### STILL POND ORGANIZES SCOUT TROOP

On Friday, September 14th, the boys of Still Pond gathered at their school house at 8 o'clock for the purpose of organizing a Boy Scout Troop. The people of Still Pond are very much interested in the result scouting has had upon the boys of other communities and under the leadership of Miss Sophie Miller, principal of Still Pond school, arrangements were made to give the character building and citizenship training program of scouting to every boy in Still Pond and vicinity.

W. Goldsborough Bradford, Scout Executive of the Eastern Shore Council Boy Scouts of America, was present on this occasion and gave an illustrated lecture on the Boy Scout Movement. Everybody was invited to attend.

The illustrated lecture included the story of the inspiration of Scouting by Sir Baden-Powell, following the deliverance of the English garrison at Mafeking by a boy after all the men scouts had failed. The bringing of Scouting to America, its growth, the benefits to the boys and to the community.

### MINISTER SAVES SWIMMER

Glenmore Pusey, aged 21, son of Mr. and Mrs. Austin Pusey, of Salisbury, narrowly escaped drowning at Ocean City, Sunday. His rescuer was Rev. Paul Warner, pastor of the M. P. Church at Lauraville, Baltimore county, a son of Dr. Louis F. Warner, who for a number of years filled the pulpit of Salisbury M. P. Church

The rescue was witnessed by scores of people, and already steps are being taken to secure for the brave young minister, a Carnegie medal.

The near-drowning occured just off the pier, and came about when Pusey's effort to combat the strong undercurrent became futile, notwithstanding the fact that he is a very good swimmer, Mr. Warner, who was talking with the young man's mother on the beach, noticed the struggling in the water, although neither knew who was in danger.

When Pusey was brought to shore, he was in a semi-conscious condition.

### PHEASANTS ON GAME FARM HARD HIT BY CHOLERA

State Game Warden E. Lee LeCompte reports that the loss from disease among the Chinese ringnecked pheasants at the State Game Farm this year was the heaviest in the history of the game farm. He estimates the loss at $6000.

Mr. LeCompte said that about 1500 young birds had perished at the game farm at Gwynnbrook as a result of the cholera epidemic which broke out there in August. He values the birds at $4 apiece. As a result only 3500 birds were distributed among the counties this year.

Mr. LeCompte blames the dry season during the summer months for the rapid spread of the disease among the birds.

## MRS. HINCKLEY NERVOUS WRECK

**Tells Women How She Was Restored to Perfect Health by Lydia E. Pinkham's Vegetable Compound**

Memphis, Tenn.—"Two years ago I was completely run-down and my nerves were a wreck. I could not sweep a room without resting. I could not do my work except a little at a time, and the doctor's medicine did not help me. One day some one threw your little book on to my porch, and in it I read several testimonials of women who had been like myself. I went right out and got me a bottle of Lydia E. Pinkham's Vegetable Compound, and before I had taken the whole of that bottle I knew it was helping me. I took six bottles, and then in about three months I took two more. Now I am in perfect health. I do all of my own work and could do more. I can truly say that I know Lydia E. Pinkham's Vegetable Compound gave me my health."—Mrs. O. J. HINCKLEY, 316 Union Ave., Memphis, Tenn.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Mass. This book contains valuable information.

### MAN STRUCK BY PENNSY TRAIN

Struck by the south-bound passenger train at Queen Anne, Wednesday evening at 7 o'clock, Bradford Magrogan, formerly of Church Hill, was probably fatally injured, his Ford touring car wrecked and the driver, John Lucas, suffered painful cuts and bruises. Mr. Magrogan is now in Emergency Hospital, Easton, where one foot has been amputated. He is suffering with a crushed hip and is believed to have been internally injured.

Mr. Magrogan and Mr. Lucas, with the latter at the wheel, attempted to cross the Pennsylvania tracks ahead of the passenger train enroute from Clayton to Oxford. Just a moment before the locomotive and automobile crashed, Mr. Magrogan jumped and was struck by the cow-catcher. One foot was so badly cut and lacerated that surgeons at the Hospital found it necessary to amputate. He is in a critical condition.

Mr. Lucas was painfully cut about one hand and suffered severe bruises, but otherwise was unhurt.

Mr. Magrogan is a son of the late James Magrogan, of Church Hill. For some time he had resided with his brother, Robert H. Magrogan, who recently purchased a farm on the road between Hillsboro and Ridgely.
