SUPPLY AND DEMAND

IS LINKED AS

CAUSE AND EFFECT!

The purchasing of a $1.99 suit of clothes is relative to the well-known fact that 'he who steals my purse steals trash.' A city and county store with eagle-spread advertisement, like is often seen, reads like this: "Here I am with my low prices, it will astonish you to read how goods can be bought for that price," has no more right to exist than a bob-tail street car in the city at this day. It is too old and slow and ugly.

When you are in Rome do like Rome does. A large canvas sign in front of a clothing store in Chestertown is in style. So we were compelled to copy one of them 'Great Reduction Sales for 30 days.' This is in front of our door just up with the rest, but our Reduction sale is not only for 30 days, Our Reduction and Square Dealing is for the Nineteenth Century.

The Philadelphia Clothing House

is of To-day's Methods--a New Establishment--New Goods and New, Honest Prices to suit the times. It is the store of To-day's Styles.

MEN'S, BOY'S and CHILDREN'S SUITS,

not only handsome and fresh, but it has not been ten days since they bade their tailors good-bye, and now they go on your back.

All Wool Men's Suits in the Latest Styles, Plain and Hair Lines, Tailor Made - - - $4.50

Black and Clay Worsteds, Made up Very Neat - 6.00

It is impossible for us to name every suit we have in the house in this space, although our room is not so large it is pretty well filled up with a brand new line of

MEN'S FINE and WORKING SHOES,
LADIES' and CHILDREN'S SHOES of all kinds.
Handsome Line Ladies' and Gents' Furnishing Goods,
Men's Hats and Caps Dry Goods and Hosiery.

It is useless to give you Eagle Spread Quotations, or to show Square Pictures in this space to show that we are Square Dealers. Give us a trial and it will tell by itself. This is an age or reason.

Prayer Opens a House.

There was a town missionary who greatly desired to grain access to a lodging-house, which was of such a low and dangerous character as to make it hazardous to life to enter. He prayed over the matter, and finally concluded to risk the consequence. He knocked, and after rough language addressed to him, was allowed to enter. He found a villanous-looking man within, who, learning his character and religious object, said:

"I will ask you a question out of the bible. If you answer me right, you may call at this house, and read and pray with us and our lodgers, as often as you like; if you do not answer me right, we will tear your clothes from your back, and tumble you neck and heels into the street."

The missionary quietly said, "I will take the risk.'

"Well then: is the word girl in the Bible? if so where, and how often?"

The missionary replied: "The word girl is in the Bible; but only once, and may be found in the prophecy of Joel, Chapter III, verse 3; and they sold a girl for wine, that they might drink."

"Well," said the man, "I am dead beat; I durst bet five pounds you could not have told."

"And I could not have told yesterday. For several days I have been praying that the Lord would open me a way into this house; and this very morning when reading scripture to my family, I was surprised to find the word girl, and got the Concordance, to see if it occurred again, and found that it did not. God knows if it will come to pass, and his hand is in this for my protection and your good."

The result was that the inmates came under religious influence, and the man, his wife and two of the lodgers were converted.

Depend on the Right Foot.

Chicago Chronicle: It is a singular fact, but true, that the majority of cyclists depend on the right foot to push the machine along. In proof of that, if the balls on a crank axle are examined those on one side will be found more worn than on the other. That is accounted for by the fact that the greatest strain is on the right side.
