Distressing Auto Accident

James G. Metcalfe, of this town, was one of the principals in a distressing automobile accident in Baltimore on Saturday last. While passing through that city enroute to Virginia. Mr. Metcalfe had the misfortune of running into a small child, the latter stepping out from behind another car, immediately in front of the car that Mr. Metcalfe was driving. Mr. Metcalfe stopped his car and went back to the injured child who apparently was only slightly bruised. However, the next day the child died. At a hearing on Monday Mr. Metcalfe was exonerated but is himself greatly distressed over the result of the accident.

Miss Clark and John Goodman Injured In Chestertown

Miss Ruth Clark, daughter of Mr. and Mrs. G. F. Clark, was knocked down on crossing near Bordley's store Wednesday evening by an automobile driven by Jos. Lewis. We are glad to report her injuries are not serious. Dr. Simpers attended her and found a cut on her head and conditions resulting from shock.

John, the 13-year-old son of Wm. W. Goodman, o fQuaker Neck, while playing on Washington avenue near the State road on Thursday afternoon, was run into by Richard Haggerty, of Kennedyville, in his Reo car. The lad was carried to the office of Dr. H. G. Simpers who rendered first aid and afterward accompanied him to Easton Hospital.

John is a student at Chestertwon High School and nicknamed "Sheriff," his father being the Democratic candidate. Those who saw the accident state that Mr. Haggerty was driving cautiously otherwise the lad would have been killed. As it was the car was stopped at once within a few feet of where the boys were playing.

Another warning for boys and girls to keep off the State road and especially to children who persist in playing in the road.
