Grand Democratic

MASS-MEETINGS!

Chestertown

IN STAM'S HALL.

Tuesday, October 21st,

3 O'CLOCK P. M.

At Rock Hall,

—ON—

Saturday, October 25th,

AT 7.30 O'CLOCK P. M.

HON. JAMES E. ELLEGOOD AND OTHER WELL-KNOWN SPEAKERS WILL ADDRESS THE MEETINGS.

Opera House Band will furnish music.

CORN for November delivery was quoted at 54 cents in Baltimore yesterday.

THE full report of Registration will be found on page 11. The Democrats make a gain of 13 or 14.

THERE is coal advertised for sale in the Baltimore Sun and the price quoted is $17.75 a ton! Ten years hence this item will be a wonder.

GROVER CLEVELAND says "it is my conviction that the best assurance of success for the Democracy in the next national campaign will be found in a sincere and unremitting insistence upon its old-time doctrine of a fair and beneficent tariff adjustment. This insistence should be from now on."

OVER $100,000 in cash, diamonds, jewelry and securities were found Tuesday in the desk of Police Captain John J. Donohue, who dropped dead in his station house in New York last week. It would seem from this that "corruption money" has been paid freely and an investigation will be instituted.

THE Democratic majority in this congressional district last year was 3,000. Jackson's only hope of overcoming this majority is by the wholesale purchase of votes. He refuses to aid in the effort to lessen the crime of bribery. If he should be elected under these circumstances would he count it an honor? Certainly right thinkers would not.

IT is to be regretted that so many people remain from the house of God, especially when such opportunities for instruction, entertainment and improvement are brought to our very doors each Sabbath. Chestertown has some of the best pulpit talent in the State and the pews should be filled at every service. Parents, are you setting your children a good example by forsaking the doors of the temple of worship?

THE corner stone of the "Jackson Memorial Hospital" was laid in Salisbury with imposing ceremonies on last Monday. About 4,000 people were present and in the list of honorary guests we notice the name of State's Attorney John D. Urie, of Kent. The building is for an aged people's home and is being erected by Congressman Jackson. It will cost about $50,000.

SENATOR HANNA, in a speech delivered at Bellaire, Ohio, last Tuesday, said that if a revision of the tariff was even attempted by the Republicans, that the party would "end in the ditch," and he further said that, "just as soon as the Republican party forsakes it's standard in this respect, just so soon will I forsake it." After this avowal by such a trusted and influential leader in the Republican ranks, what confidence can be placed in the assertion of some of the lesser lights of the party that the "tariff will be revised by its friends." If Senator Hanna is not the friend of the existing high tariff, who are its friends, and by whom is it to be revised? If the people expect any relief from the Trusts' rule they must get it through the Democrats. A vote for Ellegood will be a vote against Monopoly and Trusts.

WHEAT SEEDING has been greatly delayed and many farmers say they do not remember such a late season. Our neighbors across the river are ahead of Kent and many fields are green with wheat.

A STRANGER in Buffalo made the voting machine do his bidding Tuesday and thus mystified the machine company who thought they had a perfect voter. The investigation was being made by the Democrats, the Republicans voting against it. They evidently knew what could he done and how to do it and did not want their trick exposed.

THE Denton town commissioners at a meeting this week decided to make the office of bailiff a salaried one and to impose upon that official the work of lighting the lamps and running the engine at the pumping station. Mr. John T. Harris was appointed at a salary of $25 a month. They might have added a few more duties such as keeping the dogs off the street, the cats quiet at night, the small boys from smoking cigarettes and the grass cut, inasmuch as they decided on a salary of such proportions.

A NEW STYLE of House Paint Containing no lead at all, has been in use for a number of years, but is just finding its way into our country. Mr. Curtis Crane, the head member of our basket manufactury establishment, will be the first to use it in our town, and it will be watched with much interest. Joseph Guest, of Chestertown, has been appointed as sale agent for Kent and Queen Anne's counties, who in another column of this issue gives the verbatim guarantee of the manufactures. To all contemplating painting, it will be very interesting reading.

INTERESTING SHEEP CASE.

Justice Melvin heard an interesting lamb case last Monday. B. Grollman, stock dealer, was claiming $55 damage from Mr. I. R. Leayerton for alleged failure to deliver certain lambs bought at $6.25 each. He stated that he purchased last March 65 lambs from Mr. L. and deposited $25 in his hands as good faith; that he had drawn and paid for all but 19 before the end of August and when he applied for the last lot Mr. L. refused to accept settlement for them without the payment for one dead lamb; that the lambs were shipped by Mr. L. and sold in Balto. for $4.12½, when he was offered $4.50 for a number of them. Mr. Leaverton testified that the lambs were sold to Mr. Grollman by his tenant, Alfred Bramble, that the contract distinctly specified that the lambs were to be taken away by August 1. When application was made for the last lot Grollman refused to submit to the loss of the one lamb that died and the lambs had to be shipped; that Grollman did not take the lambs at the time specified and refused to receive the last lot at all unless allowed for the dead lamb. W. W. Beck, Esq., represented the plaintiff, Grollman. Justice Melvin, after considering the case until Wednesday decided in favor of Mr. B. Grollman in the sum of $1.74.

DEATH'S DOINGS.

George W. W. Naudain, a prominent resident of Middletown, and one of the best known men in the county, dropped dead about 2 o'clock Tuesday afternoon at Fourth and Broome streets, Wilmington. Mr. Naudain was 64 years of age, and his death was caused by a sudden attack of heart disease. In 1869 he married Kate, daughter of Andrew and Lydia Eliason. He is survived by his wife and three children—Mrs. Willard S. Biggs, Misses Helen and Miss Katherine Naudian.

Mr. Charles H. J. Sparks, a farmer of Queen Anne's county, died late Monday afternoon of paralysis, aged about 70 years. A widow and several children survive him.

Mr. Matthews La Sage, of the Seventh district of Queen Anne's county, near Meginniss Corner, dropped dead in his front yard Monday, aged 60.

SOMETHING NEW

—IN THE—

HOUSE PAINTING LINE!

CARRARA HOUSE PAINTS contain no Lead whatever, and are yet by far the Best House Paints ever introduced to the public. While not cheaper per gallon, they are much cheaper per house, as the covering capacity is 50 per cent. greater than the best lead paint in the market. If used as per directions, it is claimed that a house painted with Carrara Paints will look better after seven or eight years than any lead and oil painted house after two years. It is guaranteed not to chalk, crack, peel off, rub off or blister. Carrara Paints dry with a hard enamel-like finish and gloss, which is permanent, and can be washed and scrubbed without staining or injury. It is not affected or discolored by ammonia, carbonic, sulphurous or other gases. Carrara Paints will not cause Painters' Colic or lead poisoning. They stay on—stay glossy—and hold their colors until worn off.

URIEVILLE MILL PROPERTY.

BY VIRTUE of the power contained in the mortgage from John W. Temple and wife and William W. McKnett and wife to A. Coates, dated the 17th day of October, 1878, and recorded among the Land Records of Kent county, in Liber D. C. B., No. 4, Folio 376, the undersigned, as assignee of said mortgage, will offer at public sale in front of the Court House Door in Chestertown, Md., on

TUESDAY, November 11, 1902

At Twelve O'clock Noon,

ALL THAT VALUABLE MILL PROPERTY CALLED

The Urieville Mill

CONTAINING 31¼ ACRES,

more or less, situated in the Second Election District of Kent county, Maryland, on the public road from Chestertown to Kennedyville, about six miles from Chestertown and two miles from Kennedyville, both places being on the line of the Pennsylvania Railroad system.

This property consists of a FLOUR AND FEED MILL, A TWO STORY DWELLING, with Kitchen and Stable and Carriage House. The Dwelling is old and in fair condition. The Mill was remodeled last year to the latest improved system of grinding, scalping and bolting, and is now almost new throughout. Power is supplied by two turbine wheels under 12 feet head. The water is abundant at all seasons. There is no better water power or more desirable milling property in Kent county.

It is situated in one of the finest grain sections of the State, and has local demand for all its product, being close to several thriving towns and villages, and has paid a good profit for many years. The mill is now idle, due to a break in the dam during the recent heavy rains. It can be put in condition for operation in a few days.

This property is offered for sale in order to settle the estate of the late Wm. W. McKnett. Possession will be given upon the ratification of sale.

TERMS OF SALE.—One-third of the purchase money cash on the day of sale, the residue in two equal instalments in one and two years from the day of sale; the deferred pay ments to bear interest from the day of sale, and to be secured to the satisfaction of the assignee. Title papers at the cost of the purchaser.
