RITCHIE WINS BY RECORD MAJORITY

Whole State Ticket Elected—James A. Young and W. S. Gordy Also Break Records—Kent and Queen Anne's Only Two Counties on Shore to Give Ritchie a Majority.

GREAT VICTORY IN KENT COUNTY

Democratic rule, with Albert C. Ritchie remaining as Governor of the State, will be continued in Maryland for the next three years.

By the largest majority ever given any State candidate for any office—41,122—Governor Ritchie's administration received the overwhelming indorsement of the voters.

In his sweep to victory he carried with him State Comptroller William S. Gordy, candidate for re-election; Thomas H. Robinson, candidate for Attorney General, and James A. Young, candidate for Clerk of the Court of Appeals.

In Baltimore city the complete Democratic city-wide ticket was also successful

The next State Senate will have 22 Democrats and 7 Republicans. Nine of the Democrats and two of the Republicans are holdovers. Two more Democrats—Roe, of Queen Anne's, and Copper, of Kent, were elected without contests.

In the House the Democratic majority will be almost 4 to 1. According to present returns, there will be 93 Democrats and 25 Republicans. The only counties to elect entire Republican delegations are: Allegany, 6; Cecil, 3, and Garrett, 3.

Governor Ritchie's plurality over Armstrong in Baltimore city was 41,119. From present returns Ritchie has a lead of three in the counties, the voting standing: Armstrong, 79,614; Ritchie, 79,617.

The Governor's colleagues on the State ticket carried the counties by large majorities.

In the State, exclusive of the city, James A. Young, candidate for Clerk of the Court of Appeals, had the heaviest plurality over his opponent. His plurality in the counties over J. Clayton Brewer, Republican, was 17,240.

William S. Gordy, Jr., candidate for re-election as State Comptroller, gained a plurality of 16,766 in the counties over his Republican opponent, J. Monroe Holland.

The plurality in the counties of Thomas H. Robinson, candidate for Attorney-General, over William C. Coleman was 8,561.

Governor Ritchie was apparently cut by the drys, the anti-racetrack element and the Ku Klux. The most notable effect of this cutting was on the Eastern Shore, which Governor Ritchie lost by some 2,500 votes. Gordy, an Eastern Shoreman, carried the Shore by some 7,000 votes.

On the other hand the Governor had the benefit of an enthusiastic wet vote in Baltimore city to swell his majority there to an unprecedented total. His associates on the ticket also were borne along on the wet tide in the city, but they failed to help the Governor in the dry counties.

The four Southern Maryland counties of Prince George's, Calvert, Charles and St. Mary's, comprising the Seventh Judicial Circuit, elected three Democratic judges, W. Mitchell Digges, chief judge; Wm. M. Loker and Joseph C. Mattingley, associate judges. Governor Ritchie also carried these counties by about 1,000.

The only exception to the Democratic sweep was in the Republican Fourth district, where Harry O. Levin, Republican, defeated Wm. G. Menchine, Democrat, for the State Senate.

For the next three years the Democratic party will be in control of the State government.

On account of the Fewer Elections Amendment to the State Constitution, the officials elected yesterday, with the exception of judges of the circuit courts and the Supreme Bench of Baltimore City, will serve for three years. This applies to the Governor and the three other State officials, to State Senators and members of the House of Delegates and to officials of the various counties and of Baltimore city.

In the next three years there will be but one regular session of the General Assembly—that of 1924. "Hold-over" Senators will have a year added to their terms, as their successors will not be elected till November, 1926.

The State Treasurer, to be elected by the next Legislature, also will serve for three years.

Ritchie carried Allegany county, a Republican stronghold, by about 644 votes.

He carried St. Mary's county by more than 400 votes and Prince George's by nearly 1,000.

Dorchester went against Ritchie by some 1,300 votes. Gordy and Young carried the county, although it is considered Republican in tendency.

Dr. J. Hubert Wade, former chairman of the Democratic State Central Committee, was elected to the Senate from Washington county by 367 votes over his Republican opponent, Edward M. Tenney.

MILK PRICES 35CENTS LOWER

Announcement was made last week of a decrease in milk prices. Effective November 1, the price of milk at the Chestertown and other milk cooling stations drops from $3.06 per hundredweight to $2.71 for four per cent milk. This reduction is in addition to the 11 cents drop made in October and is quite a disappointment to our farmers. Its cause is attributed to various reasons one of which is an over supply.

H. Stockton Startt, one of the most extensive buyers of turkeys in this section, states that the farmers of the county stand to make thousands of dollars between now and Christmas from their flocks. He paid to Mrs. Harry Skirven one day last week $92 for 14 young turkeys, and recently paid another farmer's wife $8.32 apiece for hers. The crop is fair here and the Thanksgiving shipment will be heavy.
