Ford THE UNIVERSAL CAR

New Sedan

Changes featured in the new Ford Sedan make it a better looking, roomier car.

A higher radiator with a trim apron at its base lends dignity befitting a closed car. The higher hood and enlarged cowl curving gracefully to the dash give a stylish sweep to its body lines, and afford additional leg room for occupants of the front seat.

All body fittings—window regulators, door grips, door latch levers, door lock, dome light—are finished in nickel. The upholstery carries a fine dark line on a soft brown background that does not easily show dust or dirt. Silk window curtains to harmonize for the three rear windows enhance the style of the car and add to the comfort of its passengers. See the new Sedan and other new Ford body styles at our showroom

These cars can be obtained through the Ford Weekly Purchase Plan.

Hats

GAGE have outclassed all others this year for style. Call and see our selection and be convinced.

Our Sport Hats are as nobby and attractive as can be The girl that loves SPORT CLOTHES can surely find somethir g to please.

CHESTERTOWN VS. CAMBRIDGE

A Splendid Game Of Football Played In Chestertown Friday—A Scoreless Tie.

Chestertown's High School team met the Cambridge team on College field Friday afternoon and played a tieless score. The contest was spirited in the extreme, but neither side scored, the really brilliant offense of the Chestertown lads being met by a stubborn defense which stiffened whenever the Cambridge goal line was in danger.

In the third quarter Cambridge was in striking distance of the goal, but failed either to gain ten yards or kick a field goal. The home team also failed in two tries at goal in the earlier sessions.

In the fourth quarter the Chestertown boys pulled off a forward pass that sent a chill to the marrow of the Cambridge rooters' bones for their runner seemed to have a clear field. He was overtaken by LeCompte who brought him down with a sure tackle. Another pass brought the ball almost to the line, but time was up. The Kent County lads had been equally near scoring before, however, and had been held for downs.

The Cambridge boys for individuals did some fine work, Sard, Webster, LeCompte and the Geoghegans doing some particularly fast work. The line held well at all times.

The Chestertown boys have been coached for several weeks by Healey, a former all Maryland star, and they reflected great credit on their mentor. The Cambridge team and visitors were entertained by the Chestertown Athletic Association at supper served at the High School Building.

A return game will be played on Thanksgiving Day.

Gilpin Brown, a star player on the home team, received a broken collar bone during the game.

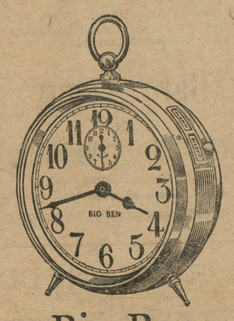

POULTRY CULLING DEMONSTRATION

In order that as many as possible may get real help from the poultry culling demonstrations planned for Monday, October 22nd, those who are planning to attend should notice carefully the time set for the meetings. It will require about two hours to cull a farm flock, and as there are three meetings planned between 10 a. m. and 5.30 p. m., the culling will start at the times and will not last over two hours. A number of these demonstrations were carried on in Maryland last year, and resulted in greatly increased profits. Club women in planning these meetings have a higher per cent of profit in mind and it is hoped that the farm people will make use of this splendid opportunity. Mr. Rice is not a stranger to many of our club women as he gave a demonstration a year ago at the County Council meeting at Chestertown. His work, through the State, has been outstanding.

Meetings will be held as follows:
Monday, October 22nd, 10 a. m., at Mrs. Harold Baker, Quaker Neck.
Monday, October 22nd, 1.30 p. m., at Mrs. Harry Williams, Worton.
Monday, October 22nd, 3.30 p. m., at Mrs. Howard Rees, Fairlee.

Light Keeper Hudgins, of the Benoni Point Light, off Oxford, came ashore last week for the first time since November 15 last. He is on a thirty-day leave of absence. It was remarked in The Star-Democrat several weeks ago that he had remained successively in his lighthouse for more than ten months without once coming ashore. His mail and supplies had been brought him by friendly boatmen and by the Federal lighthouse tender.

Big Ben

the clock you've read so much about in the magazines, arrived in my store yesterday with 23 brothers.

They're the finest alarm clocks I've ever laid eyes on. They're built right and right from the ground up. I'm a practical clock man and I know.

They'll be in my window for the rest of the week and I wish you'd come in and look them over.

VALVE-IN-HEAD Buick

The Only 4 cylinder Car in America with Four Wheel Brakes!

In designing four wheel brakes upon its wonderful new four cylinder models, Buick provides a four cylinder motor car unequalled for sturdiness, power, beauty, comfort and safety. The widespread demand that met their introduction evidences how fully these models answer the need for a small car of proved dependability and performance.

All Buick 1924 six cylinder cars likewise have four wheel brakes.
