John D. Urie, Attorney.

ORDER OF PUBLICATION

George E. Wright, father and next friend of Edmund M. Wright and George E. Wright, Jr., infants; Emma C. Wright, John D. Urie, Trustee, Plaintiffs.

versus

Martha J. McWhorter, Thomas H. McWhorter, Edmund M. Wright and George E. Wright, Jr., infants, non-resident Defendants.

In the Circuit Court for Kent County In Equity, No 2215.

The object of this suit is to secure the sale under the decree of the Circuit Court for Kent County, Maryland, in Equity, of the lands and premises designated as Nos. 1 and 3 and containing about 153 acres of land described in a Deed of Trust from Martha J. McWhorter to Robert J. Catts, Trustee, dated February 25th, 1902, and duly recorded in Liber J. T. D. No. 6, folio 216, etc., of the Land Records for said Kent County, which farm is located in the First Election District of said Kent County, State of Maryland.

The Bill recites that by said Deed the said Martha J. McWhorter conveyed to one Robert M. Catts in Trust the said farm along with other land and premises, this farm being designated in said Deed as Nos. 1 and 3 for the use and benefit of Emma C. Wright for life with remainder over in fee to her two children then living, the above entitled infant defendants, Edmund M. Wright and George E. Wright, Jr., and on their death before their mother, then to the brothers and sisters of the said Emma C. Wright of which brothers and sisters the said Thomas H. McWhorter is the only survivor.

That subsequently to the said Deed, Ola J. Catts the only surviving sister of Emma C. Wright and the said Martha J. McWhorter conveyed to the said Emma C. Wright Deed, a certified copy of which as exhibit No. 2 is filed with said Bill a part thereof, 2-3 of the net income of the said farm and all the contingent interest of the said Ola J. Catts therein, and in which Deed said tract is designated as No. 2.

That John D. Urie, Trustee, one of the above entitled Plaintiffs is Trustee by appointment of this Honorable Court in succession to the said Robert M. Catts.

That said property by reason of the dilapidated condition of buildings and fencing and depreciation of the land is almost untenantable and may become quite so and that it would therefore be to the material advantage, benefit and interest of the said infants remainder holders as well as all others having an interest in said farm and premises that it be sold and the proceeds invested and further depreciation in said remainder interest be arrested so as to produce an assured income for the future for those thereto entitled while the said farm can be sold as tillable and tenantable.

To the end therefore:

That the said farm and premises may be sold under the decree of this Court and the funds derived therefrom invested under the control of said Court and that the Plaintiffs may have such further and other relief as their interests may require. It is prayed that the above entitled Defendants, Martha J. McWhorter, adult, who with Edmund M. Wright and George E. Wright, Jr., infants, as aforesaid who reside at 240 West Fishers Ave., Olney, in Philadelphia County, State of Pennsylvania, the said infants with their parents, the said George E. Wright and Emma C. Wright, and Thomas H. McWhorter who also resides in the State of Pennsylvania but whose address is unknown, are non-residents of the State of Maryland, are prayed to be proceeded against as non-residents of the State of Maryland by Order of Publication as against non-residents.

It is thereupon this 20th day of February A. D. 1923, by the Circuit Court of Kent County, State of Maryland, in Equity, ordered that the Plaintiffs by causing a copy of this Order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 26th day of March A. D. 1923, give notice to the said Edmund M. Wright and George E. Wright, Jr., the non-resident infant defendants, and to said Martha J. McWhorter, adult, also a non-resident, all who reside at No. 240 West Fishers Avenue, Olney, Philadelphia County State of Pennsylvania, and to said Thomas H. McWhorter, adult, non-resident, but supposed to reside in the State of Pennsylvania, but whose address is unknown, warning them to appear in this Court in person or by Solicitor on or before the 9th day of April A. D. 1923, to show cause, if any they have, why a decree ought not to be passed as prayed.

ROBERT R. AYRES, Clerk.

HOW TO GET BACK THE "JOY OF LIFE"

LIFE isn't worth living if you're so weak and run down you can hardly drag yourself around.

If the rich red blood, full of health and vigor, were pumping through your veins, the joy of life would come back soon enough! Gude's Pepto-Mangan has worked this magic for thousands—it will do the same for you. Take it for a short time and see how your health and strength improve. Your druggist has it—liquid or tablets, as you prefer.

Cathedral Cares For Diocese Missionary Work

The action of the Vestry of Whitemarsh Parish at Trappe and the Vestry of All Saints Parish, at Longwoods in placing their respective churches under the care of Trinity Cathedral, brings to the Cathedral the fulfillment of its original mission as outlined by Bishop Lay, when he organized the Cathedral forty years or more ago.

The missionary work of the Diocese of Easton is now centered at the Cathedral under the immediate care of Dean Bohanan. He will have with him to assist in the work the Rev. J. F. Virgin, of Crisfield, and the Rev. R. M. D. Adams, late of Connecticut, and now of Trappe. These gentlemen are soon to be made Canons of the Cathedral, and the work at Trappe, All Saints, Tunis Mills, Cordova, Hurlock, and possibly East New Market and Vienna will be cared for by them under the direction of the Dean.

Rev. Mr. Virgin, will move to Easton and will occupy the rectory at All Saints. He will give service at All Saints and other points as needed and he will also have charge of the business management of the Eastern Shore Churchman, the official paper of the Diocese, he taking the place of Rev. Mr. Goldie who goes to Oregon.

Rev. Mr. Adams is now in Trappe, and he will have immediate care of the Church there and other points as desired. The Dean and Canons will meet each month and map out the work for the month, in which services will be arranged for all the places above mentioned.

It was the plan of Bishop Lay, when he organized the Cathedral to center the missionary work of the Diocese at the Cathedral, but his death prevented the carrying out of this plan. Bishop Davenport has seen the advantages of this and has given every encouragement to it, as has the Convention of the Diocese. This plan is adopted by all the large Dioceses.

The Cathedral Chapter will meet soon and go over the arrangements looking to carrying out of this idea, The Chapter is composed of Bishop Davenport, president; Dean Bonanan, the Dean of the three Convocations; Rev. W. C. Marshall, of Centreville, Rev. C. L. Atwater, of Chestertown, and Rev. S. A. Potter, of Berlin, Col. H. W. Waters, Chancellor of the Diocese, Rev. Geo. C. Sutton, President of the Standing Committee, T. W. Perkins, Chestertown, Willam M. Cooper, Salisbury, John S. McDaniel, S. E. Shannahan, Dr. A. S. Cover and Russel Fountain, of Easton.

At the meeting of the Chapter the Canons will be created, and the two are then members of the Chapter.

MORE "SPLENDID RESULT OF NEAR EAST FIELD DAY.

For some reason unknown to the writer, the report on this work as given in last week's issue of the News Letter was incomplete. The little Presbyterian Church at Georgetown was not included in the list. The splendid address given there by Miss McCormack resulted in a cash contribution of $75.50—for which we hold the receipt of the Treasurer of "Near East Relief. When we take into consideration that this little church has a membership of only 25, the contribution of an average of $3 per member is probably as large as that of any church in the county of Kent.

How much was subscribed by our people, to be paid in the future, the writer has no means of knowing—as such subscription cards did not pass through my hands. Only the cash contributions are included in the foregoing $75.50.

Another matter: The article of last week says "Mr. Pellegrin was a Presbyterian minister before taking over this work in Maryland." That is true. It is also true that Mr. Pellegrin is still a Presbyterian minister, an honored member of the Presbytery of Baltimore. The act of becoming Director of Relief Work did not remove him from the ministerial ranks.

The above is written in justice to the trust. B. B. S.

Take It Now!

There is no logical reason why anyone should hesitate to take cod liver oil. This energizing food has been an important factor in the health record of thousands.

Scott's Emulsion

is the easy and effective way to take pure vitamine-bearing cod-liver oil. *It is surprising how many take it to help build up body and strength.*

Now We Can Show the New Six Sedan for Five

In view of the exceptional interest aroused by the new Nash Six Sedan for five passengers we're staging a special display of this car all week.

Nash built this new model with an eye to compactness and grace, though it provides unusual comfort for all five persons.

Craftsmen long-famed for their artistic conceptions built the body and swung it low to the road.

It rides a newly improved Nash Six chassis with outstanding refinements in construction.

The fittings and appointments are superbly luxurious and complete to the last detail.

Solidly and substantially constructed it nevertheless handles with amazing lightness, and performs with surprising smoothness and responsiveness.

And its economy in gas and oil is noteworthy among enclosed models.

Even while bettering every phase of its performance by new developments in engineering practice Nash also found ways and means of shrinking the upkeep cost.

See this new model for yourself and study its many compelling charms thoroughly.

(1218)

Features and Appointments of Six Sedan for Five

Dome light overhead. All windows adjustable, save rear glass. Inside locks on three doors and exterior lock on fourth door. Two-piece windshield. Arm rests, silk curtains, windshield wiper, foot rail, robe rail, large pockets in doors. Heater. New and scientifically calculated tilt to motor giving straight line drive. New carburetor heating device that insures complete vaporization of gas at all times. New steering device. Special spark and gas control on steering wheel. New non-glare dash light which illumines entire dash and can be regulated as to volume of light desired. Newly refined clutch. Cowl ventilator.
