The Citizens Bank
—OF—
Chestertown, Maryland.

The reason we have asked the people of Kent County and Queen Anne's County to watch the growth of the Citizens Bank of Chestertown is given below. We have told you we have never known any Bank that did so well in so short a time as the Citizens Bank of Chestertown.
We have reasons for our belief that within three years we shall be

The Largest Bank in Kent Co.

It has always been admitted that the SECOND NATIONAL BANK of Chestertown was the most successful institution ever started in Kent County.
The sworn condition of the Second National by its statement MARCH 1st, 1892, showed:

Deposits $152,511.35

The Second National Bank on that day was one year and ten months old.

The Citizens Bank on June 6th, 1923, had—

Deposits $153,363.47

On that day the Citizens Bank was just exactly NINE months old. Yet in nine months it had grown to have larger Deposits than the Second National Bank when one year and ten months old.

Does not such a growth as this a s seen by the above comparison satisfy you that the Citizens Bank is the COMING BANK of the future?

4½ Paid On ALL Savings Deposits

This is the only Bank on the Eastern Shore of Maryland which pays 4½ per cent. to its Savings Depositors. Write and ask for a Deposit Book. Write and ask for an active account book and for active account cheques and savings deposit cheques. We will handle your business with care and all the possible skill of conservative Bankers. All information is at your disposal. If you have any Banking business of any kind we are at your service.
To all persons who desire money for a short time or a longer time, we can accommodate them. All we ask is proper security from our borrowers. We pay interest on all Sav-ings deposits for every day it is deposited with us. If your Savings are 25c, 50c or $1.00 every week, you are a customer of our Bank and you are entitled to the same consideration as the largest depositor,

Cordially yours,

DIRECTORS:

GAS FUMES OF AUTO KILL J. CLAY GILBERT

Lumber Company President Found Dead In Garage In Rear Of His Mother's Home—Husband Of Miss Lillian Barnes, Of Fairlee.

Dead from carbon monoxide fumes from the exhaust of his automobile, which he had been repairing Monday morning, James Clay Gilbert, president of the J. L. Gilbert Brothers Lumber Co., was found in the garage in the rear of his mother's home, No. 4507 Liberty Heights avenue. The doors and windows of the garage were closed when the body was discovered by the victim's cousin, Jos. Rice, No. 863 Harlem avenue, shortly after noon.
Dr. A. C. Smink, No. 4509 Liberty Heights avenue, tried for an hour to revive the body, but it is his belief that the man had been dead for some time.
Mr. Gilbert, who was thirty-eight years old, was married last December to Miss Lillian Barnes, of Fairlee, and a happier couple could not be found. She was the daughter of Wm. H. Barnes and her many friends here deeply sympathize with her.
His widow survives him. He is also survived by his mother, Mrs. C. J. Gilbert, two brothers and three sisters.

JOY BULLET KILLS FARMER

William J. Rolph, a prominent farmer of the First district, this county, was accidentally killed in the town of Millington Monday night.
Mr. Rolph was standing at the Corner of the Feddeman store building watching the serenading of Mr. and Mrs. William Vansant, by a number of young men of the town, two of them had pistols and were brandishing them in the air.
Not seeing Mr. Rolph directly in front of them, two of the young men fired pistols in the direction of Mr. Rolph, a ball entering his left breast and killing him instantly. Neither boy knew that Mr. Rolph had been shot.
State's Attorney Beck, the Coroner and Sheriff Hadaway was notified and went to the scene of the accident, but as the evidence of accidental shooting was manifest, no arrest was made.
Mr. Rolph was 53 years old and is survived by his wife, three sons and two daughters. Justice Miller fined the two young men $1 and cost for firing pistols within town limits.

READY TO BUY

At a meeting of the committee on ways and means looking toward the purchase of additional fire apparatus it was agreed to buy an outfit from the United States Fire Apparatus Co., Wilmington, Delaware. They were the lowest bidders among four competitors on the outfit outlined by the committee. This apparatus, including pump, chassis, chemical, etc., will cost about $4,100.
A committee consisting of Chief Walter Wright, Mechanician William C. Spielberger, President M. W. Thomas and Chairman of Committee Fred. G. Usilton visited the Wilmington Co.'s factory Tuesday and saw an exhibition of the work turned out by the U. S. Company and it was very satisfactory. The outfit belonged to Clayton, Del. It was mounted on a Reo chassis and threw 355 gallons of water per minute from a 1 1-8 inch nozzle with a pressure of 90 pounds at the nozzle. The engine was running at 35 miles and doing beautiful work. The committee are anxious to get the money in hand before signing contract.

The Kent County lateral road bonds for $21,000 were awarded last Tuesday to the Third National Bank at their bid of $21,322.17. This is gratifying as it shows a healthy condition of county affairs.
