Remington Sportsmen's Week

October 15th to 20th.

The New Remington Game Loads

Be sure to see them—the biggest advance ever made in loaded shot shells. Produced as the result of important Remington discoveries about powder. There is a Remington Game Load for every kind of game in this locality. Each one is loaded to give *safe and uniform* velocity, pattern and penetration—the *right shooting quality* for that particular kind of game.

The load pictured above is the *Remington Heavy Duck Load.* It comes in 12-gauge with either No. 4, 5 or 6 Shot and in 20-gauge (the hard hitting 2¾" shell) in No. 6, 7 or 7½ Shot. The velocity, pattern and penetration are *right* for big ducks, and for *long range* shooting when they are flying high. *Sure and safe!*

Remington Game Loads are loaded in the famous Nitro Club *Wetproof* Shells. Here is the complete list:

DUCK LOAD	RABBIT LOAD	SQUIRREL LOAD
HEAVY DUCK LOAD	QUAIL LOAD	SNIPE LOAD
GOOSE LOAD	GROUSE LOAD	DOVE LOAD
BUCK SHOT LOAD	TRAP LOAD	

Powder varies—Remington Game Loads do not!

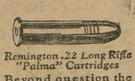

Remington Metallics

The first successful metallic cartridges ever made were produced by Remington 65 years ago. Practically every betterment in rifle and pistol ammunition has been invented and developed by Remington. *Dependability and accuracy* make Remington Cartridges outsell all others.

Remington Hi-Speed Rifle Cartridges
In .25, .30 and .32 calibres for nearly every standard rifle. Flatter trajectory, greater accuracy, and killing power never before approached.

Remington .22 Long Rifle "Palma" Cartridges
Beyond question the most uniform small bore ammunition ever developed. The super-accurate .22 long rifle cartridges.

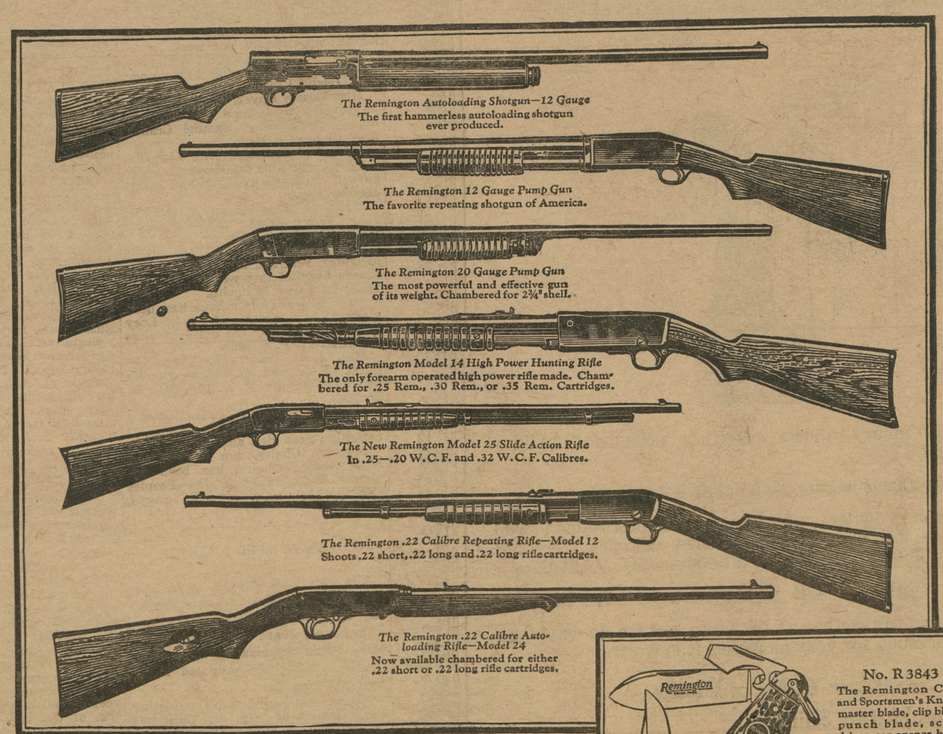

Remington Lesmok .22 Longs and .22 Shorts
With the new Remington primer. Developed to give the owner of the .22 a dependable sure-fire load.

THIS week, hardware and sporting goods dealers here in town and the Remington Arms Company are working together to help you and every other sportsman look around and *enjoy* yourselves.

Dealers are making special displays in hunting and camping equipment; Remington Fire Arms, Ammunition and Cutlery.

These displays are unusual. They are special. They are worth going out of your way to see. Don't miss them!
