WELL! WELL!

YOU have heard a great deal these days about "Special Sale Days," and "Immense Reductions." Inteligent reader, don't be duped by everything you read or hear. We believe the best way is the Constant Square-Dealing, Fair Prices on every article; not to give you one thing and then rifle your pocket on something you know not the value of. We this week and the balance of the season will continue to display select styles in SUMMER DRESS GOODS, Large Size GAUZE VESTS, SHOES and SLIPPERS. Our styles in ORGANDIE LAWNS and other goods are not surpassed. LAP DUSTERS and more of those CHEAP WHIPS. Bargains in SHIRTS. Mrs. Rambo says we sell the BEST CHICKEN POWDERS.

SUPPLY AND DEMAND

IS LINKED AS

CAUSE AND EFFECT!

The purchasing of a $1.99 suit of clothes is relative to the well-known fact that 'he who steals my purse steals trash.' A city and county store with eagle-spread advertisement, like is often seen, reads like this: "Here I am with my low prices, it will astonish you to read how goods can be bought for that price," has no more right to exist than a bob-tail street car in the city at this day. It is too old and slow and ugly.

When you are in Rome do like Rome does. A large canvas sign in front of a clothing store in Chestertown is in style. So we were compelled to copy one of them 'Great Reduction Sales for 30 days.' This is in front of our door just up with the rest, but our Reduction sale is not only for 30 days, Our Reduction and Square Dealing is for the Nineteenth Century.

The Philadelphia Clothing House

is of To-day's Methods--a New Establishment--New Goods and New, Honest Prices to suit the times. It is the store of To-day's Styles.

MEN'S, BOY'S and CHILDREN'S SUITS,

not only handsome and fresh, but it has not been ten days since they bade their tailors good-bye, and now they go on your back.

All Wool Men's Suits in the Latest Styles, Plain and Hair Lines, Tailor Made - - - $4.50

Black and Clay Worsteds, Made up Very Neat - 6.00

It is impossible for us to name every suit we have in the house in this space, although our room is not so large it is pretty well filled up with a brand new line of

MEN'S FINE and WORKING SHOES,
LADIES' and CHILDREN'S SHOES of all kinds.
Handsome Line Ladies' and Gents' Furnishing Goods,
Men's Hats and Caps Dry Goods and Hosiery.

It is useless to give you Eagle Spread Quotations, or to show Square Pictures in this space to show that we are Square Dealers. Give us a trial and it will tell by itself. This is an age or reason.

Thoughts for the Thoughtful.

A cultured mind will always make a charitable allowance.

There is always a sunny spot if we will only look for it with a little patience.

Love is a talent which can only grow in proportion to the pains we take to mature it.

The way in which to keep life happy, and home sweet, is to study how best to please each other, and avoid giving offense.

Man possesses powers which enable him to break any unfortunate environments, that may surround him upon his entrance into this world.

Humanity delights in writing the vices of others upon the tablets of memory, and the virtues in the sand, while the method of Divinity was the opposite.

Sympathy is one of the great redeeming features of man and the world. Take it away from life, and you have but little left to elevate character or ameliorate misery.

The very best manners should be practiced in the home. Smiles and sunshine, and kind words are heavenly showers; together they span across the home the beautiful bow of promise.

The world shows its brightest side and attracts thereby. Why not let the true sunshine of religion shine abroad in life, that by its sweetness, its true light and glory, men may be won from darkness?

Society is bound together, not by selfishness, but by sympathy. If these bonds were multiplied sufficiently in the world, there would be a golden net work that would keep out all that is dark and gloomy, forming on earth a paradise of sunshine, Christ stands in his universal relation to the world, through his unselfishness and sympathy.

THE Medical Record says eggs are useful in the following applications: A mustard plaster made with the white of an egg will not leave a blister. A raw egg, taken immediately, will carry down a fishbone that cannot be extracted. The white skin that lines the shell is a useful application to a boil. White of egg, beaten up with loaf sugar and lemon, relieves hoarseness, a teaspoonful taken once every hour. An egg in the morning cup of coffee is a good tonic. A raw egg, with the yolk unbroken, in a glass of wine, is beneficial for convalescents.
