GET RID OF THAT "TIRED FEELING"

Do you feel run down and half-sick all the time? Are you thin, pale, easily tired—no energy, no ambition, no "pep"?

Now is the time to take Gude's Pepto-Mangan. It will brace you up, give you a delightful feeling of vigor and ambition, enrich your blood, build firm, solid flesh, and bring the healthy color back to your skin.

Your druggist has Gude's—Liquid or solid, as you prefer.

ANCHOR TO BIG SNAKE

While fishing in Williams' Lake, near Seaford, Mr. and Mrs. Urias Taylor ran their boat close to shore for better fishing and anchored on what they thought was a log.

The boat began to sway, Mr. Taylor discovered they had anchored upon a large snake. The only part of the snake he could see was the tail which he grabed with his hand. After a hard struggle he managed to pull the snake from under the boat, throwing it up on the shore. The reptile measured 6 feet, 7 inches in length and 10 inches in circumference. Mrs. Taylor stood the ordeal stoically.

KENT SUPERINTENDENT GIVES TEACHER STATUS

Louis C. Robinson, Superintendent of Schools of Kent County, gives these instructive figures:

In the one-room white schools of Kent there are two first-grade teachers, 17 second-grade teachers, including two holding provisional certificates, and five third-grade teachers, including one holding a provisional certificate.

In the two-room white schools there are four first-grade teachers and four second-grade teachers.

In the white schools of three or more rooms there are 20 first-grade teachers, including one holding a porvisional certificate; nine second-grade teachers and one third-grade teacher holding a provisional certificate.

Of the 3,345 pupils in Kent, including both white and colored children, in both the elementary and high schools, the 62 elementary teachers listed above teach but little more than 1,700.

WHEW! IT WAS COLD!

Old Winter staged a startling comeback last Saturday, when snow and sleet swept Kent on the crest of a northeast storm. The snowfall at this time is not unprecedented. On April 26, 1919, this county was treated to another snowfall, and on April 28, 1898, snow fell to a depth of one-tenth of an inch. The storm was not local, but general in the Middle Atlantic States and the Ohio Valley The following day, Sunday, was raw and cold. The sun shone warm and bright Monday.

TODAY I AM REAL WELL

So Writes Woman After Taking Lydia E. Pinkham's Vegetable Compound

Jamestown N. Y.—"I was nervous, easily excited and discouraged and had

no ambition. Part of the time I was not able to sit up as I suffered with pains in my back and with weakness. I took Lydia E. Pinkham's Vegetable Compound, both the liquid and tablet forms, and used Lydia E. Pinkham's Sanative Wash for inflammation. Today I am real well and run a rooming house and do the work. I recommend your medicine to every woman who complains, and you may use my letter to help any one else. I am passing through the Change of Life now and I keep the Vegetable Compound in the house, ready to take when I feel the need of it."—Mrs. ALICE D. DAVIS, 203 W. Second St., Jamestown, N. Y.

Often some slight derangement may cause a general upset condition of the whole system, indicated by such symptoms as nervousness, backache, lack of ambition and general weakness.

Lydia E. Pinkham's Vegetable Compound will be found a splendid medicine for such troubles. In many cases it has removed the cause of the trouble.
