THE PUBLIC SCHOOL OUR COUNTRY'S HOPE

Educational department, Kent County, Maryland, Alice Florer, Supervisor Elementary Schools, Kent County, Maryland, Ediaor. Authorized and approved by L. C. Robinson, County Superintendent Schools, Kent County, Maryland.

This week we are launching the Kent County Educational Department in the county papers for the benefit of the schools. We hope each teacher will co-operate in the success of this project by making contributions from time to time.

There appeared in this paper last week an announcement regarding American Education Week, a statement of its purposes, and an invitation to all the ministers in the county, all officers of the American Legion and all officials of every fraternal organization to attend a meeting in the office of the Board of Education, Chestertown, Md., Monday evening, November 12, for the purpose of discussing ways and means by which the people of Kent County might be induced to visit the schools during the week of November is so essential to educational progress. Due to uncertain weather conditions and conflicts with previous engagements of some of the organizations on that evening the meeting was not well attended. Therefore an urgent request is now made for volunteers to assist the school teachers throughout the county in making their programs during next week a success. You who are willing to help in any way could facilitate matters by offering your services directly to the principal of the school in which you are most interested. Already, some volunteers have reported for service. Let's have others follow in rapid succession until every school in the county has at least one outside helper. All who are gifted in music or public speaking can wield a wonderful influence far better educational opportunities for boys and girls of Kent. Are you going to do your bit?

Ministers of all denominations are urged to open the week by preaching a sermon on education, either morning or evening of Sunday, November 18th. If, however, plans of any minister for that day can not be changed at this late date it is hoped that he will not overwork the cause of education on Sunday, November 25th.

A very suggestive program for each day of American Education Week has been prepared by Miss Alice Florer, Supervisor of Elementary Schools. This should be used as a basis for the week's program in all of the schools.

MRS. BROTH AN EXPERT HOLLY WREATH MAKER

With virtually all their crops laid by, the farmers of Sussex county are turning their attention to the holly crop, which will be exceptionally large this season. The gathering of the holly crop for making wreaths will begin the latter part of next week. The holly business has grown to such proportions in Sussex county that those having holly on their farms give it the same attention as any other crop. The crop brings in thousands of dollars each year, some families realizing as high as $100 per week for making the wreaths alone. One of the most adept makers in this county is Mrs. Mary Broth, a one-armed woman, residing near Millsboro. This woman has made as high as 200 wreaths per day at 6 and 8 cents each. Every wreath she makes is perfect and all the dealers in the county vie with each other in obtaining those made by her.

COULD HARDLY DO HER WORK

Lydia E. Pinkham's Vegetable Compound Made Her Eat, Sleep and Feel Better Every Way

Chicago, Ill.—"I was weak and run-down and in such a nervous condition that I could hardly do my work. I was tired all the time, and dizzy, and could not sleep and had no appetite. I tried different medicines for years, but they did not help me. Then I read in the papers about Lydia E. Pinkham's Vegetable Compound and what it had done for other women and gave it a trial. I began to eat better and could sleep, and consider it a wonderful medicine. I recommend it to my friends and will never be without it." —Mrs. M. OHLEN, 3640 S. Marshfield Ave., Chicago, Illinois.

It is such letters as these that testify to the value of Lydia E. Pinkham's Vegetable Compound. This woman speaks from the fullness of her heart. She describes as correctly as she can her condition, first the symptoms that bothered her the most, and later the disappearance of those symptoms. It is a sincere expression of gratitude.

For nearly fifty years Lydia E. Pinkham's Vegetable Compound has been so praised by women.

The authorities of the United States Veterans' Hospital, Federal Park, emptied into the Susquehanna river 15,000 pints of whisky. EVERY HOUSEWIFE IS ASKED TO TRY A SACK OF ROSE BUD IF NOT ALREADY A CONSTANT USER

A Trial Will Be Convincing of its Many Superior Points For General Use

So confident are we that Rose Bud Flour will stand the most severe tests that we invite every housewife to try it in any manner desired. Make it up into biscuits or rolls or cakes—see if each isn't just a little bit superior to those made from the ordinary flour. As an all-around flour for general household use it positively cannot be beaten. It's finely milled flaky whiteness proves itself when used. There is nothing about it that will cause your bread to be soggy and dark in color. To the contrary you will find that everything made of Rose Bud Flour is superlatively fine. Try a sack.

Try it on Waffles and See If They Do Not Turn Out Beyond Your Best Hopes

Take this old-fashioned recipe and make a batch of waffles. Use Rose Bud Flour and you'll find that you've made the most delicious edible imaginable:

1½ cups Rose Bud Flour, 1½ teaspoons Royal Baking Powder, ¼ teaspoon salt, 1 tablespoonful sugar, 1 cup milk, 1 tablespoonful shortening, 3 eggs.

Sift and mix dry ingredients into bowl, add milk and melted shortening. Separate eggs or egg, beat in yolk and fold in in well-beaten white. Bake in very hot greased waffle-iron.

Two Cash Prizes To Dealers First Prize $15 Cash

ROSE BUD FLOUR —IS— Pure White And Is As Good As Can Be Had No Matter Where You May Try Use It Always

For Best Display of Rose Bud Flour

Any Merchant Who is Handling Rose Bud Flour is Eligible to Enter the Contest for the Prizes.

As an incentive to all merchants who are selling Rose Bud Flour, to pep up their retail sales by better display of the product, we are going to give two cash prizes for the best store display of Rose Bud Flour. Where there are windows, window displays will count more than counter displays. However, if the store has no display window, those made on counters will receive as many credits as the window displays elsewhere. During the weeks of November 26 and December 3 we will send an inspector to each store who will decide the winner of the contest. We feel that this plan will largely increase the retail sales of Rose Bud Flour. Goods well displayed always have a strong suggestive selling power over the customer, and if all merchants handling our product will better display their stock sales will be greatly increased and larger profits will result.
