THE COCHRAN-MASSEY DAIRY

Own Over 600 Head of High-Grade Milch Cows.

Kent County has several enterprising citizens in Colorado. The Gazette of Colorado Springs in mentioning this fact says:

"Beautifully situated in that lovely valley of the Fountain, just south of Evergreen cemetery, is located that most famous dairy herd of noted Holsteins and Jerseys which have made the Cochran-Massey dairy so famous to the people of Colorado Springs. Here on this lovely 700-acre valley ranch roam and graze 620 head of the most noted dairy animals in Colorado. Here is the home for more than 100 of the far-famed Garden Ranch Holsteins. So carefully bred and raised by the famous Holstein breeder, Hon. Louis R. Ehrich. For some of these, this noted Holstein fancier paid fabulous prices, and it is a grand treat indeed to look at these noble animals as they file into their respective stanchions to feed and await the milker. Here, too, is a heard of 25 thoroughbred registered Jersey cows, the milk of which adds so much to the quality of any dairyman's out-put. These, together with a grand lot of high-grade Durham and Swiss cows, constitute the personnel, so to speak, of this magnificent dairy herd, which shows that their owners have spared neither care nor expense to keep them up to the standard which produces from their present milking heard of 204 cows the daily production of 550 gallons of pure rich milk. This large ranch is subdivided into various fields wherein their numerous herds leisurely graze, and the barns and all necessary buildings that go to make a first-class and up-to-date, modern dairy, are new and complete in every particular. Their creamery is the acme of perfection, scrupulously clean and neat. Here every can and bottle is thoroughly washed and steamed or sterilized. Their cooling rooms are perfection itself, and all who get milk or cream from this dairy will always be satisfied as to quality. Their drivers are always courteous and attentive, their wagons ever clean, and satisfaction is always guaranteed. This firm stands at the head of the dairy list in Colorado Springs; are enterprising, energetic and painstaking, sparing neither money nor time to do all that is necessary to satisfy the minutest wants or wishes of their everincreasing coterie of satisfied customers. Here the latch string is ever hanging out, and all are welcome when they call to examine the premises of this model dairy of which the people of Colorado Springs are justly proud."

The Kind You Have Always Bought

Mother

"My mother was troubled with consumption for many years. At last she was given up to die. Then she tried Ayer's Cherry Pectoral, and was speedily cured."
D. P. Jolly, Avoca, N. Y.

No matter how hard your cough or how long you have had it, Ayer's Cherry Pectoral is the best thing you can take.

It's too risky to wait until you have consumption. If you are coughing today, get a bottle of Cherry Pectoral at once.

2nd—We keep reliable goods and when you buy an article from us you can rest assured it is as represented.

3rd—We mark everything in plain figures and do not take advantage of your confidence on things you know nothing about.

4th—Our prices are lower than our competitors, as you will find by comparison.
