To the Democratic Voters of Kent County, Maryland,

Ladies and Gentlemen:

Having recently received several letters from different sections of the county, and having been asked by a number of loyal party people, both men and women to present my name again as a candidate for the Democratic nomination for State Senator, beg to say that after careful consideration concerning this matter, I have fully concluded to do so.

While thus announcing myself I cordially ask for your assistance, and trust that you may be able and willing to give me your earnest and active support. Should I succeed in receiving the nomination at your hands and then be fortunate enough to win at the polls in November it will be my pleasure and my pride to discharge the duties of said office with promptness, uprightness and courtesy to all.

My attachment to the party which won my early allegiance has grown stronger with the passing years, and I hope to be worthy of your confidence and endorsement once more. I regard the State Senatorship as an important public trust, but am not pressing any special claims or fitness upon my fellow-citizens in this connection.

Realizing my many shortcomings and imperfections I humbly await the verdict of my party, and by this verdict I now promise to abide.

Faithfully yours,
WILLIAM F. RUSSELL.
