GRAND

Democratic Mass Meeting

In ROCK HALL,

On SATURDAY, November 2nd

AT 8 O'CLOCK P. M.

The Democracy of Kent county will have a grand rally in the Hall at Rock Hall, on SATURDAY EVENING, Nov. 2nd, commencing promptly at 8 o'clock.

HON. LLOYD WILKINSON,
Ex-Speaker of House Delegates, and

HON. J. B. SCHWATKA,
Sheriff of Balto. City,

will positively be present, and probably others. Democrats, Republicans and Independents are cordially invited to be present and hear the vital issues of the campaign discussed. By order,

STATE CENTRAL COMMITTEE.

It is indeed a shame that the colored churches should become the hustings for campaign speeches. How can we expect our colored citizens to respect law or religion when their most sacred temples are turned into political headquarters.

The men who are today inflaming the colored race with bitter prejudice against their best friends, the whites, are sowing the wind to reap the whirlwind and are to a large extent responsible for the present bad condition of affairs.

"The Negro Bugaboo."

"The Gormanites are in desperate straits. They have fallen low indeed when they hang all their hopes upon an appeal to race prejudice."—Enterprise.

It is very easy to make a statement like the above but to prove it is more difficult. Actions speak louder than words and here we have an act by our Republican friends that contain infamous words that are a menace to every white man and woman in Kent. Here is the appeal sent out to negro voters:

"We ask you in the interest of the Republican party and in the interest of your race that you register at once, and that you see that your neighbors and your friends register with you, and if you do your full duty this enemy of your race will be swept away and put down forever in this great Commonwealth of Maryland."

Read the extract again; let the full meaning of the man who signed the appeal come home to you. Read the extract again and grasp the fact that Messrs. Jones, Gaither, Edmondson, Coale, Barron, Forrester, Montell, Pleasants, Beasley and Stephens say: *"If you do your full duty this enemy of your race will be swept away and put down forever* in this great Commonwealth of Maryland." Grasp the full meaning of that statement. Dwell for a moment on the italicized words. The "enemy of your race" means the Democratic party, and that is the party of the white man. It comprises in Maryland the majority of the white people of the State. The appeal is then for the negro race—to *"sweep away and put down forever* the power of the white majority in Maryland. Will not the Republican party be warned?

Does it not see that it is inciting its black allies to destruction—what does it care? Will it not read the record of crime that has been made by the negro because of just such appeals as this—appeals which seem to the negro to give license—what does it care? Cannot it see that by such words as appear in this appeal it is jeopardizing the property and lives of our men and the lives and honor of our women—what does it care? What does the Republican party care if the white majority has to pay enormous sums to support negro paupers, to punish negro criminals? Nothing! for the burden on the Republican minority is mall.

Encouraging Outlook!

The results of the registration in Kent are very encouraging to the Democracy. A grand victory is now assured if the working men of the party will continue their patriotic efforts, and we feel sure they will. According to the figures of additions and subtractions from the registration lists the county is good for a big majority for the whole Democratic ticket. These encouraging results should increase our zeal. Every Democrat ought to take hold afresh to make the majorities all the larger.

The Republican leaders are appealing to the colored man upon the race issue and a solid negro vote is expected for the Republican ticket. It is this fall surely the negro against the white man, according to the Republican circular issued in Baltimore and sent out broadcast. That circular is expected to solidify the negro vote for the Republican ticket. It ought at the same time to cause a solid white vote for the Democratic ticket.

IMPORTANT TO VOTERS.

Every Democratic voter who casts a ballot at the November election and wishes the same counted as his sentiments should see to it that he makes his X mark IN THE CENTRE of the space opposite the candidate's name, AND BE PARTICULAR THAT NO POINTS OF THE X MARK TOUCH ANY OF THE LINES FORMING THE BOX OR SPACE IN WHICH HE MARKS HIS BALLOT, otherwise the ballot will be thrown out. Hence care should be taken when marking the ballot.

CHESTER CEMETERY.

Because of the *inattention, neglect* and *ignorance* of the officers and managers, the cemetery is in worse condition than it has been for the past ten years. So much for the new *(?) arbitrary* rules they adopted last January. Let the public generally go there and inspect for themselves. So long as it is governed by such ignorance you need not expect anything better.
