

Mrs. Ellen Ripley, Chaplain Ladies Aid, Grand Army of the Republic, No. 7, 222 10th Ave., N. E., Minneapolis, Minn., Strongly Endorses Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Your Vegetable Compound cured me of ulceration of the womb, and getting such a complete cure I felt that the medicine had genuine merit and was well worth recommending to other sick women.

"For fifteen years I have been your friend. I have never written you before, but I have advised hundreds of women to take your medicine, in fact it is the only real reliable remedy I know of for a sick woman.

"I have not yet found a case of ovarian or womb trouble which has not been relieved or cured by the faithful use of **Lydia E. Pinkham's Vegetable Compound.**

"You have brought health to hundreds of women in Minneapolis as you have no doubt to others over the country."—MRS. ELLEN RIPLEY.

$5000 FORFEIT IF THE ABOVE LETTER IS NOT GENUINE.

When women are troubled with irregular or painful menstruation, weakness, leucorrhœa, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, flatulence, general debility, indigestion, and nervous prostration, they should remember there is one tried and true remedy. **Lydia E. Pinkham's Vegetable Compound** at once removes such troubles.

No other medicine in the world has received such widespread and unqualified endorsement. No other medicine has such a record of cures of female troubles. Refuse to buy any other medicine.

The Purposes of Boss McComas.

From the Easton Ledger.

The greatest, boldest, most arrogant and most unscrupulous political machine ever set up in the State of Maryland is that made and controlled by Senator McComas, and it owns the Republican party in Maryland as absolutely as Quay does in Pennsylvania or Platt ever did in New York.

It is not for fun that Louis McComas resigned a lifetime judgeship with a big salary attached in Washington. It was ambition, the desire to build up a great machine in Maryland and to boss it and to make every Republican in the State who dared to question his autocracy bite the dust. Never in the political history of Maryland was there ever such a domineering and conscienceless boss as this same McComas. His first step was to crush the life out of poor Wellington; his next was to get the Mudds and the Chings of Southern Maryland and the Sam Davis gang of Baltimore with him; he then proceeded to bulldoze that genial and gentle Eastern Shore gentleman, Philips Lee Goldsborough; to put his foot upon the neck of Hon. Isaac Ambrose Barber, came naturally and in proper sequence; he Juggernauted former Gov. Lloyd Lowndes; he issued orders to Stevenson Archer Williams, which he would no more disobey than Linc. Dryden would, what were census frauds to him or he to census frauds? Discovery may have worried him; there is no evidence the crime ever did.

He bossed the State convention—nominated the candidates and made the platform. What is his next move? The State convention developed it. It is to obtain control of the Board of Public Works, and to this end he ordered the nomination for Comptroller of his kinsman, one Herman Platt, who is at the head of a gigantic oyster trust combination. The subservient convention obeyed the behest. Given a Republican Legislature and Boss McComas will be given control of the Board of Public Works by the election of a State Treasurer of his own ordering.

Give Boss McComas the Board of Public Works, then What? His covetous eye and those of his conferes are upon the oyster bottoms of the Chesapeake bay, and with a Republican Legislature and, as its outcome, McComas owning the Board of Public Works, they will accomplish their purpose in spite of Governor John Walter Smith, who will then be merely the representative of a shorn and bound Democracy. The firm of Platt, McComas & Company, will be entrenched in the power of all time to come, as far as can be seen ahead as owners of the State, its waters and material interests.

Given a Republican Legislature and Boss McComas is given absolutely the selection of a United States Senator in succession to Wellington. Whom will he select for United States Senator? McComas has never been accused of political ingratitude, and if he never is to be, his choice must fall on Sydney Mudd. "The Maryland delegation," Speaker Reed is quoted as having said, "is composed of five fools and one rascal. Sydney Mudd is not a fool."

The Democrats who votes for the Republican candidates for Legislature vote for the most formidable and threatening political machine ever organized in Maryland; votes for the most arbitrary and unscrupulous political boss the State has ever known; and votes to put in the hands of Republican politicians as owners under a corporate trust to be formed the most important industrial interests the State, which have always been kept by the Democratic party for the use of people.

Prevents Hog Cholera.—An Illinois farmer who raises 200 hogs a year says he has lost none in ten or twelve years from cholera, while they have died all around him. He thinks the disease is started by too many worms in the intestines, particularly in the small ones. He fills the barrel with water and white shelled or ear corn, then adds half a box of lye and allows it to soak over night. Enough lye is used to turn the corn as yellow as yellow corn. The hogs are fed all they will eat of it for two or three days. He starts feeding them as soon as any of the hogs begin to cough.

The marriage of Miss Julia H. Rasin to Mr. Wm. Pinkney Craig will take place on Wednesday evening, Nov. 27 next. The prospective bride is one of the several attractive daughters of Mr. I. Freeman Rasin, while Mr. Craig is the son of the late Dr. and Mrs. John A. Craig, of Ravenswood, Govanstown.

The marriage ceremony will be performed at the residence of Mr. Rasin, 1039 North Calvert street, Baltimore, and will be followed by a reception to intimate friends of both families.

Dog Has a Mixed Family.—Peter Steinert has on his farm at Greenwich a wonderful dog. A short time ago the dog, a large Newfoundland, became the mother of five pups, but all except one died. About the same time a pig on the farm had a litter of pigs and a cat had kittens. The dog did not grieve over her loss long. She enticed four of the kittens and three of the pigs to her kennel and adopted them. The old dog is taking the best of care of her mixed family.

When You Eat

Do you have a feeling of undue fullness in the stomach, belchings, or sour or bitter risings? These are but a few of the symptoms of the diseased stomach.

The worst thing which can be done for the stomach in such a case is to take some tablet or powder which merely gives temporary relief from discomfort. The best thing to do is to begin the cure of the disease by beginning the use of Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It makes the "weak" stomach strong, and puts the body in a condition of vigorous health.

"I was troubled a long time with dyspepsia, torpid liver, and constipation," writes Mrs. Julia E. Deal, of Ostwalt, Iredell Co., N. C. "Could scarcely eat anything at all; would have attacks of pain something like colic, and sometimes it seemed as though I could not live. I wrote to Dr. R. V. Pierce, stating my condition, and in a few days received a kind letter of advice, telling me to use Dr. Pierce's Golden Medical Discovery. I took four bottles, and one vial of Dr. Pierce's Pellets, and now I can eat anything I want and it don't hurt me. I have not been in bed a day since I took your 'Golden Medical Discovery,' and I have not since felt any symptoms of disease. I have not taken any medicine in twelve months."

Dr. Pierce's Pleasant Pellets cure constipation.
