Ellsworth C. Bowers has a large circle of friends and runs well.

There is now no Organization nor Anti ticket. It is merged into the Democratic ticket.

The primaries Monday brought out a big vote there being over 3,000 votes polled out of 3842.

Ringgold Jones and Capt. Kerr certainly had some friends at home as well as elsewhere.

That man Goodman impressed the public with his candidacy. There is much in a name.

The Organization has been Copper-lined and will prove itself seaworthy in Novémber.

It is reported that Robert R. Hill is to be the Republican candidate for Senator. Well, Bob has been defeated before.

The result of the Primaries throughout the State shows the Organization in the saddle, as most of the local candidates in different counties were endorsed by them.

The Old Fifth proved itself worthy of the recognition given in naming the several candidates from that District.

Ellsworth Leary, the Anti nember of the State Central Committee, will make a valuable man to help elect our ticket this Fall and help keep the party on top. The other members are Robert Moffett, Edgar Strong Mrs. Whaland, Mrs. Watson and Mrs. Brice.

The candidates for County Commissioner, Treasurer, Sheriff and Legislature are worthy the support of all Democrats. They made a fine campaign and are to be congratulated upon their victory.

It is interesting to compare the vote of Monday with the affiliated Democratic vote:

First District, 1st precinct	385
First District, 2 precinct	397
Second District, 1 precinct	238
Second District, 2 precinct	284
Third District, 1 precinct	298
Third District, 2 precinct	192
Fourth District, 1 precinct	299
Fourth District, 1precinct N	187
Fourth District, 2 precinct	331
Fifth District, 1 precinct	438
Fifth District, 2 precinct	252
Sixth District	312
Seventh District	228
Total	3841

The assessment basis in this State has been greatly increased recently. In every county there was an increase in the total basis. The largest $16,283,198, was in Baltimore county. Washington county followed with an increase of $14,223,954. Most of the others showed increases of several millions, while Garrett county was last on the list, with an increase of only $512,990. Kent's increase was $1,857553; Queen Anne's $1,663,123.

The water supply will be off Monday, September 17th, at 1.30 p. m.

THE DEMOCRATIC PRIMARY

We are confident the people of Kent county join in the sentiment "We're glad its over." The Democratic Primary in Kent is ended and the calm after the storm is certainly appreciated by candidates and voters, however much damage might have been wrought by the storm.

One thing was certain—all could not win and somebody had to lose. The result at first glance is not what the Organization had hoped for, but when it is considered that the Judgeship, County Commissioners, one member of Legislature, Treasurer, Sheriff, State Central Committee, Delegates, Judges of the Orphans' Court and State'sAttorney are of that faction and won under most adverse circumstances, there is much of which to be proud.

The contest while warm was remarkably free from personal bitterness. There were no personal attacks, no insinuations of dishonesty, no charge of immorality, no intimation of political rascality. That clashing ambitions are bound to create some friction is certain. They always have and always will as long as humas nature remains unchanged, but this does not mean that a candidate cannot be open and fair, that he cannot be generous in his recognition of his opponent and this has been the News' position. We have preferred to stand or fall on the merits of those whom we espoused without playing to the prejudices or arousing unworthy passion in order to win. We were endorsing big men, big of heart, big of soul and big of vision. Such men seem to take an unfair advantage.

But the preliminaries are over and the News today places at its masthead the men whom the majority of voters have selected as the Democratic standard bearers. A united Democracy will be sure to elect them.

BROOKE LEE APPOINTED

Governor Ritchie has announced the appointment of E. Brooke Lee, of Montgomery county, as Secretary of State, to succeed Philip B. Perlman, who will resign to become City Solicitor. Mr. Lee called on the Governor and accepted the tender.

Mr. Lee is one of the Governor's warmest personal and political friends. He ran with the Governor on the State ticket for Comptroller four years ago and led the ticket, running especially well in Baltimore city. Two years ago he declined to stand for re-election, giving as his reason the press of business, which had been neglected while he was serving in the Army.

The salary of the Secretary of State is only $2000 a year, but this recently has been supplemented by making the Secretary of State also secretary of the Board of Public Works at an additional salary of $1500 a year.
