STILL POND FREE OF DISEASE.

Drowned Man at Rock Hall!

Oystermen in starting out to work on Thursday morning found the body of a drowned white man near Deep Landing wharf. The man had doubtless been knocked off a vessel. He wore overalls over a suit of good clothes and looked to be about 40 years of age, but there was nothing about him by which to identify him and the body was interred on the shore. A jury of inquest examined the body and from its appearance it was thought it had been in the water about a week.

CHESTERTOWN IN DARKNESS!

Accident at the Electric Light Plant a Serious Matter.

The Armature on the dynamo at the Chestertown Electric Light plant burned out Tuesday evening and since then the town has been in darkness and business partially suspended. Lamps that had been cast away were brought forth and at the College the students put to expense of buying new ones.

Superintendent Wright shipped a part of the plant to Philadelphia Thursday and it is expected here today. Mr. Frank M. Miller and workmen are overhauling the big engine in the interim so that when the dynamo is repaired all will be in good shape. Mr. Wright hopes to be able to furnish light tonight.

CIRCUIT COURT.

The October Term of Court will convene in Chestertown Monday. The Clara R. Warner vs. J. G. Moore damage suit from Millington will occupy considerable time as there are eighty witnesses already summoned; Edw. C. Briscoe vs. Wm. Darrell, of Millington, over a horse; then there is an ejectment case removed to Kent from Cecil County. The suit against Mr. L. B. Russell for $100 subscribed to Farmers & Merchants Steamboat Company will also be tried, but the indications point to a short term. It is said that the length of the Kent county terms of court would puzzle the best guesser in the world as they seem to go by opposites, that is, when the outlook is for a short-term it invariably extends over two weeks. This may be the exception.

The following is the jury panel for the term:

NEWSY CHURCH ITEMS..

Rev. J. M. Gill's many friends in Kent and elsewhere will no doubt read with pleasure his success in his new field in Washington. For fourteen years the Central Methodist Protestant Congregation on corner of 12th and M. St., N. W., Washington, has needed a church building but all efforts to get the constitutional vote to build failed until last week. Every member except six were present and voted with but four exceptions to build and a committee to consider plans were appointed. The new church will be the finest M. P. edifice in the city.

Wesley Chapel has been supplied with new stoves. For 49 years the old ones rendered faithful and efficient service.

Rev. T. H. Lewis, D. D., President of Western Maryland College, will preach at Wesley Chapel next Sabbath morning and at Christ Church, Chestertown, at night.

Revival services will begin on Sunday evening at Lynch's, M. P. Church under the direction of Rev. E. C. Makoskey.

Again on Melitota road to Corey's Corner; from Corey's Corner to Buck Neck Landing road to Hanesville road; on Hanesville road to Hanesville postoffice, thence to Worton Station via Buttlertown.
