Children Cry for Fletcher's

CASTORIA

It was only after years of research in the fields of herbs and roots for a combination of purely vegetable matter that would have all the virtues of Castor Oil, without its disagreeable, nauseating properties, especially when used for infants or children, that the formula used in Fletcher's Castoria was found, and which for over 30 years has proven its worth. U. OF M. PREPARING FOR FARMERS' DAY

GOVERNOR RITCHIE TO MAKE PRINCIPAL ADDRESS AT COLLEGE PARK ON MAY 26.

BALL GAME WITH HOPKINS

Those who attend the Farmers' Day exercises of the University of Maryland at College Park on May 26th will have to have nimble feet and unusual vision if they are to take in all that is scheduled for that day.

H. J. Patterson, director of the Agricultural Experiment Station, and chairman of the Farmers' Day Committee, has completed the program for the day and it calls for something interesting from early in the morning until late in the afternoon.

Every department of the University will have a part in entertaining the visitors, who will be given a view of the many practical things that the institution is doing to further the development of the State.

Governor Ritchie will make the principal address, which is scheduled for 2 o'clock, and a little later in the afternoon will be present at the laying of the corner stone of the new armory and gymnasium, which is to be dedicated in honor of him.

One of the features of the day will be a baseball game between Johns Hopkins and the University of Maryland.

The complete program is as follows:

8:30 A. M. to 2 P. M.—Exhibition and demonstration in all departments.

9 A. M. to 1 P. M.—Demonstration in forestry in State Forestry tract.

9 A. M. to 12 M.—Exhibition and drill by Military Department.

9 A. M. to 1 P. M.—Demonstration by Boys' Clubs at outdoor auditorium.

10 A. M. to 12 M.—Moving pictures in auditorium.

11 A. M. to 1:30 P. M.—Luncheon (free to all visitors).

1:30 P. M.—Farmers' Day exercises. Music by University musical organizations. Address by Governor Ritchie. Awarding of Farmers' certificates of merit. Exhibition and demonstration by Home Demonstration and Home Economics Department, "Training for Home Making."

3 P. M.—Laying of corner stone of new armory and gymnasium.

4 P. M.—Baseball game—Maryland vs. Johns Hopkins.

In addition to showing the work of the departments of each school and college in a general way, any visitors who may wish more detailed information than that given by this method will be turned over to some one in the department in which he is particularly interested and furnished all the data desired.

In fact, it is planned to care for every visitor as completely as possible. There will be located at each point where visitors arrive guides and information booths.

The reception committee will be made up of the members of the faculty, assisted by the wives. The guides will be selected students who will be trained for their work. One will be allotted to each ten or fifteen persons, the groups being formed by the reception committee.

In this way outstanding features of the University life may be depicted. The visitors will be shown the manner of conducting classes, laboratory practice and investigations; the Experiment Station staff will display their facilities for work and the Extension Service will show some phases of demonstration which it is pushing in the State this year.

Wm. Frazier Russell, Jr., Attorney.

FORD

The Announcement of Interest to Millions of Families

"I will build a car for the multitude," said Henry Ford in 1903—Read how the fulfillment of that prophecy is now made possible through the

Ford Weekly Purchase Plan

For many years it has been Henry Ford's personal ambition to make the FORD the universal family car—to put it within the reach of the millions of people who have never been privileged to enjoy the benefits of motor car ownership.

During the past fifteen years over 7,500,000 Ford Cars have been placed in the hands of retail customers—more than a million and a half of them within the past twelve months—and yet there are still millions of families who are hopefully looking forward to the day when they can own a FORD.

And Now The Way is Open

Under the terms of this plan you select your FORD Car, set aside as mall amount each week and you will be surprised how soon you will own it. In the meantime your money will be safely deposited to your credit in one of the local banks where it will draw interest.

Think It Over

FIVE DOLLARS will start an account. The whole family can participate in it—father, mother, brothers and sisters each doing a little.

Why not start to-day. Stop in and talk it over with your local FORD dealer. He will be glad to fully explain the details of the plan and help you get started toward the ownership of a FORD Car.
