LETTER OF

OMAR D. CROTHERS

Democratic Candidate for the Nomination of

Associate Judge of This Judicial Circuit

TO THE DEMOCRATIC VOTERS OF KENT COUNTY

At the solicitation of a great number of people in Cecil County and elsewhere, I have decided to be a candidate for the Democratic nomination for Associate Judge n this Judicial Circuit.

Personally, I believe that each county in the Circuit should have a resident Judge, but as the Constitution of the State provides that there shall be only three Judges for the five counties of Cecil, Kent, Queen Anne's, Caroline and Talbot, it necessarily follows that two of the counties must abide the inconvenience of not having one.

Therefore the question which the voters are to decide in the coming election is which two of the three counties, Cecil, Caroline or Queen Anne's, shall be put to this inconvenience, or rather, which will be most benefitted by a resident Judge, as the counties of Talbot and Kent each have one, (Judge Adkins in Talbot, and Judge Wickes in Kent), whose terms will not expire for a number of years, and therefor are provided for in this respect.

In deciding this question, it would seem reasonable that the decision should be in favor of the county having the largest population, the largest amount of legal business, the most terms of Court, and the one whose people are most inaccessable to a Judge. Cecil County has a population of 23,612 as compared to 16,641 in Queen Anne's, and 18,652 in Caroline, (census of 1920). Cecil County has three Jury terms of Court as compared with two in each of the other counties of the Circuit. Elkton, the county seat of Cecil County, is thirty six miles from Chestertown, the home of Judge Wickes, and seventy-two miles from Easton, the home of Chief Judge Adkins, as compared with Centreville, the county seat of Queen Anne's, which is sixteen miles from Chestertown, the home of the nearest Judge, and twenty miles from Easton, the home of the Chief Judge, and as compared with Denton, the county seat of Caroline, which is about twenty miles from Easton.

Caroline and Queen Anne's Counties are therefore much more accessable to a Judge than is Cecil County.

From these facts it has always been recognized in the past that Cecil County should have a resident Judge, and it would have now, except for the untimely death of the late Chief Judge Albert Constable, who died after he had served only a few years of the term for which he was elected.

At the present time there is no candidate for Judge in Caroline County. and my information is, that there will not likely be any, so that in reality, the question to be decided is whether Queen Anne's County or Cecil County will be most benefitted by the Judgeship. Senator Legg, one of the candidates for Judge from Queen Anne's, recognizes the claims of Cecil County to the Judgeship in his published statement to the voters of that county, in the following language, "I fully realize that it is a long drive, and many times inconvenient to have to go to Chestertown, and at times still further to Centreville, when matters need the attention of a Judge."

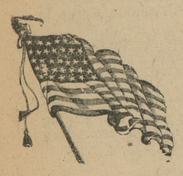

From the above statement of facts, if you believe that Cecil County will be more benefitted by having a resident Judge, and less inconvenienced than Queen Anne's County, which has a Judge residing on either side of it, then I ask for your support, and the people of Cecil County believe and hope that you will at this time recognize its claims.

Assuring you that I will appreciate whatever support you may give my candidacy, I am,

Very truly yours,

OMAR D. CROTHERS.

$250 CASH PRIZE for a Trade Mark

THE MORTGAGE GUARANTEE COMPANY will give a prize of $250 in cash for a trade mark that will be emblematic of the perfect safety of its guaranteed First Mortgages.

Contest Rules

1. The proposed trade mark must be in black and white lines—pen or pencil. It need not be a "finished" piece of work. What we are seeking primarily is an original and forceful idea emblematic of safety.

2. The design must be so distinct that it can be reduced to a diameter of not more than one and one-quarter inches. Adaptability to small reproduction is of the utmost importance.

3. All designs must be sent or brought in a sealed envelope, marked "Trade Mark Contest," to the Mortgage Guarantee Company, Title Building, Court House Plaza, Baltimore, Md.

4. Each envelope must contain two smaller sealed envelopes, one enclosing the design, the other the name and address of the sender. The sender's name must not appear on the design or in the envelope containing it Upon request we will supply envelopes properly marked.

5. The number of designs submitted by any contestant is not limited, but each design must be submitted separately in the manner described in Rule 4.

6. No design will be considered unless submitted on or before August 1. No envelope will be opened until after that date. Announcement of the winner will be published in the newspapers not later than September 1.

7. The judges will be Albert G. Towers, president of the Mortgage Guarantee Company and the Title Guarantee and Trust Company, O. O. Ellis and J. M. Daiger.

Here are the outstanding facts upon which the trade mark should be based:

1. Our Guaranteed First Mortgages are made for one half the value of fee simple property. Therefore the investor has at least two dollars of security for every dollar invested.

2. This double security is further strengthened by our unconditional guarantee of both principal and interest.

3. Since the Mortgage Guarantee Company was founded, 17 years ago, no investor protected by its guarantee has ever lost a dollar or known a day's delay in the payment of interest.

To insure ourselves of a wide choice in the selection of a trade mark we are holding a contest that will continue until Wednesday, August 1, 1923, with a cash prize of $250 for the best trade mark submitted on or before that date. The contest is open to everybody, under the accompanying rules.

It is important that all persons desiring to compete for the $250 prize obtain as early as possible a supply of literature describing the Mortgage Guarantee Company and its Guaranteed First Mortgages. Contestants also have the privilege of consulting our Investment Department for information about the Company and its mortgage offerings.

DODGE BROTHERS MOTOR CAR

Consider for a moment its low first cost, its exceptionally modest maintenance requirements, its almost negligible repair and replacement needs, and, finally, the long years of hard service it is built to render.

Then it becomes clear at once why he purchase of a Dodge Brothers Touring Car is universally thought of as an exercise of sound business judgment.
