CALL FOR DEMOCRATIC PRIMARIES

The Democratic Voters of Kent County are requested to assemble at their respective polling places in each election district, on SATURDAY, the 17th day of July, 1897 at two o'clock p. m., for the purpose of selecting six delegates from their respective districts to meet in convention to be held at the Court House in Chestertown, on Tuesday the 20th day of July, 1897, at 12 o'clock noon, to select delegates to represent the county in the Democratic State Convention, which will be held in Baltimore on Wednesday, the 28th day of July, 1897, for the purpose of nominating one candidate for Comptroller and one candidate for Clerk of the Court of Appeals. Where there are two precincts each precinct will be entitled to three delegates.

RICHARD D. HYNSON,
WILLIAM E. KEYSER,
TILGHMAN SHAFER,
Democratic State Central Committee for Kent County.

REMEMBER the primaries to-day.

THE Prohibitionists will hold an important convention in Chestertown next Tuesday.

SENATOR GORMAN is reported quite sick and has been kept at home for some days this week.

THE election in Annapolis last Monday resulted in the success of the Democrats. It is the first gun of the campaign.

SENATOR WELLINGTON will not compromise the patronage question with the Congressional delegation. Mudd alone sides with him. The supposition that Garey is against the Duke gives courage and hope to the Congressmen.

A DISPATCH from Paris to a London news agency says that inquiry at the United States embassy confirms a rumor that Spain and Japan have arranged an offensive alliance against the United States for the mutual protection of Cuba and Hawaii.

WARNER says Wellington is a "reckless and arrogant boss!" And this same Warner says he secured Mudd's vote to make this boss a Senator. In other words *he bought Mudd's vote!* "When thieves fall out honest men will get their dues."

DEMOCRATIC POLITICIANS were very scarce in town on Tuesday. They seem to be utterly unconcerned regarding the Republican ticket as in the make up of their own! Probably this is "good politics." After the enemy takes the field then our candidates will be plentiful and active.

JAMES P. GORTER, Esq., a prominent member of the Baltimore city bar, and spoken of as a nominee for judge, made an argument in our court last Monday in the Rasin case. Mr. Gorter says there is a bright outlook for Democratic success this fall in Baltimore provided the organization is perfected on the lines mapped out, and to this end everything looks favorable.

ALL Marylanders have felt a just pride in Baltimore City's efficient police. For that reason there is general surprise and regret in the recent action of the police board in dismissing Marshal Frey, who has given the best years of his life to the police service. Two other officers, Captain Gilbert and Roung-Sergeant Meehan, were dismissed at the same time. We know nothing of the charges against these officers except what we see in the papers, and from these reports we are forced to the opinion that politics had more to do with the action of the board than anything else. Bernard Carter, who is at the head of the city bar, has resigned as counsel to the board because of its action, and declares that the charges against the officers wers altogether destitute of foundation.

Russum, Haines, Mullikin.

The Republican Judicial Convention met in Centreville on Wednesday and nominated by acclamation—

For Chief Judge — George M. Russum, of Caroline county.
Associates — L. Marshall Haines, of Cecil, and J. C. Mullikin, of Talbot.

No other candidates were mentioned. The Kent delegates went to Centreville on Tuesday night, Mr. W. H. Lambert, Jr., taking the place of Mr. Joseph W. Harper who was unable to attend.

The ticket is not a strong one and the Democratic judges are now certain of election unless some unexpected complication occurs.

The delegates to the convention were:

Cecil county—R. C. Thackery, Henry R. Torbert, John L. Crothers and H. H. Haines.

Kent — Wilbur Eliason, Joseph W. Harper, W. D. Burchinal, Willard Scotten, Harrison Jenkins and Louis Henry.

Queen Anne's—John E. Wilson, Geo. Barton, George Lee and Thomas Demby.

Talbot — Henry Clay Dodson, Joseph H. White, Jno. Jump and Jas. Peterson.

Caroline — W. H. Casho, D. J. Zacharias, C. E. Stevens, Albert J. Towers, F. R. Owens and Armistead Williams. This is a double delegation.

JAMES J. ARCHER ESQ., of the Harford county bar, was in Chestertown this week attending the July term of our Circuit Court. Mr. Archer is in close communication with Cecil county people and has considerable practice in the courts of this judicial circuit. He says that Judge Stump's nomination gives great pleasure to the Democrats of Cecil; that Mr. Pearce is specially strong, and Mr. Martin entirely acceptable, so that Cecil county may be expected to give an old-time Democratic majority in November.

A Perfect Object Lesson.

All who take an interest in politics should read the article on our second page headed "Seeking a Subterfuge." It vividly portrays the fallacy of Republican professions and the bald hypocrisy of the Baltimore *Sun* and other city papers, which profess to be independent in politics and yet are always found on the side of the corporations and trusts, and against the people. The *Sun* and its followers supported the Republican ticket two years ago on the ground of "opposition to bossism," and again last year for fear of a "dishonest dollar!" They also professed great concern for an improved civil service, and the immaculate Bruce and Cowan, and other corporation politicians knew no other way to save the great reform but to place it in the keeping of the Republican party!

What are the results?

George L. Wellington is the most conspicuous "creature" of the *Sun's* reform Legislature, while its acts in whole and in detail were a burlesque upon reform of any kind. And since that day—when the *Sun* party took charge of the Republican party—Maryland has been disgraced by the pretensions of the most autocratic boss that ever dominated a political party in this or any other State!

The continued support of this supreme boss—Wellington—and his coadjutors, Mudd and Stone, is the best evidence in the world of the hypocrisy of the *Sun's* professions in '95.

Again, the independents who professed loudly their civil service and reform principles find as the chief result of their action in '96, an utter disregard of civil service, and a tariff made exclusively in the interest of the classes and against the masses!

Here again will be found the test of insincerity in those who continue to support a party after its wolf-hand is so fully exposed.

The *Sun* is at its old hypocritical tricks again. It is purely a *creature* of the corporations. It hates with a venom unequalled any man and any party which seeks the best interests of the masses of the people. It is always found with the classes, though it prates ever so loudly to the contrary. Its opposition to the Democratic party is wholly and solely because of its inability to use that grand organization of the people for its own selfish purposes. It is specially pleased now in having apparently the supreme command of the Republican machine. It really seems to be the boss of the bosses! It toadies Wellington and gets his pat and smile, while it out-zeals even the *American* in its hot denunciation of the Democracy.

The *Sun*, with the *American*, *Evening News* and all the other Republican papers in the State, are horrified at their party record and only hope for a victory over the Democracy by the influence of some extraneous issue. They would like again to draw off the honest voters who were so wofully deceived in supporting McKinley last year. They demand National issues as the material for State platforms. The Democracy would have nothing to fear from this, but we are not to be hoodwinked by our enemies in any such course. The money question cannot possibly be an issue this year. The Republicans know this as well as we do. Even the Senator to be elected by the next Legislature does not take his seat until after this question is settled if settled at all by the party in power.

Maryland Democrats will not care to take the advice of the Baltimore *Sun* on the subject of their campaign platform. The *American's* wishes in the matter would be considered just as soon. They are both in the interest of the Republican party, the only difference being in the *Sun's* extra zeal, which is characteristic of the new convert. The *American* has some regard for consistency, and in the present humiliating condition of the Republican party in this State it is evidently ashamed of the part it took in securing its success! But the *Sun* seems to glory in its shame.

KNOWING ONES say that if the Republican convention had made the county ticket last Tuesday it would have been about as follows:

Clerk Circuit Court—W. D. Burchinal.
Register Wills—T. A. Jacobs.
Treasurer—Geo. T. Williams.
Sheriff—H. W. Davis.
Legislature—F. H. Harper, L. B. Russell.
Co. Commissioners—Bramble and Owens.

The adjournment, it is thought, will change the situation and many persons believe that Mr. F. H. Harper will win the clerkship, although Capt. Burchinal is as serene as a summer's morning and fully confident of securing that nomination. After all, the ticket may be turned out as follows:

Clerk—Wilbur Eliason.
Register Wills—Bartus Trew.
Treasurer—Chas. England.
Sheriff—Geo. T. Williams.
Legislature—F. H. Harper, H. W. Davis.
Commissioners—Vickers and Owens.

This ticket will be seen to leave the first district "out in the cold" but some of the leaders do not hesitate to say "that will make no difference."

REPUBLICAN CONVENTION.

Emory Ward Beecher wanted to nominate at once saying he was not afraid to come out and fight the enemy.

C. T. Westcott, Esq., spoke in favor of postponing, and settled the question. He argued the importance of securing a good ticket, and said that matters of gravest moment were involved in the election. The ticket may be nominated but it is not so easy to elect it, said he. His party would not be benefited by a long campaign. He paid a high compliment to the present board of county commissioners, and said they had administered the affairs of the county with strictest integrity and perfect fidelity to the interest of the tax-payers, and that under the most trying circumstances.

The vote resulted 50 to 20 in favor of postponement. August 17th was the day fixed for the next meeting.

The committee on resolutions composed of Clarence Price, John W. Hall, Alex Mair, Wm. D. Burchinal, J. C. Kendall, Harry P. Jones and Henry Brown, reported the following resolutions, which were unanimously adopted.

Resolved, By the Republicans of Kent county that we congratulate the country upon the election of Wm. McKinley, President of our Republic, and the popular condemnation of the Wilson tariff bill, which was pretended to have been enacted for protection, but proved to have resulted in oppression and bankruptcy.

That we congratulate the Republican Congress upon its untiring efforts to provide the necessary revenue to meet all the expenses of the Government by the formulation and passage of a tariff bill which is rekindling the fires in thousands of mills, insuring work for the idle and bread for the hungry.

Resolved, That we congratulate our Republican Board of County Commissioners which, in the face of countless difficulties and most serious discouragements, have in each of the two years of their control of the county financial affairs, reduced our rate of taxes, and lessened the burdens of taxation.

Resolved, That we believe that the class of independent thinkers and independent voters are year by year increasing because they appreciate that good government can only be secured and maintained by the nomination and election to public office men whose character for industry, integrity and morality is not only unquestioned but above suspicion.

Resolved, That we pledge our efforts to select as candidates our best men, whose reputation and lives are a synonym of what their conduct will be if they are entrusted by the people with the management of public affairs.

Resolved, That in the reforms which present themselves from time to time as necessary for adoption by the people, there are none which are of more importance than that which protects us in our property, our lives and our liberty, upon the broad plan of equal rights and equal justice to all, the humblest as well as the highest, in the administration of the laws of the land, by those who are selected by the people, to hear and determine the rights and the wrongs, and see that the scales of justice are held without favor or prejudice to any.

Our California Tourists. — Reports from the local members of the Maryland contingent to the Christian Endeavor Convention are of a character well calculated to please local friends. The trip has been one of continuous pleasure and excitement. Only one mishap has occurred. That was at Pike's Peak. At Manitou the ascent of Pike's Peak was made in a driving snowstorm, which was a novel July experience for Marylanders, who drew their wraps and coats closely about them to ward off the piercing cold of the wind. The summit is over 14,000 feet above the sea level and, being unaccustomed to this high altitude, Miss Susie Macy, Mrs. W. C. Perkins and Miss Maude Pippin were prostrated, while many others were visibly affected. Miss Pippin is from Queen Anne's. The application of proper restoratives and the descent to lower altitude worked complete resuscitation. All are now well. But Dr. F. A. Brewster and Mr. B. F. Knight who, fortunately are with the Maryland party, had numerous patients during the succeeding twenty-four hours.

A CARD.

MESSRS. EDITORS:—Please allow me to say:

Our adjourned convention may be somewhat at sea as to who will be the candidates nominated, but I still have faith in the wisdom of the party, and am not yet willing to believe that after their long years of struggle, they are now ready to commit suicide by making deals to turn the party into an aristocracy or moneyed oligarchy; that none but men of wealth can be candidates on a ticket, and expect poor men, white and colored, to elect them. If such should prove the policy of the party, it will go down in a cyclone of shameful and disgraceful defeat at the November election. While there is no objection to men of means as candidates the principals of the Republican party is equal rights before the law to all class of citizens, and it should be remembered, equal and just chances to all, to the poor as well as the wealthy. The people's eyes are open. Some of the people you may fool some times, but it is difficult to fool all the people all the time, and if this grand principal of Republicanism is ignored by the convention, any ticket named will be defeated by the people at the polls. The people want good, competent, public servants, and the question of dollars and cents does not enter into the subject. The party needs determined active men who are willing to enter the fight to win, and have the confidence and respect of the voters. Slaughter the old, working veterans who have borne the burden in the heat of the day, born the odium and disgrace, attached to the name of a white Republican in Maryland, and yet stood up bravely when there was neither honor or profit in it. This you may do, and may laugh at their calamity and mock when their fear cometh, but you bring into the vortex of ruin the last hope of the grand old party for a generation to come, in Kent county.
