your name and registered address, and wait until he tears off a coupon containing your name and number, and strings it, and deposits your ballot in the ballott box. You must then leave the polling room and cannot again go behind the guard-rail during the day.

4. A voter must not go into any compartment occupied by another or converse with any other voter while engaged in a compartment, nor can he occupy a compartment more than seven minutes if others are waiting.

5. You must not take any ballott outside the guard-rail. If you spoil a ballot you must deliver the spoiled ballot to the judge in charge of the ballots and you can receive another from him. IF YOU SPOIL THREE BALLOTS YOU LOSE YOUR VOTE.

6. A voter who is physically disabled from marking his ballot, must make an affidavit to that effect if he desires assistance. The two polling clerks after such affidavit has been made, can accompany him into one of the compartments and there mark his ballot as he instructs them, marking only the names of the candidates whom he shall name. The clerks are not allowed to read the ballot to him.

7. Any voter who shall allow his ballot to be seen by any person with the apparent intention of letting it be known how he is about to vote, or place any distinguishing mark upon his ballot, or who shall make a false statement as to his inability to mark his ballot, or who shall interfere or attempt to interfere with any voter when inside the enclosed space in the polling room, or when marking his ballot, or who shall endeavor to induce any voter before voting to show how he marks or has marked his ballot, shall be punished by a fine of not less than five ($5) dollars nor more than one hundred ($100) dollars, or by imprisonment in jail for a period not exceeding sixty days, or by both fine and imprisonment in the discretion of the Court.

By order,

GEORGE H. CANNAN, Prest.;
SAMUEL G. LEE,
JAMES T. DECORSE,
Supervisors of Election for Kent Co.
EDWARD ROBINSON, Clerk.

For the information of all persons concerned, the following Act of the Legislature passed March 24th, 1895, is published:

AN ACT

Prohibiting the sale of Sprituous or Fermented Liquors in the counties in the state on the day of Election.

SECTION 1.—Be it enacted by the General Assembly, of Maryland, That it shall not be lawful for the keeper of any hotel, tavern, store, drinking establishment or any other place where liquor is sold, *or for any person or persons*, directly or indirectly, to sell, barter, give or dispose of any spirituous or fermented liquors, ale or beer, or intoxicating drinks of any kind, on the day of election hereafter to be held in the several counties of the State.

SECTION 2.—And be it enacted, That any person violating the provisions of this Act shall be liable to indictment by the Grand Jury of the county where such offence is committeed, and shall, upon conviction before any judge of any of the Circuit Courts of this State, be fined a sum not less than fifty dollars for each and every offense; one-half the fine is paid to the informer and the other half to the County Commissioners for the use of the public roads.

THE DEMOCRATIC MASS MEETING.

Called to Order by L. W. Wickes, Esq.

Notwithstanding the very inclement weather on Wednesday good crowds were present both afternoon and evening to hear the issues of the campaign discussed by able speakers. Ex-Congressman Irving Handy, of Delaware, and Col. J. E. R. Wood, of Frederick county, drove up from Centreville in the morning and previous to the meeting mingled with the voters and leaders assembled about the Court House where court was in session and on the streets. The meeting was called to order by Chairman of the State Central Committee, Lewin W. Wickes, who named Dr. G. Irving Barwick, of the Second District, as chairman. Dr. Barwick, in a few well-chosen remarks, thanked the meeting for the honor conferred upon him and stated the purpose of the meeting. The first speaker introduced was Col. Wood, of Frederick county. Col. Wood is an enthusiastic speaker, and held the attention of the audience for an hour or more with an interesting discussion of the one great issue of the campaign—the Constitutional Amendment. Col. Wood made the statement that *not a single white man would be disfranchised by the passage of the Amendment*, but that if the Amendment were defeated the State would still be cursed by the evils of negro denomination. He made a strong plea for the supremacy of the white man, arguing that the disfranchising of the negro would tend towards the moral uplift of the race, the purity of the ballot, and the freedom from fraud and corruption in elections.

He was followed by ex-Congressman Handy, who in his usual vigorous and polished manner delivered a scathing arraignment of the Republican party's history in the past, and drove home with great force the necessity for the adoption of the Constitutional Amendment. The audience gave respectful attention to the speakers and seemed deeply impressed with the arguments made.

It is unfortunate that the weather was so inclement, as we are quite sure that with a bright sky the hall would have been packed with those interested in so great an issue as confronts the voters in this election.

THE NIGHT MEETING.

A heavy downpour of rain prevented a large crowd at night. Wm. M. Slay, Esq., presided, and introduced ex-Congreesman Charles W. Byrne, of West Virginia. Dr. Atkinson and ex-Insurance Commissioner Lloyd Wilkinson were unavoidably absent, much to the regret of the audience. Mr. Byrne is a new man on the Maryland stage, and coming from the South his utterances upon the race question were interesting to the audience. Ex-Congressman Handy made such a favorable impression in the afternoon that he was induced to speak again at night. His explanation of the provisions of the amendment and the white man's right to vote was clear and impressed his hearers with the sincerity of his arguments. We regret that it is impossible for us to give the speeches in full, as those voters who were not able to be present at the meetings should know just what was said. Suffice it to say, however, that the meeting was a successful one, and was attended by prominent Democrats and voters from all sections of the county. The occasion was enlivened with inspiring music by the Galena band under Prof. Cookman Orrell, of Centreville.

COLLEGE NOTES.

Quite a number of our girls and boys, under the chaperonage of Misses Baber and Townsend, enjoyed a straw-ride and chestnut hunt last Saturday afternoon.

We are sorry to hear that Miss Florence McConnor is suffering from a sprained ankle sustained while playing basket ball the early part of this week.

Messrs. Earl and Mark Bruding spent a few days this week in Baltimore.

Messrs. Sylvester and Holt left college Friday morning for a short visit to their respective homes at Hillsborough.

We are glad to welcome back to college, Mr. A. H. Porter, who has been detained at home for a week owing to the illness of his father.

Boys stop soaking one another for the weather is too cool for that kind of a bath.

The monthly marks are out; so that accounts for the long paces.

We must compliment Prof. Hau for the interesting work done by his "news item class."

The foot ball team plays Wilmington Conference Academy at Dover today. The boys have had some more hard practice and a few more points on the game during the week, so hope to come home with the game.

FOOT BALL.

W. C. 6. DELAWARE.

Washington College and Delaware College played a tie game on the W. C. campus on Saturday morning. It was a hotly contested game from start to finish, and Delaware College would never have scored but for a palpable error on the part of the referee, who acknowledged his mistake after the game was over. The referee allowed the visitors four downs instead of the legal three thereby affording them the chance to score. Both teams scored their touchdown in the first half and both were made on line rushes straight down the field. The second half was played in Delaware's territory entirely, and when time was called the ball was on her 20-yard line. The teams were about equal in weight, the advantage being with Delaware. The coach of the Delaware team acknowledged after the game that his team was outclassed. The line-up was as follows:

WASHINGTON.	POSITION.	DELAWARE.
Rasin	Right end	Josephs
Moore, White	Right tackle	Stine
McMaster	Center	Brown
White, Maddox	Left guard	Papperman, Neill
Gibson	Left tackle	Voss
Long	Left end	Hauber
Wilson	Quarterback	Pie
McGinnis (capt)	Right halfback	Taylor
Hitch	Left halfback	Baldwin
Gill	Fullback	Ward

Umpire—Mr. Massey, of Maryland Agricultural College. Referee—Mr. Hitch, of Washington College. Linesmen—For Delaware, Gibbs; for Washington, Smith. Timekeepers—For Delaware, Fulton; for Washington, Moore. Time of halves—25 minutes.

BE WISE.

Tolchester Directors Meet.—The directors of the Tolchester Company held their annual meeting at the company's office Monday, when the report of business for the season of 1905 was made, and was much more satisfactory than the report of 1904. The excursion season was not what had been hoped for, yet the result of the year's business was satisfactory. After the meeting adjourned President Eliason invited the directors to the New Hotel Kernan for dinner, during which a number of things connected with the company's busines for 1906 were discussed.
