CHESTERTOWN, MD. . AUG. 17, 1901.

DEMOCRATIC COUNTY PRIMARIES.

Pursuant to the action of the County Executive Committee, the Democratic voters will meet in their respective election districts and precincts on Saturday, August 17, 1901, between the hours of 2 and 6 o'clock p. m., for the purpose of appointing ten delegates from each district to meet in Chestertown on Tuesday the 20th day of August, 1901, at 11 a. m. to nominate candidates for House of Delegates, one candidate for sheriff, one candidate for county treasurer, two candidates for county Commissioners and one candidate for county surveyor. If there is any contest for the election of delegates and a desire is expressed for a vote, the judges named in each district shall appoint two clerks and shall open and close the polls at the hours herein prescribed and when the polls are opened, shall receive the votes of all Democrats offering to vote, whose names shall appear upon the registration books and who shall vote in the districts where they are registered and shall also receive the votes of all young Democrats, who on account of their age are not now registered but who will be entitled to registration and to vote at the ensuing November election. And, upon the closing of the polls at the hour herein directed, the said judges shall proceed to count the votes cast, and shall certify to the persons receiving the highest number of votes as delegates. Whereupon it shall be the duty of said delegates to proceed to Chestertown on said Tuesday in August, and cast the vote of the district in convention and nominate the county ticket.

Should no desire be expressed for a ballot, then the district meetings may select delegates by a viva voce vote, or by committee nominations. If a ballot is desired then those present shall select judges and clerks.

In districts where there are two precincts it is advised that each precinct be accorded five delegates.

WM. F. RUSSELL, Chairman,
ABRAHAM S. CRAWFORD, Secretary.

Political Notes.

Tuesday was a field day among Democrats and many prominent politicians were in town. Everyone is interested in the nomination of a good ticket.

One of the most experienced leaders in Kent remarked to the NEWS man: Make a candidate of no man simply because he seeks a nomination. Require that every candidate for every place, be a man of the highest personal character, of unimpeachable integrity and unassailable character, of absolute qualification for the office he is named for, of the type of democracy acceptable to Democrats, and who will take such an interest in his trust that he will fight to win with all the energies and power and subtleties of his manhood and his democracy. For a nomination is a trust; as much so as an office, and we want no trustees in this campaign on whose bond character, integrity, competency, the confidence of the people and pure democracy will not go."

Another good Democrat interested in the party and not in men said, "If I had my way I'd pick out men outside all who announce themselves."

Two candidates are spoken of treasurer, viz., Jesse R. Copper, of Kennedyville, and Charles L. Dodd, of Chestertown. Both are good men and either one will win if nominated. They each say they don't want to go on the ticket if the convention thinks the other is stronger. It is thought that each will be favored by his own district the contest being settled in the other districts.

There are said to be no contests. For commissioner in Worton district the names of George S. Biddle, A. S. Crawford, Harvey Brice and others have been mentioned. A number of names for commissioner are also mentioned in the Sixth district

Hon. Isidor Rayner, Attorney-General of Maryland, has been selected by Rear-Admiral Winfield Scott Schley as one of his counsel before the court of inquiry which will assemble at Washington September 12. Mr. Raynor and ex-Judge Jeremiah M. Wilson, of Washington, will handle the case for Admiral Schley. Capt. James Parker, an expert on naval affairs, will assist them.

It does seem that the Schley-Sampson controversy is the most ridiculous piece of business ever attempted. Schley won the victory fair and square while Sampson was ten miles away. Suppose the Spaniards had won would the shame and disgrace been suffered by Sampson? Dooley says Schley can't prove an alibi because Sampson has already done it!

THE Shamrock II has arrived ready for the race September 20th. The Columbia or Constitution will be pitted against the Lipton boat and the race promises to be more interesting than heretofore.

DAVID NATION, through his attorneys, has brought suit for a divorce from his wife, Mrs. Carrie Nation, the temperance crusader. The petitioner, who is now visiting in Iberia, Ohio, alleges that his wife held him up to public ridicule, neglected her family duties, and abandoned her home. This man has been supported by his wife for 20 years. Poor deluded fellow. He'd better suffer the *present ills* than fly to others he knows not of.

JUDGE BLIZZARD'S stable of six fast horses arrived at Tolchester the past week making about 20 now on the track. The 2.20 special purse $500 is fitted well with horses mostly from outside the State. Nearly all of the 120 box stables have been engaged.

THE greatest trotting contest in the history of horse racing took place Thursday at Brighton Beach. The largest crowd that was ever present on a trotting track in this country saw The Abbot and Cresceus fight for the championship of the world. Cresceus won making the record breaking time of 2.03¼. The track was like velvet and admission tickets were $4.00 each; purse $12,000!

Fairlee Notes.

The yield of wheat of Mr. J. Thomas Blackiston, on the Almshouse farm was among the best in this neighborhood, About 23 bus. per acre was the average and upon the fallow land 25 bus. per acre was obtained.

Mrs. Wm. Vansunt, who has been very sick for several months, is improving gradually.

Miss Grace Walbert, daughter of Mr. I. F. Walbert, is entertaining Misses Linda Morris and Jennie Maslin at her home near Lankford.

Local Notes.—Farmers who have not succeeded in threshing their wheat are very much concerned on account of the continued wet weather.

Quite a good deal of sickness is developing around.

Mr. Vincent Lee is having chills and is right sick.

Mr. Carroll Loller at Buck Neck has been quite ill with Typhoid fever, but we learn he is now convalescent.

Fairlee S. S. School picnic, at Tolchester, last Thursday was a joyous occasion for the little folks and older ones too.

Union S. S. School, Worton, held their picnic at Worton Manor last Wednesday.

Mr. Richard Baker, Cincinnati, is off on a month's vacation visiting Kent county friends, staying principally with his sister, Mrs. Jas. A. Groves. He is an employee of the Cincinnati, Hamilton & Dayton Railroad and reports the road to be doing a heavy business.

Miss Ella Bacon is spending a while with Dr. Mills and family, Brooklyn, near Baltimore, where the Dr. has been stationed for several years.

The Excursion way down the Bay to Cambridge on Wednesday from Port Deposit via Tolchester was a very pleasant all day trip on the trim steamer, Susquehanna.

Mr. Wm. Skirven, Washington, D. C., where he is employed by the U. S. Government as a practical machinist, being assigned the duty of adjusting the sights on large guns on naval vessels, is spending his leave of absence with his uncle, Mr. J. P. Nicholson.

Miss Millie Lender King, Balto., is with Fairlee friends for a few days.

Quite large consignments of peaches are going to market now but of rather poor qualities.

Rev. H. Clay Turner, Laurel, Del., visited his sister, Mrs. Mary P. Crosby, as did also Mrs. Crosby's brother, Dr. Turner, Presiding Elder of a district in Pennsylvania.

Summer boarders are on the increase.

Rumor has it that Mr. Joseph Leaverton has purchased the property in the village now occupied by Mr. Jas. Lewis.

Dogs are dying all around. Poison is supposed to be distributed.

Chesterville Items.

Mr. Thomas F. Hurlock got 2300 bus. wheat off 85 acres. This is the best record here.

Mr. E. B. Pennington has the largest prospect for corn in this neighborhood.

Mr. Henry Hughes, lost a valuable horse last week from overheating. He had refused $140 for him. Mr. Wm. T. Lusby also lost a fine horse last week. The mare snagged her eye in a barbed wire and blood poison caused her death.

The potato crop here is small and cannot compare with Mr. John T. Bennett's acre. He is said to have raised 100 bushels.

Miss Marion Pennington, Miss Benny, Baltimore, Miss Louise Pennington, of Still Pond, are guests of Miss Lizzie Pennington.

Leonard and Howard Price are at their aunt's, Mrs. Thos. Clements.

Miss Katie Stevens, of Phila., is visiting her parents in the village.

Rev. Mr. Rider will attend camp on the Western Shore and only Sunday-school will be held Sunday.

Miss Ethel Solloway is visiting friends in Virginia.

Mrs. Thos. Lusby returned Saturday from a visit to Townsend, Middletown and elsewhere. She is the "youngest" traveler in this neighborhood, although 80 years of age.

Mrs. E. B. Pennington's hen roost was robbed of a dozen chickens or more Saturday night.

Miss Musgrove, of Newark is the guets at Mrs. Thomas F. Hurlock's.
