Miss Myra Loleta Kendall, youngest daughter of Mr. and Mrs. Charles O. Kendall, of Rock Hall, and Mr. Charles Franklin Reeder, of Baltimore, were married Saturday evening at seven o'clock by the Rev. What a little paint will do!—

THINK what a little *Certain-teed* paint will do on the farm! For a house like this the paint will come to less than $25; for a big barn less than $20. Only 1¼ gallons are needed for the garage and 1½ quarts for the car. Where can you lay out a few dollars that will bring in half the return? Good paint adds many years to the life of expensive implements; it protects your fine barns from the weather; and it brightens up the outside and makes you proud of your home. By good paint we mean *Certain-teed*. It spreads more easily, covers more surface, and wears longer than ordinary paint.

WE find that Certain-teed paint gives you more for your money. When you put Certain-teed paint on your house we know that we will do more paint business in your neighborhood.

Mrs. Gerhart Says Tanlac Has No Equal

"I can recommend Tanlac as the best medicine in the world and I am glad to make a statement for the benefit of others," said Mrs. A. Gerhart, 1013 McDonogh St., Baltimore, Md.

"The results I got from Tanlac were so quick it was almost like a miracle, for after my first bottle I felt like a new person. I was terribly run down before taking Tanlac and hadn't the strength or energy to do anything. My appetite was so poor I hardly ate anything, I couldn't sleep and was so depressed I took no interest in anything.

"But Tanlac corrected all that. It brought back my appetite and built up my strength. I began to sleep fine and feel good in every way. It made me so healthy life is interesting and worth living, and I believe it will do the same thing for others."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37 million bottles sold.

Take Tanlac Vegetable Pills.
