THREE CHICAGO DOCTORS

Failed to Do for Miss Mabelle L. LaMonte What Was Accomplished by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I was in an awful state for nearly three years with a complication of female troubles which three physicians called by different names, but the pains were all the same. I dreaded the time of my

MABELLE L. LAMONTE.

monthly periods for it meant a couple of days in bed in awful agony. I finally made up my mind that the good doctors were guessing; and hearing from different friends such good reports of **Lydia E. Pinkham's Vegetable Compound,** I tried that. I bless the day I did, for it was the dawning of a new life for me. I used five bottles before I was cured, but when they were taken I was a well woman once more. Your Compound is certainly wonderful. Several of my friends have used it since, and nothing but the best do I ever hear from its use."—Yours, MABELLE L. LAMONTE, 222 E. 31st St., Chicago, Ill.—*$5000 forfeit if above testimonial is not genuine.*

ADVICE TO NEGROES.

Governor Aycock Addresses Them at Their Fair in Raleigh, N. C.

THEIR GOOD WORK IS PRAISED.

Governor Aycock today at noon at the State Fair Grounds here opened the Thirty-Second Annual Negro Fair. He said in part:

"I wish the colored people of North Carolina to understand by every act of mine that I am the Governor of the entire State and all its people, and that every interest which concerns any individual is a matter of importance to me. It has been gratifying to me that those to whom I have been opposed politically have recognized the real feeling which exists in my heart. The colored people of North Carolina are entitled to much credit for what they have done. At the close of the war there were many who had great apprehension as to the conduct which would result from the freedom of the negro. I am glad to be able to state that that apprehension proved to be unfounded. Your conduct in the main has been admirable. You have surpassed expectations. You have been sober, law-abiding and industrious. You have created more value in freedom than you did in slavery, and, taking all in all, you deserve the thanks of the Commonwealth.

"But you will pardon me as one who is a friend of yours for speaking to you today words which may seem unkind, but are, in fact, kind because truthful. There are many things in your freedom which you have neglected. There are many things yet for you to do. In glancing through the criminal statistics of the State I find that while your race constitutes only one-third of the population of North Carolina, you commit one-half of the crimes. I am not unmindful of the fact that your race is poor and weak and without the influence of the dominant race, and that, therefore, in proportion to actual crime committed a few more are indicted than would be if you were rich and powerful with the influences which tend to suppress indictments. But the proportion of crime is in your race is startling and dangerous and one which ought to evoke your most earnest consideration.

"It may not be inappropriate for me upon this occasion to express to you the hope that recent events occuring in the nation may not duly excite you and that you will still remember that your best friends are those who live in your State. What you wish, what you need more than recognition by the President or other people in authority is the establishment among yourselves of a society founded upon culture, intelligence and virtue, and in no wise dependent upon those of a different race. The law which separates you from the white people in the State socially always has been and always will be inexorable, and it need not concern you nor me whether that law is violated elsewhere, for it will never be violated in the South. Its violation would be to your destruction as well as to the injury of the whites. No thoughtful, conservative and upright Southerner has for your race aught but the kindness feeling, and we are all willing and anxious to see you grow up into high citizenship of which you are capable, and we are willing to give our energies and best thought to aid you in the great work necessary to make you what you are capable of and to assist you in that elevation of character and virtue which tends to the strengthening of the State.

"But to do this it is absolutely necessary that each race should remain distinct and have a society of its own. Inside of your own race you can grow as large and broad and high as God permits, with the aid, the sympathy and the encouragement of your white neighbors If you can equal the white race in achievement, in scholarship, in literature, in art, in industry and in commerce you will find no generous-minded white man who will stand in your way, bnt all of them in the South will insist that you shall accomplish this high end without social intermingling. And this is well for you; it is well for us; it is necessary for the peace of our section; it is essential to the education of your children that there should be no misunderstanding upon this point. I am sure that you agree with me in what I have said, and in the spirit of one who is Governor of the whole people, without regard to race, I bid you Godspeed in the great work of upbuilding our State and educating all her children."

Great Work in a Cannery.—The well-known canning factory of Richardson & Robbins is so busy that the employes were unable to get a Thanksgiving holiday but were compelled to keep at work on the many orders now being prepared. It is estimated that 20,000 pounds of poultry is canned in one day at this busy Dover manufactory, the week's output being 120,000 pounds. In two days 35,000 two dozen cases of this firm's preparations were shipped to the city markets. This included 30,000 cases of the celebrated plum pudding, which has a reputation all over the country. A consignment of canned meats has also been sent to San Francisco, which will go by water from New York to New Orleans and reach the western city in time for Christmas markets.

The Kind You Have Always Bought

How many mothers realize that when the baby's advent is expected they need strength for two instead of one. Women, weak, nervous, "just able to drag around," find themselves confronted with coming maternity. They have not strength enough for themselves, how can they have strength to give a child? We don't look for the birth of strong ideas from a weak mind. Why should we expect the birth of strong children from weak mothers?

The way to ensure health and strength

to mother and child is to use Dr. Pierce's Favorite Prescription as a preparative for motherhood. It brings the mother's strength up to the requirements of nature, so that she has strength to give her child. It nourishes the nerves and so quiets them. It encourages a natural appetite and induces refreshing sleep. "Favorite Prescription" makes weak women strong and sick women well.

There is no alcohol in "Favorite Prescription" and it is free from opium, cocaine and all other narcotics.

"I wish to let you know the great benefit my wife derived through taking your 'Favorite Prescription,'" writes Mr. Robert Harden, of Brandon, Manitoba, Box 235. "It was when her baby came. We had heard so much of your medicine that my wife decided to try it (I may say my wife's age was thirty-three and this was her first child). She commenced to take 'Favorite Prescription' five months before her child was born. We have a fine healthy girl, and we believe that this was mainly owing to the 'Favorite Prescription,' taken faithfully according to directions. We shall certainly recommend it wherever we can."

Dr. Pierce's Common Sense Medical Adviser, paper covers, is sent *free* on receipt of 21 one-cent stamps to pay expense of mailing *only*. Address Dr. R. V. Pierce, Buffalo, N. Y.

WOMAN'S RELIEF

A really healthy woman has little pain or discomfort at the menstrual period. No woman needs to have any. Wine of Cardui will quickly relieve those smarting menstrual pains and the dragging head, back and side aches caused by falling of the womb and irregular menses.

WINE OF CARDUI

has brought permanent relief to 1,000,000 women who suffered every month. It makes the menstrual organs strong and healthy. It is the provision made by Nature to give women relief from the terrible aches and pains which blight so many homes.

GREENWOOD, LA., Oct. 14, 1900.
I have been very sick for some time. I was taken with a severe pain in my side and could not get any relief until I tried a bottle of Wine of Cardui. Before I had taken all of it I was relieved. I feel it my duty to say that you have a wonderful medicine.
