NEW STORE,
(Old Stand)
More Room,
Plenty Goods,
Greater Business.

We have added five hundred square feet of floor space to our store, and have filled it up with one of the greatest lines of Clothing and Furnishings for Men and Boys to be found this side of the larger city stores, which better enables us to please every one in fit and fabric, and we mean it when we say that we can save you from 10 per cent. to 20 per cent. on your purchases less than the bigger expense houses would be obliged to ask you.

If you haven't been in to see the great change made in our building, you should do it now. It's worth your time to know what progress Chestertown and her merchants are making. We extend you a cordial invitation to call, and won't ask you to buy anything if you're not interested.

Yours for business,

J. D. LUCAS.

OBITUARY.

LYCURGUS B. RAYNER.

Lycurgus B. Rayner, beloved son of Mr. and Mrs. H. S. Rayner, of Baltimore city, and grandson of Mr. and Mrs. Wm. J. Vannort, of Chestertown, died at the home of his parents, in Forest Park, Baltimore, on Monday morning, after a lingering illness, aged 22 years. The deceased was a young man of strong intellect and courage, and fought bravely against the dreaded disease which made him its prey. Everything was done for him that loving parents and relatives could do, yet the monster had made him its prey, and with submissiveness he awaited the coming of the summons. The deceased was well-known in Chestertown where he had frequently been the guest of his grandparents, and where he made a host of friends by his genial disposition and polished manner. Funeral services were held from the residence of the deceased's parents, in Forest Park, on Wednesday afternoon at 2.30 o'clock, conducted by Rev. J. S. Bowers. Interment private in the family burial lot in Greenmount cemetery. Col. and Mrs. W. J. Vannort and Mrs. J. J. Sheppard and daughter, Miss Avis, attended the funeral from Chestertown, Mrs. Vannort and Mrs. Sheppard having left for Baltimore shortly before the telegram reached Chestertown announcing Mr. Rayner's death.

New Industries in Kent.

The overall plant which was established in Chestertown by the incorporation of a company some months ago began operations in the old school building which has been rented and fitted up in excellent manner for the purpose, on Thursday. Fifteen new machines have been installed and twelve lady operators, under the supervision of Miss Ethel Coleman, are employed. Mr. James Estes has been appointed engineer, and Mr. Harry J. McWhorter has been employed as cutter. Mr. McWhorter is receiving instruction at present from an experienced cutter, who will remain at the plant until Mr. McWhorter has thoroughly mastered the business. The business will be under the direction and management of Mr. T. D. Larrimore, who has had large experience in the work. Mr. Larrimore states that orders are rapidly coming in, and that the plant already has more work than can be completed shortly. There is every prospect that the enterprise will be a paying investment, and it is backed up by some of Chestertown's best business men. The plant is open for inspection by the public.

It has been definitely settled that Rock Hall is to have a new industry which will undoubtly prove a great benefit to that prosperous village. Mendels Bros., the well-known manufacturers, of Baltimore, will operate a plant for the manufacture of ladies wrappers there. The firm has installed fifty machines in the Blackiston building which has been secured for the purpose and will employ 50 operators. This is a great opportunity for Rock Hall, and the citizens will surely avail themselves of the privilege to provide employment for those desiring it there.

Beautiful Chrysanthemums.

The chrysanthemum tea given by the ladies of the Foreign Missionary Society of the M. E. Church, in Mrs. S. F. Smith's storeroom on High street on Wednesday evening was a great success both socially and financially. The main part of the room as well as the supper room, was beautifully decorated with autumn leaves and cedar, and this, together with the magnificent display of chrysanthemums, made the scene a most attractive one. The display of chrysanthemuns, while it did not exceed in quantity the display of former years, yet the quality and size of the blooms was fully up to the usual standard of excellence and reflected great credit upon those whc had expended such care and attention upon them.

Among the contributors to the exhibit were, Mrs. Jacob F. Thompson, Mrs. James Brice, Mrs. Harvey Boggs, Miss Etta Edwards. Miss Anna G. Lambert, Mrs. Joel R. Clements and Mrs. Dr. H. B. Simmons. There was also on exhibition a beautiful exhibit sent by Mr. Edward Lambert from Easton. Mrs. Dr. Simmons had the largest and most varied exhibit, while Mrs. Clements also had some beautiful specimens. The flowers found ready sale at ten cents a bloom. Another attractive feature was the country store in charge of Mrs. T. S. Bordley, Misses Fannie and Bessie Stuart and Miss Wright. A splendid luncheon was served in charge of the lady members of the society. The table decorations were very pretty and the place was crowded with interested patrons. About $80 was realized, and this will be devoted to the benefit of the Foreign Missionary cause.
