The Chestertown Bank of Maryland

AWARDS PRIZES

To Members of The

PURE BRED PIG CLUB

of Kent County, Md.

We have just received from our County Agent, Horace B. Derrick, the following letter, awarding prizes to the Boys of Kent County who are winners in the PURE BRED PIG CONTEST, this Bank having offered the prizes:

Chestertown, Md., May 1, 1923.

The Chestertown Bank of Maryland,
Chestertown, Maryland.
Attention—Committee on Boys' Club Work.
Gentlemen:

I take pleasure in announcing to you first the results of the Pure Bred Pig Club Work conducted in Kent County during the past year under my supervision, in which your Bank was co-operating.

There were twenty-eight Pure Bred and Registered pigs raised by Kent County Club Members during the past year and nine Registered Sows and Litters. A a result of this Club Work, the coming year will see a material increase in the Pure Bred, Registered Pigs in Kent County.

The value of this Club Work may be readily seen by citing the record of a 12-year-old Club Member, Wilbur Morris, Jr. Wilbur bought, on June 7th, through the County Agent a March pig. On June 7th the pig weighed 61 pounds. Wilbur fed the pig as instructed in Club Work until the 25th of November, when she was weighed and found to weigh 363 pounds, a gain of 302 pounds during that period. The feed record showed a total cost of $12.00 for this pig during the period of June 7th to November 25th. Wilbur's pig is of excellent type. At 20 cents per pound, she was worth on November 25th $72.60. Many of the other demonstrations are about as interesting.

I have very carefully gone over every Pure Bred Pig Club Member's record and calculated the results as given below. I have also set opposite the names of these ten winners of the contest, the amounts you offertd as prizes. These places were calculated upon the basis of Net Gain 25 per cent, Net Profit 25 per cent, Type of Pig 30 per cent and Record Book 20 per cent.

THE TEN WINNERS

| | |
|---|---|
| First, Wilbur Morris, Jr, Worton | $10.00 |
| Second, Lawrence Lee, Lynch | 8.00 |
| Third, William Loller, Worton | 6.00 |
| Fourth, Walter Morris, Jr., Chestertown | 5.00 |
| Fifth, William Bolin, Millington | 4.00 |
| Sixth, William Anderson, Chestertown | 3.00 |
| Seventh, David Nickerson, Kennedyville | 2.50 |
| Eighth, Howard Owens, Betterton | 2.00 |
| Ninth, Franklin Moffett, Worton | 1.50 |
| Tenth, Joseph Peacock, Massey | 1.00 |

The co-coperation of your Bank greatly stimulated interest in this work in Kent County. The introduction of these Registered Pigs and the training and demonstrating in the feeding and management of same will beyond question be a worthwhile asset to Kent County.

Sincerely yours,
HORACE B. DERRICK.
County Agent, Kent County.

We congratulate the Boys who have taken part in this Contest and admire the spirit of enterprise and initiative and hope it will spread throughout the County, and that many more names will be enrolled for the coming year.

THE CHESTERTOWN BANK OF MD.

### STORE AND HOME ROBBED

Thieves are about Chestertown. The store of Edward E. Hudson was broktn into early yesterday morning and various articles stolen. The cash register was stolen and rifled of 40 cents. It was found in J. Gale Usilton's field a square below the store with two cents in it. The machine was not much damaged. A jewelry case was broken open and various rings, bracelets, etc., taken therefrom. These losses are all missing at this writing. Entrance was effected by breaking the glass in the front door and turning the lock. Officers have a good clue.

The vacant home of Mrs. Frances Clements, on the Avenue, was robbed of a number of articles during her absence the past winter.

# WHAT WILL TAKE PLACE OF THE RAILROAD LINE?

All Sorts Of Rumors Flying About The Water—Ferry And Bus Lines Planned To Replace Railroads—Steamers To Change Routes, Etc.

Elsewhere in News is a report of the sale of Love Point Railroad, Chester River Steamboats and other boats. Since this sale all sorts of rumors are afloat as to the disposition to be made of the Chester river route, which forms a part of the property. It seems certain that the Chester river line will make a radical change in its schedule. All agents at the wharves along the route have received their notice of discontinuance of service except the agent at the Rock Hall wharf. It is stated that the Pennsylvania Railroad Co. will purchase one or more fast ferry boats and will establish a line of ferries between Rock Hall and Baltimore, taking the passengers and traffic direct to the city instead of having to make a long trolley car ride before reaching the city as is the case with the Rock Hall-Bay Shore ferry. It is also reported that a line of automobile busses will be used by the company to connect with the ferry at Rock Hall, which busses will probably operate as far south as Easton bringing passengers to the city from several of the lower Shore counties in much better time than could be done through the operation of the old rail and water lines. The Shore Transit Co. has recently been organized and it has placed orders for a number of large automobile passenger and freight busses, which it is believed, will be operated in connection with the new ferry in the event of its operation. A ferry operated direct from Rock Hall to Baltimore will put the traffic in the city within three hours, just about the time it now requires to make the trip by the Rock Hall-Bay Shore ferry including the trolley car ride. Another interesting rumor is that the Tolchester Company which recently sold its steamer "Susquehanna" to New Orleans parties for excursion purposes, is about to buy a fast ferry boat for the purpose of carrying its traffic, exclusive of special excursions from Tolchester to Baltimore.

Should these rumors prove to be correct, Chestertown and surrounding territory will enjoy unusual passenger and freighting facilities. But down the river places will be left in the lurch and will have to depend entirely on trucks.

### HAND OF DEATH

Mrs. John W. Downey died at her home in Rock Hall Wednesday afternoon after a long illness. She leaves a husband and four children. The funeral will be held this Saturday afternoon at 3 o'clock from Rock Hall M. E. Church in Wesley Cemetery.

Margaret F. Porter died at her home in Baltimore on Sunday last after a lingering illness. She was the daughter of the late Francis McKevitt, of Rock Hall. She leaves a husband, Wm. J. Porter, mother, Martha J. McKevitt, and two sisters, Mrs. Ralph W. Barnett, of Chestertown and Mrs. Frank Urie, of Rock Hall. The funeral was held Wednesday afternoon from the home of her mother in Rock Hall, Rev. Mr. Revelle officiating; interment at Wesley Chapel; C. L. Dodd, undertaker. The bearers were Charles Porter, Joseph Ryan, Jr., Henry Dietz, Wilbur Gale, Charles Smith. John Joiner.

George A. Hubbell died suddenly Monday afternoon on his farm in Queen Anne's near Chestertown, of heart failure, aged 45 years. Mr. Hubbell had been to his mailbox for his mail and had just returned to the house when he fell and died before medical assistance could be summoned. Several months ago Mr. Hubbell and his son-in-law, Lloyd Dorsey, moved to this section, and purchased the Stam farm on Chester river owned by William A. Hendricks. Mr. H. is survived by his wife and two daughters. The body was taken to Baltimore, Mr. Hubbell's home, for burial.

IN MEMORIAM.

In memory of Margaret Frances Porter, wife of William J. Porter, of Baltimore, and daughter of Mrs. Martha J. McKevitt and the late Frances McKevitt, of Rock Hall.

### TEMPORARY APPOINTMENT OF A ROAD ENGINEER

The County Commissioners have secured the services of Prof. Gilbert I. Taylor as roads engineer for Kent county to fill out the unexpired term of Gault Applegarth who resigned some weeks ago.

The law requires that an engineer shall be named for this position, and inasmuch as the salary is only $1700 there were no applicants and no available men. Prof. Taylor is well known in Kent county having taught school at Millington and been elected county surveyor for a number of years. He is one of Kent's best citizens—upright in character, industrious and efficient. With the co-operation of the taxpayers Prof. Taylor will give the county faithful service.
