Fresh Peach Ice Cream

One of the compensations of summertime is Gill Bros. Fresh Peach Ice Cream. Besides sending the temperature down several degrees, the piquant delicacy of our Peach Ice Cream constitutes a real treat.

Only the finest fruit is good enough for us to use, Big ripe, sun-kissed peaches, combined with rich cream and granulated sugar—the magic result is a Peach Ice Cream of which we are justly proud and which you will thoroughly enjoy.

KENT AT THE EXPOSITION

To show the public what Maryland farm boys and girls are learning and doing as members of agricultural clubs will be the task of four boys and four girls who left Baltimore on Saturday morning to attend the Eastern States Exposition at Springfield, Mass., this week.

Expenses of the club members will be paid by the exposition management and they will be entertained at Camp Vail with hundreds of other club members from the Eastern States. During the week the Maryland club members will take an active part in the exposition by demonstrating how they perform certain farm and household operations.

Stanley Sutton and William Morris, of Kent county, will demonstrate the production of clean milk by showing how the cows should be handled and the milk cared for. Lawrence Scarborough and Robert Weaver, of Harford county, will show the necessary steps in fitting dairy cows and swine for the show ring. Julia Williams and Anne Matthews, of Kent county, will be in charge of a cake baking demonstration while Irene Baker, of Washington county, and Rose Famous, of Harford county, will give examples of renovating household furniture.

All the boys and girls have been selected because of their success in actually doing the things which they are to demostrate at the exposition. Lawrence Scarborough, for instance, the owner of a Guernsey heifer that took third place in the open class at the Timonium State Fair and for which he refused an offer of $1,000. Robert Weaver is the owner of a prize herd of Duroc Jersey hogs. Both the Kent county boys have small dairy herds of their own while the girls have all made reputations in their particular lines.

E. G. Jenkins, State boys' club agent, Miss Dorothy Emerson, State girls' club agent, P. W. Chichester, assistant State boys' club agent, H. B. Derrick, county agent in Kent county, and Miss Susan V. Hill, home demonstration agent in Kent county, will accompany the Maryland boys and girls. The Maryland party will be met at Wilmington by boys and girls from Delaware who also will be at Camp Vail.

DOCTORS WANTED TO OPERATE

Mrs. Quillon Tells How Lydia E. Pinkham's Vegetable Compound Saved Her from an Operation

Muskegon, Michigan.—"After doctoring for eight or nine years with different physicians without any relief at all, they said at last that medicine would not reach my case and I should have an operation. I had heard of Lydia E. Pinkham's Vegetable Compound and often saw it advertised in different papers where some women had suffered just as I did and got well and strong again by taking the Vegetable Compound. I decided to see what it would do for me, and before I had finished the fourth bottle I was much better, the weakness stopped and the severe pains in my sides left me. I am now much stronger and do my own work and work in the factory besides. I am still taking the Vegetable Compound and give it all the praise."—Mrs. NELLIE QUILLON, 17 Morris St., Muskegon, Mich.

Women should heed such warning symptoms as bearing-down pains and weakness, for they indicate some female trouble, and a persistent and faithful use of Lydia E. Pinkham's Vegetable Compound will seldom fail to help.
