**BASKET FACTORY CHANGES MANAGER.**  
The Chestertown plant of the Marvill Package Company will have a new manager after this week. Capt. Curtis E. Crane has decided to retire from the active management of the plant and a younger man will have charge. The new superintendent will be Mr. W. H. Gordy, of Delaware, who takes charge next week. A number of repairs are being made at the plant and new machinery will be installed later. The capacity of this efficient bookkeeper, Mr. J. Frank Wheatley, will remain. The basket factory is a great help to this community as it employs quite a large force when in operation and distributes a large pay roll weekly. Capt. Curtis E. Crane, who retires as the active head of this plant, is the man who is responsible for the great success of the basket factory here. He has been tireless and constant in the affairs of the company and is very popular with every employe of the plant. Capt. Crane is a large stockholder of the Marvill Package Company having sold the Chestertown plant to the company several years ago and took stock in the company. The Marvill Package Company also have plants at Laurel, Del., and Sharptown, Md.

Mrs. T. H. Topping has sold the frame back building to her house on Queen street and on High street and will use same in constructing a chicken house on his farm at the mill W. S. & A. M.
