W. C. GRIDDERS ARRIVE

The first batch of Washington College foot ball candidates arrived on Monday night, Waterbury, Conn., sending eleven out of the fifteen to arrive. Crowe, Carrington, Fiore, Kelley, Galvin, Dumschott, Carroll, Jarman, Adkins and White from last year's squad are on hand. McGran Negri, Beaulac, McAuliffe, Smoot and Story are the new men to report.

Coach Kibler put the squad thru their first limbering up exercises. All of the men reported in good shape.

Carroll, who has been suffering with water on the knee shows a great improvement.

About ten or twelve more candidates are expected here within a few days. When they arrive the squad will probably be complete until the opening of the school. Cavanaugh, star quarter back last year, had the misfortune to injure his ear a few days ago and will not arrive until the ear is in good condition.

Reiger, one of the varsity ends is expected on Friday.

STILL POND

Miss Jennie Bowers spent this week with her parents, Mr. and Mrs. J. C. Bowers.

Mrs. Holton Parr and daughter, Catherine, and Miss Lucille Parr visited their aunt in Galena this week.

Mowbray Sunday school at 2.30 p. m., Epworth League service at 7.30 p. m., evening worship at 8 p. m. Following the service a meeting of the trustees will be held. Communion service next Sunday evening.

KENNEDYVILLE

Our readers will be more or less grieved to learn that one of the twin sons of the Rev. and Mrs. Clews was run down by a boot-legger's automoble on the Washington and Baltimore boulevard Monday, August 27th. He received a compound fracture of the left leg and other injuries from which he died in St. Agnes Hospital on the following Friday morning at 9.30. The above twins were born in Kennedyville nine years ago and the deceased whose name was George, was the brightest and best of all. If it were possible for a boy to be born with religion in him, he was that one. He had read very thoughtfully nearly the whole of the new testament and had written original poems and notes on the same, filling two composition books. He had seriously decided to become a minister and said he had already begun to study for that work. Mr. and Mrs. Clews staggered under the blow and thought they could not survive; but they are now quite resigned to the Lord's will finding comfort in the knowledge first that their darling boy did not suffer and second, that he is safe in the arms of Jesus. Mr. Clews is pastor at Savage, Md., and was planning to visit friends on the Eastern Shore when above happened.

Cleve Tucker returned to Washington on Saturday.

Olin Wilson, of Annapolis, spent several days with his sister, Mrs. D. C. Kelley.

William Burnham and wife, of Middletown, spent several days with friends here.

M. P. Church service at 10 a. m., Sunday school; 11 a. m. sermon by Dr. Trout; 7.30 p. m. Christian Endeavor. Mites Society will meet on Wednesday evening at the home of Mrs. Harry Hill, September 19th.

Presbyterian services this Sunday afternoon at 2.30 o'clock, Rev. B. B. Staats, pastor.

Mrs. Cleve Tucker, Master Edward and Joseph Weer spent Thursday in Wilmington.

We are glad to report that James Weer is improving rapidly at Dr. Jones' Sanitarium in Wilmington and expects to be home soon.

Miss Edith and Harry Walls have returned home from Betterton.

Quite a number of our school children are on the sick list from being vaccinated recently.

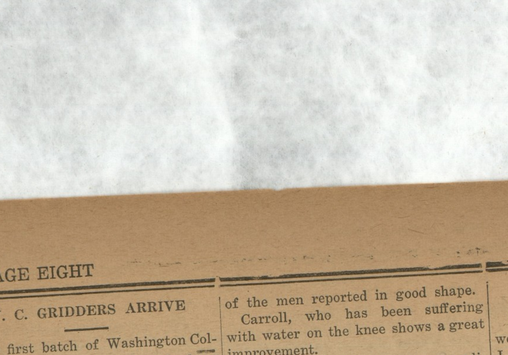

Settlement of the anthracite dispute is characterized by Byron R. Newton, former assistant secretary of the treasury, as a "patch work which will cost the public about $85,000,000 of which Pennsylvania is the chief beneficiary." His statement was made in an address before the New York State Coal Merchants Association in convention at New York.

"The public will pay from 75 cents to one dollar more on each ton of coal," Mr. Newton said. "The cure rests with the public."

The water supply will be off Monday, September 17th, at 1.30 p. m.

Buick Four-wheel Brakes

Buick four-wheel brakes meet the demands of present day traffic conditions by having power in reserve to insure a rapid, safe and reliable "stop".

Actual braking effectiveness is practically doubled by Buick four-wheel brakes. This is accomplished by slowing down the two front wheels. Each brake band has a three-quarter wrap or grip on its brake drum, rather than the half-way wrap in common practice.

The Buick four-wheel brakes are an integral part of the Buick front axle design. Their arrangement and operation are simple. The front brakes are coupled in relation to the rear so that when the brake pedal is operated more pressure is put on the rear brakes than on the front.

Buick four-wheel brakes [on all models] are one of many definite advances in motor car operation and maintenance that the 1924 Buicks have contributed to automobile transportation.

WE WILL

Go On a Cash Basis

¶ Owing to business conditions we are compelled to make this change.

¶ It will enable us to give the public better service at less cost.

¶ We feel that by extending credit we are doing our customers an injustice and putting ourselves in an embarrassing position when we need money to pay for grain and feeds.

¶ Trusting you will lend us your asssistance in this move for the good of the buyer and seller.

¶ We are here to serve and will be pleased to talk feeding and financing problems over with you.
