WHERE DOCTORS FAIL

To Cure Woman's Ills, Lydia E. Pinkham's Vegetable Compound Succeeds. Mrs. Pauline Judson Writes:

"DEAR MRS. PINKHAM:—Soon after my marriage two years ago I found myself in constant pain. The doctor said my womb was turned, and this caused the pain with considerable inflammation. He prescribed for me for

MRS. PAULINE JUDSON, Secretary of Schermerhorn Golf Club, Brooklyn, New York.

four months, when my husband became impatient because I grew worse instead of better, and in speaking to the druggist he advised him to get **Lydia E. Pinkham's Vegetable Compound and Sanative Wash.** How I wish I had taken that at first; it would have saved me weeks of suffering. It took three long months to restore me, but it is a happy relief, and we are both most grateful to you. Your Compound has brought joy to our home and health to me."—MRS. PAULINE JUDSON, 47 Hoyt Street, Brooklyn, N. Y.—*$5000 forfeit if above testimonial is not genuine.*

It would seem by this statement that women would save time and much sickness if they would get Lydia E. Pinkham's Vegetable Compound at once, and also write to Mrs. Pinkham at Lynn, Mass., for special advice. It is free and always helps.

CURIOSITIES AT KEY WEST.

No Wells on the Island—Live Fish Market—Big Turtles, etc.

NO. 10.

One of the interesting sights at Key West are the cisterns attached to every home which look like old time brick ovens. They have tried repeatedly boring and digging for water but to no purpose so that all the water used on the Island is caught in cisterns. Editor Ball, of this city, is a live newspaper man and showed us about the place including the famous Banyan tree that covers a half acre or more, gum arabic trees, cologne bushes, date and fig tree interlocking each other and other wonderful sights.

Relics of wrecking times lay on the shore and we were told that this trade has been nearly broken up by lights which have been placed along the coast. The wrecking smacks are manned by a crew of captain, mate and four or five men. They receive no salary, but share in the salvage, which is divided into forty shares, of which four shares go to the captain, two to the mate, one and one-half to the cook, one to each of the other men, and the remainder to the owners. The wreckers go from Key West to the harbor of Garden Key, in the Dry Torugas, and there lie in wait for something to turn up.

The fish market is a live place. The fishing smacks are provided with wells into which all the fish are placed and thus they are brought to market at the wharves and sold—alive. Scores of these smacks line either side of a long pier and the fish are dipped up in a net, killed by hammering in the head with a cluy, cleaned and sold by the dozen. The red snapper, grunts, and grumblers are the most numerous fish caught in these waters. Conchs by the bushel are made to give up their flesh which sells readily and the pretty shells lay about the wharves as valueless as our oyster shells. We see turtles weighing 250 pounds in market which are kept alive in pens in the water. Turtle steak sells for 15 cents per pound but was not to our liking.

The Olivette from Tampa is sighted at 10 o'clock and at midnight we leave Key West bound for Havana which place we will enter in our next letter.

Fishing Through Street Gratings.

In Winchester, England, it is quite a common thing to see men fishing through the street gratings. Under the High street there flow several streams which ultimately discharge into the river Itchen, a noted trout stream. These streams receive the storm and surface water from the street by means of the ordinary street grating. The line is dropped through and fastened to the end of a stick small enough to go through the grate. When the fish is hooked, the line and stick are dropped through the grating, and the fisherman rushes to the point where the stream emerges from under the street and is there able to recover his line and land his fish.

Cause For Separation.

Her Pastor—Do you not know that what God has joined together man should not put asunder?

The Divorcee—It was not a man in our case. It was a milliner.

"A what?"

"A milliner. You see, my husband said he'd rather pay alimony than buy hats, as it would be cheaper in the long run."—New York Times.

Education.

What sculpture is to a block of marble education is to a human soul. The philosopher, the saint and the hero, the wise, the good and the great man very often lie hid and concealed in a plebeian, which a proper education might have disinterred and brought to light.—Addison.

Easy Choice.

"Which do you prefer," asked the friend, "classical music or classical plays?"

"Classical music, every time," answered Mr. Cumrox. "There's always noise enough in that to keep you awake."—Washington Star.

Not Used to Them.

Carrye—Cholly never eats brains.

Maye—And why not?

Carrye—Why, he is afraid they will go to his head.—Judge.

The greatest bay in the world is that of Bengal. Measured in a straight line from the two inclosing peninsulas its extent is about 420,000 square miles.

Dyspepsia AND Liver Disease CURED BY DR. PIERCE'S GOLDEN MEDICAL DISCOVERY.

"I was weak, nervous and dizzy, with a fainting sensation when walking," writes Jesse Childress, Esq., of Samuel, Sullivan Co., Tenn. "Could not walk any distance; always felt bad after eating; felt as though something was sticking in my throat, always uneasiness in stomach. Doctored with three physicians but they did not relieve me. I grew worse and used everything I could think of; was nearly ready to give up and then some one told me that Dr. Pierce's medicine was good, so I began taking his 'Golden Medical Discovery.' I have taken seven bottles of that now and am as stout as ever, and enjoying health as much as ever before. I worked all summer and this winter as much as any one. My case was liver disease and nervous dyspepsia of which your medicine has cured me. In September 1898 my weight was about 95 pounds, now it is 195. Please accept my sincere thanks."

HOUSEWORK

Too much housework wrecks women's nerves. And the constant care of children, day and night, is often too trying for even a strong woman. A haggard face tells the story of the overworked housewife and mother. Deranged menses, leucorrhœa and falling of the womb result from overwork. Every housewife needs a remedy to regulate her menses and to keep her sensitive female organs in perfect condition.

WINE OF CARDUI

is doing this for thousands of American women to-day. It cured Mrs. Jones and that is why she writes this frank letter:

Glendeane, Ky., Feb. 10, 1901.

I am so glad that your Wine of Cardui is helping me. I am feeling better than I have felt for years. I am doing my own work without any help, and I washed last week and was not one bit tired. That shows that the Wine is doing me good. I am getting fleshier than I ever was before, and sleep good and eat hearty. Before I began taking Wine of Cardui, I used to hav to lay down five or six times every day, but now I do not think of lying down through the day. MRS. RICHARD JONES.
