HAPPY WOMEN.

Wouldn't any woman be happy,
After years of backache suffering,
Days of misery, nights of unrest,
The distress of urinary troubles,
To find relief and cure?
No reason why any reader
Should suffer in the face of evidence like this:

Mrs. Almira A. Jackson, of East Front St., Traverse City, Mich., says: "For twenty years I was doctoring for kidney and liver trouble, but without benefit. Just before I began using Doan's Kidney Pills I was almost paralyzed. I could hardly stand on my feet because of the numbness and lack of circulation. Had a knife been thrust into my kidneys the pain could not have been more intense. My sleep was disturbed by visions of distorted figures. The kidney secretions were annoyingly irregular, and I was tortured with thirst and always bloated. I used seven boxes of Doan's Kidney Pills. The bloating subsided until I weighed 100 pounds less, could sleep like a child and was relieved of the pain and the irregularity of the kidney action. My circulation is good and I feel better in every way."

A FREE TRIAL of this great kidney medicine which cured Mrs. Jackson will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. For sale by all druggists; price, 50 cents per box.

ROCK HALL ITEMS.

Our oystermen are convinced that the agitation of the oyster question will culminate is some action by the next legislature. For fear of a radical change they are to a man in favor of no new legislation but a strict enforcement of the present law, especially the cull law. I have interviewed one hundred and twenty-seven; with the exception of one, all say, enforce the present law that is all we want. (Now Messrs. Editors we are digesting the Haman, the Willson and Capt. Thomas B. Webster bills and suggestions, please advise us as to the best action to take.)

Affairs at the wrapper factory are not as satisfactory as we would like to report. The scale of wages suggests discrimination against the rural laborer. If the environments of a laborer shall be the graduation of his wages, what incentive has he to become a skilled workman? A strike at the factory resulted from a refusel to give the wages which were in vogue in the city. On Tuesday it started up with a new force and we hope with better success.

Mr. Leo Durding was taken to the hospital on the 27th suffering with heart trouble. Mrs. J. A. Greenwood has been quite sick but is better at this writing. Mr. John Lewis is out again.

We sympathize with Mr. Clarence Culley, who received a fall while riding a goat in K. of P. hall; though no bones were broken his conscience was terribly scared. Another jockey of the same name will try the goat and perhaps meet the same fate.

The Rev. W. B. Coleman, of Chestertown, filled the M. E. pulpit on Sunday.

Mr. Hopkins Burgess has built him self a dwelling on his farm near the bay. Mr. F. A. Schreck takes the house vacated by Mr. Burgess. Mr. Charlie Smith takes the Venable house in Alexville. Mr. George Cogalski has purchased the Greet property on Grey's Inn creek and moved thereon.

Mr. Wm. Clayton is the champion hog slaughterer, having killed more than fifty for different persons. He is a hustler, and handles more poultry and fresh meats than any one butcher in our county.

South Rock Hall is much excited over the report that one of our landlords is going to rent some of his houses to negroes, and if such is the case, there will be many houses for rent in that part of the city.

The church bell don't make noise enough, why? The school bell in Piney Neck can be heard farther, equally as good a tone and cost about one-tenth as much money.

Query.—Should children, regardless of grade or location, be permitted to attend Rock Hall school? Should children below the 7th grade be permittod to pass a school in order to attend here? Is it fair that Rock Hall teachers should be over-crowded when the schools on the suburbs have but six, eight, ten and fifteen pupils? Should there be boundaries between schools?

Now accept the complements of the season, with the hope that you and the readers of the TRANSCRIPT may have the following menu for Thanksgiving dinner: Oysters, turkey with cranberry, sauerkraut with honey, and an old-fashioned plum pudding.

Got His Money's Worth.

A lady palmist was recently prosecuted, and an amusing incident was noted in connection with the case. One of the witnessess called by the police was an individual who did not appear to be overburdened with intelligence. During a smart cross-examination defendant's counsel asked him:

"On first going into the room, did you pay a shilling fee to the defendant?"

"Yes," was the reply.

"What did she tell you in return for the money."

"Oh," said the witness, "she towd me lots o' things—some on 'em true, some on 'em half true, an' some on 'em less!"

"Now," continued the counsel, after the laughter had died away. This is the point I wish to get at. Was there an attempt at imposition? Did the lady impose upon you at all?"

"Oh, dear no," was the response. "I knowed it wor all gammon, so there couldn't be no imposition. Besides, it wor a bad shillin' as I guv her, to start wid!"—*Tid-Bits.*

Letier to Smith & Graham.

Chestertown, Md.

Dear Sirs: Do you want to sell Devoe lead-and-zinc for your town and country?

The whole doctrine of it turns on these three points:

(1) It is all paint and true paint;
(2) It is the strongest paint;
(3) It is full measure.

Because it is all paint, true paint, proportioned for strength and full-measure,

(1) It takes least for a job;
(2) Looks best all the time;
(3) Lasts longest;
(4) Gathers the trade, and holds customers.

There is no such argument for any other paint; there is no other such paint; there is nothing but talk for any other paint. Devoe is the paint, if you want the facts on your side.

The country is full of experiences; we bring these experiences to bear on your trade, if you sell Devoe.

Yours truly
F. W. DEVOE & Co
