TRUSTEE'S SALE

OF THREE

Valuable Farms!

Situated Near Lynch's, In The Third Election District of Kent Co., Md.

UNDER and by virtue of a decree of the Circuit Court for Kent county, Maryland, passed in Chancery Cause No. 1458, entitled Gideon Frank Clark, et al, vs. Mary A. Clark Howard, et al, appointing Hope H. Barroll, trustee, to sell the real estate in said cause mentioned, the undersigned will offer at public sale in front of the Court House Door, in Chestertown, Kent county, Md.,

On TUESDAY, June 17, 1902

between the hours of 11 o'clock a. m. and 12 o'clock noon, all the following VALUABLE REAL ESTATE, of which the late John Z. Clark died seized and possessed:

FARM NO. 1.

is known as the

"Miller Farm"

and lies about 1 mile from the village of Lynch's on the north side of the public road leading from Lynch's to I. U. Church, and CONTAINS ABOUT

183 ACRES, 1 Rood and 10 Perches

OF LAND, MORE OR LESS.

The Soil is a rich medium loam, in good condition, yields well, and is especially adapted to the growth of peaches and fruits of all kinds. The farm is well fenced.

The improvements consist of a good

THREE-STORY

Frame Dwelling

in excellent condition, a ten-horse STABLE and BARN capable of holding 1,000 to 1,200 bushels of wheat and 1,500 bushels of corn. The Barn and Stable are also in excellent condition and good repair. The tenant is Mr. William T. Clark, and he will take pleasure in showing the place to any intending purchasers.

FARM NO. 2.

consists of all that farm called or known by the name

"The Trulock"

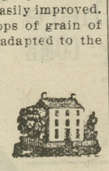

or "KILPATRICK FARM," it lies back of No. 1, and CONTAINS

211 ACRES, 1 Rood and 4 Perches,

OF LAND, MORE OR LESS. The soil is from a light to a medium sandy loam, of good natural quality, and is easily improved. The land will grow good crops of grain of all kinds, and is especially adapted to the growth of all kinds of fruit.

—THE—

Tenant House

is in fair condition, ample for the purposes of the farm. The BARN and STABLE are in excellent condition, and the farm under good fencing. There are about

1000 Pear Trees.

The right-of-way which belongs to this farm is from the public road leading from Still Pond to Smithville. The entrance is by the Moffett Mill, which is now owned by Benjamin C. Plummer. While this farm has heretofore used a way over farm No. 1, this right of way is not sold with the farm, it having been opened by Mr. Clark, who owned both farms, and for his convenience use both ways in his lifetime. It is tenanted by Geo. Faulkner, who will take pleasure in showing it to any one who desires to inspect.

FARM NO. 3.

This farm is known as the

"Home Farm"

and CONTAINS

182 ACRES and 35 Perches of Land,

more or less, and is the same farm whereon John Z. Clark lived at the time of his death The land is a medium loam, in a high state of cultivation and yields fine crops. It lies on thewest side of the public road leading from Lynch's to Coleman's about 11 acres lying on the east side of said public road, of which 11 acres, 5 are arable, and the balance is well set in Chestnut and Oak. The farm has a

TWO-STORY

Frame Dwelling

large and commodious, in excellent condition. The stable is ample for the purposes of the farm. The barn is large and ample and each of these buildings is in excellent condition. The farm is well fenced, in a high state of cultivation, and is tenanted by Mr Henry Clark.

These farms all adjoin one another. There is a safe and fine stream of water running through them affording abundance of water for stock. Every field on "The Kilpatrick Farm" and on "The Home Farm," is Watered by this stream, and three fields on Farm No. 1 are likewise so watered. This sale will afford a most excellent opportunity for anyone desiring land on which to raise stock to secure a desireable place for such purpose, the land of each farm being especially well adapted to the growth of all grasses and grazing. Each of the farms is well wooded with fine Chestnut and Oak timber, ample for the purposes of the farm. In a few years much of the chestnut will be of a size sufficient to place upon the market, thus adding a valuable asset to each farm.

Each of these farms lies conveniently to Villages, Churches, Schools, Post office, 1 mile from Railroad. This land affords a most desirable opportunity for one desiring a home or a safe and profitable investment. It is seldom that such fine estates have been placed on the market in Kent.

TERMS OF SALE.

All unpaid purchase money to be secured by the note or notes of the purchaser or purchasers, to the satisfaction of the trustee. All title papers at the cost of the purchaser or purchasers.

The wheat crop will be reserved. The purchaser will be entitled to the landlord's share of the corn crop, and the tomato crop upon the payment of the fertilizer bill used on the tomatoes on each of said farms. THE FARMER'S WIFE.

A communication to the Sun from a "Farmer's Wife," published Friday morning, describes one phase of life in the country which is to be deplored. Our correspondent sums up her trials and hardships as follows:

With no extra money to spend for what our city friends term relaxation, such as theatre parties, trips to seashore and mountains, is it any wonder the farmer's wife soon loses her good looks and becomes a fit companion for Edwin Markham's "Man With the Hoe?" For really the farmer has the advantage, as he works in the open air beneath God's beautiful sky and sunlight, while his wife has a plain, unattractive home, of which the kitchen is her domain from early morn until after dark, baking, boiling, frying, stewing, day after day, with the children to look after, the hired men to cook for, chickens to raise and the thousand and one things that go to make up the life of the average farmer's wife.

Persons who are acquainted with conditions on the farms in this State know that the picture is not overdrawn. It has a serious effect upon social conditions and adds enormously to the increasing distaste of country life and to the unhealthy congestion of population in the cities. It is because men with proper feeling dislike to see their wives leading lives of drudgery, and being as a rule unable to hire cooks or house servants, they leave the farm to seek employment in the town. The unattractive life of the farmer's wife makes her and her daughters long to go to the city, and so the country is constantly depleted of its most energetic and industrious young men and women, and if it is to keep up for a few more generations, perhaps "the man with the hoe" in the poem will be a true description of the farm laborer in this country.

In going to the city the farmer is going as a rule to harder, or at least more continuous and exacting, labor than he ever had on the farm. While farm labor in the busy season is exceedingly strenuous and the hours extremely long, still year in and year out the farmer has more leisure, more opportunities for relaxation and going about and for reading than men engaged in almost any other pursuit. He has various diversions which are denied his wife. He can always find time to go to the country town, to attend court, to go to the political meeting, to the postoffice, and as he goes he sees people and can exchange opinions and hear the latest news. His work while he is at it is out in the pure and wholesome air and is one of the most healthful occupations. But with the wife at work in the kitchen it is different. She is over the stove in the hottest weather. She has to begin in time to give her husband and the farmhands their breakfast before they go to work, and his day's work is done long before hers. The difficulty is getting hired help for the farmhouse is one of the worst features of country life and makes the life of the farmer's wife truly an arduous one.—Sun.
