John D. Urie, Attorney.

ORDER OF PUBLICATION

George E. Wright, father and next friend of Edmund M. Wright and George E. Wright, Jr., infants; Emma C. Wright, John D. Urie Trustee, Plaintiffs.

versus

Martha J. McWhorter, Thomas H. McWhorter, Edmund M. Wright and George E. Wright, Jr., infants, non-resident Defendants.

In the Circuit Court for Kent County
In Equity, No 2215.

The object of this suit is to secure the sale under the decree of the Circuit Court for Kent County, Maryland, in Equity, of the lands and premises designated as Nos. 1 and 3 and containing about 153 acres of land described in a Deed of Trust from Martha J. McWhorter to Robert J. Catts, Trustee, dated February 25th, 1902, and duly recorded in Liber J. T. D. No. 6, folio 216, etc., of the Land Records for said Kent County, which farm is located in the First Election District of said Kent County, State of Maryland.

The Bill recites that by said Deed the said Martha J. McWhorter conveyed to one Robert M. Catts in Trust the said farm along with other land and premises, this farm being designated in said Deed as Nos. 1 and 3 for the use and benefit of Emma C. Wright for life with remainder over infee to her two children then living, the above entitled infant defendants, Edmund M. Wright and George E. Wright, Jr., and on their death before their mother, then to the brothers and sisters of the said Emma C. Wright of which brothers and sisters the said Thomas H. McWhorter is the only survivor.

That subsequently to the said Deed, Ola J. Catts the only surviving sister of Emma C. Wright and the said Martha J. McWhorter conveyed to the said Emma C. Wright by Deed, a certified copy of which as Exhibit No. 2 is filed with said Bill as a part thereof, 2-3 of the net income of the said farm and all the contingent interest of the said Ola J. Catts therein, and in which Deed said tract is designated as No. 2.

That John D. Urie, Trustee, one of the above entitled Plaintiffs is Trustee by appointment of this Honorable Court in succession to the said Robert M. Catts.

That said property by reason of the dilapidated condition of buildings and fencing and depreciation of the land is almost untenantable and may become quite so and that it would therefore be to the material advantage, benefit and interest of the said infants remainer holders as well as of all others having an interest in said farm and premises that it be sold and the proceeds invested and further depreciation in said remainder interest be arrested so as to produce an assured income for the future for those thereto entitled while the said farm can be sold as tillable and tenantable.

To the end therefore:

That the said farm and premises may be sold under the decree of this Court and the funds derived therefrom invested under the control of said Court and that the Plaintiffs may have such further and other relief as their interests may require. It is prayed that the above entitled Defendants, Martha J. McWhorter, adult, who with Edmund M. Wright and George E. Wright, Jr., infants, as aforesaid who reside at 240 West Fishers Ave., Olney, in Philadelphia County, State of Pennsylvania, the said infants with their parents, the said George E. Wright and Emma C. Wright, and Thomas H. McWhorter who also resides in the State of Pennsylvania but whose address is unknown, are non-residents of the State of Maryland, are prayed to be proceeded against as non-residents of the State of Maryland by Order of Publication as against non-residents.

It is thereupon this 20th day of February A. D. 1923, by the Circuit Court of Kent County, State of Maryland, in Equity, ordered that the Plaintiffs by causing a copy of this Order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 26th day of March A. D. 1923, give notice to the said Edmund M. Wright and George E. Wright, Jr., the non-resident infant defendants, and to said Martha J. McWhorter, adult, also a non-resident, all who reside at No. 240 West Fishers Avenue, Olney, Philadelphia County State of Pennsylvania, and to said Thomas H. McWhorter, adult, non-resident, but supposed to reside in the State of Pennsylvania, but whose address is unknown, warning them to appear in this Court in person or by Solicitor on or before the 9th day of April A. D. 1923, to show cause, if any they have, why a decree ought not to be passed as prayed.

BASE BALL NEXT

Washington College closed its basket ball season Friday night with a victory over Eastern Shore "Stars," at Salisbury. Fiore, however, received a broken nose in the game while Carrington suffered a sprained wrist. Dumschott received a black eye. This would indicate to the outsider that it was a rough game but such is not the case. The score was 37 to 19 and at no time was Washington in danger of defeat.

Capt. Thomas Kibler had 35 candidates for base ball on Washington Field Monday for the first practice. For over a week the Maroon and Black battery candidates have been working out in the gymnasium and are already rounding into shape From last year's squad 11 letter men have returned, and among the recruits are several who bear noteworthy reputations as high and prep school performers.

The veterans are: Outfielders, Captain Griffith, Vinyard, McGinnes and Adkins; infielders, Flowers, Johnston, Dumschott, Carroll; catcher, Duffy; pitchers, Hickman and Bradford. Among the most promising of the new comers are: Outfielder, Reds Armstrong; infielders, Galvin, Reiger, Cavanaugh; catchers, Carrington and Holland; pitchers, Scarborough, Simmons, Jim Adkins. Hickman and Adkins are lefthanders. The season will start with the annual game with Navy at Annapolis April 11.

IN MEMORIAM

In loving remembrance of my husband Richard C. Collyer, who departed this life three years ago March 16, 1920.
Today recalls sad memories,
Of a loved one gone to rest,
And the ones who think of him today,
Are the ones who loved him best.
Days of sadness still come o'er me,
Tears of sorrow silently flow,
Fond memories still linger near me,
Though Heaven claimed him three years ago.
Just a thought of sweet remembrance,
Just a memory fond and true,
Just the love and sweet devotion
Of the one who thinks of you.
Gone but not forgotten.
By His Wife.

Medal To Frank A. Greenhawk

Frank A. Greenhawk, formerly of Rock Hall, and now chief executive of the Boy Scouts of Delaware, has received from Miss Anne Morgan's Committee for Devastated France a handsome silver medal for services he performed in France in the summer of 1921 in the reorganization of the Boy Scouts of that country. Mr. Greenhawk was one of the four Americans sent over there to effect that reorganization.

The medal is of silver and hangs from a ribbon of light blue and white stripes, colors of Miss Morgan's committee. On the face of the medal is the figure of a griffon, a dog used in game hunting.

The legend surrounding its adoption for the medal is to the effect that the town of Bleirencourt was perhaps as badly devastated as any of the towns in France, and Miss Morgan adopted it.

WOOL INDUSTRY

Kent, Talbot And Queen Anne's Produce More Than Half Of Shore's Wool Crop.

Sheep growers in Kent, Queen Anne's and Talbot counties produce more than one-half of the wool crop of the Eastern Shore, and Queen Anne's county stands out prominently as the largest sheep and wool center in Eastern Maryland. Government statistics shows the following:

	No. Sheep.	Sheep Shorn

BALTIMORE SLEUTHS ROBBED BY "RUBES"

Three United States Revenue enforcement officers from Baltimore, after raiding places in Denton Sunday afternoon and securing two stills, a gallon jug, said to contain whiskey, and a number of pint and quart bottles of whisky in a case, came to Easton at night on their way to Baltimore in an automobile with their "evidence" stored in the machine.

They went into the Puritan Restaurant to get something to eat, when someone standing near remarked that they looked like "bootleggers." After finishing their meal they started to get into their car, and much to their surprise and chagrin, learned that someone had stolen the stills and liquor, thrown them into a passing automobile and carried them to a safe place where, it is said, the stills were broken up and burned and the whisky divided among the captors.

No clue to the looters of the car has been found. The officers later left Easton very much crestfallen over having had such a trick put over on them by what they termed "country rubes."

They've Just Come In!
The New 7-Passenger Sedan Models

The pressing demand for this new Nash enclosed model won't let us keep the cars long.

That's why we invite you to inspect it today while a big new shipment is still on our floor.

Come and view the new developments in practically every phase of construction, that have gained for this Sedan such widespread interest.

Note the handsomely fashioned body riding gracefully low to the road. There's roomy accommodation for seven passengers.

Observe, one by one, the many pleasing appointments of both the exterior and interior, that contribute to the car's attractive appeal.

Test the alert response and the greatly increased power of the Nash perfected motor with its important refinements.

Then experience the wonderful riding qualities and the ease of handling this model under any condition of travel.

You'll find its lowered operating economy comes surprisingly close to that of an open model. See it before our allotment is gone.

Features and Appointments of Six Sedan for Seven

Enhanced smoothness and power responsiveness. New carburetor heating device that insures complete vaporization of gasoline at all times. Practically instantaneous starting even in cold weather. Wide door pockets. Door and side windows are adjustable. Heater. Robe rail. Footrest. Windshield wiper. Flower vase. Leather pockets underneath the instrument board. Silk curtains. Dome light. Rosewood vanity case. Rosewood smoking set. Inside locks for three doors and exterior lock and key for fourth door. New brake system providing greater braking surface per pound of weight than on any other American-built six. New tubular-type frame cross-member construction.
