In a Moral Rut?

THE longer you drive a load of grain in the ruts of a muddy road, the more difficult it is to get out on level ground. Same way with your life.

If you live by yourself and mingle socially with no one, you soon get into a social rut.

If you put "the best apples on top," shade every pound of butter a little or slip by the street car conductor when he is not looking, you will soon get into a dangerous moral rut.

The churches of this town are here to help you out of both social and moral ruts. They provide Christian fellowship and offer the only solution for sin—the gospel of Jesus Christ.

Religion is the only thing that any of us will take beyond the grave. Don't wait until the doctor gives up hope before deciding to be a Christian. Make your life and that of your neighbors brighter by living Christianity now.
