Congressman Jackson Says He Has No Confidence in the Democratic Leaders.

Congressman William H. Jackson, Republican, has sent his reply to the proposal of Hon. James E. Ellegood for the suppression of bribery in elections. He says he has confidence in the personal sincerity of Mr. Ellegood in this matter. He also says he is in sympathy with him and with all others who desire such a reform. But he distrusts the Democratic party managers, and in conclusion suggests that if the leaders of the party would unite upon an agreement to do all in their power to prevent bribery in the future he feels assured the Republican party will be found uniting with Mr. Ellegood earnestly and sincerely. The reply is as follows:

"*Hon. James E. Ellegood, Democratic Candidate for Congress, Salisbury, Md.;*

"Dear Sir—I beg to acknowledge the receipt of your communication and desire to express myself as being in hearty smpathy with you and all others who are interested in the suppression of bribery at elections in this State.

"But while I may have faith in your personal sincerity in this matter, I know that I am rather dealing with a party whose record for the last 35 years in this State has been one of bribery and corruption. Whatever of evil there is in this State along these lines is due to the Democratic party, whose every legislative act up to the present time has been against every effort to purify the ballot.

"When the Anti Bribery law was passed by your party it provided for the punishment of both buyer and seller, which you, as a lawyer know, practically makes the law a nullity. An effort in 1896 to amend this law so as to be effective was passed by a Republican House but was smothered by a Democratic Senate.

"Those leaders of your party in this district upon whom you will depend for election results are the same who have been leaders not only in violating the Anti Bribery law, but still further preventing our efforts for pure elections by aiding and abbeting the use of fraudulent and trick ballots, the foundation for the use of which was deliberately planned by your leaders in the calling of a special session of the Legislature and the passing of an election law which made these infamous frauds possible.

"During last winter's session of the Legislature your party leaders defeated the 'Corrupt Practices' bill, which had for its purpose the suppression of bribery and all other offenses against the purity of the ballot.

"The Democratic convention of Ocean City, which made you its candidate for Congress, indorsed through its platform the present State administration, and by so doing placed its seal of approval upon all its acts; and does this not mean that your party approved of the trick ballots and the other nefarious schemes engineered by Democratic officials in the year 1901?

"If your party in the district is sincere in its efforts to prevent bribery in a Congressional election, it should be equally sincere in its efforts to prevent bribery in all elections in years to come.

"Let there be a gathering of your party leaders from all the counties of the district large enough in numbers to be thoroughly representative in its character, and unite upon an agreement to do all in their power to prevent bribery in the future.

"I feel assured my party will be found uniting with you as honestly and sincerely as your representatives could possibly be.

"If your party will not do this I cannot be expected to have confidence in the statements of those who would pose for anti-bribery today and at the same time planning bribery for tomorrow."

oct1-4t. "W. H. JACKSON."

Notice!

I, the undersigned, licensed Real Estate Broker, located at Centreville, Maryland have this public notice that having sold quite a number of the farms advertised in my last list, and having a number of farms for sale not in the said list, am about to publish a revised list. All owners of real estate who desire to have the same entered upon my new list will please send me at once a full description of their property, giving the number of acres of land, specifying the number of acres under cultivation, in fruit, timber, etc. Describe quality of soil and subsoil, also describe buildings, location, give price of property, &c. If I make a sale a small commission is charged, but if I do not sell no charge whatever is made.

I advertise extensively, not only locally, but I have yearly advertisements in agricultural papers, which are read by thousands of people and hundreds of whom write for my lists from almost all sections of the country and now I have many inquiries for farms at home and from other states. Send in by the first of November next.

CHRISTIAN ENDEAVOR CONVENTION.

The thirteenth annual Christian Endeavor Convention will be held in Baltimore this year, on October 30 and 31. The annual gathering of Christian young people has constantly gotten larger and larger each year, last year reaching such enormous size that it was found that no one church could accommodate the evening crowds, and Music Hall was consequently secured for these meetings.

This year the same conditions prevail, and while Saint Paul's Lutheran Church will be the convention church, at which all the day sessions will be held, the evening mass-meetings go to Music Hall.

Some slight change in the manner of providing for county delegates has been adopted for this year. Only one delegate from each society will be given free entertainment, and it is hoped by the committee in charge of the convention that all societies in the State will avail themselves of this opportunity and send a delegate, even if it is necessary to pay the transportation charge out of the society treasury.

The large chorus of 400 voices, which was so attractive last season, has been organized again by Director Richard A. Harris, and, in addition to singing at the evening session, will give a public concert at Music Hall on the evening of October 28, the proceeds of which will help defray convention expenses.

OVER 3,000 DEMOCRATIC MAJORITY

Last Year In The Counties Now In The First Congressional District.

Following is tabulated the vote for Comptroller last year in the Eastern Shore counties all of which are now in the First Congressional District. Can this majority be over come a year later and Jackson carry the District over Ellegood?

	Hering, Dem.	Platt, Rep.
Cecil	2615	2295
Kent	1816	1761
Queen Anne's	1960	1373
Talbot	1910	1865
Caroline	1524	1367
Dorchester	2632	2259
Wicomico	2255	1621
Somerset	1708	1177
Worcester	2005	809
Totals	18515	15427

Democratic majority, 3088.

If the Democrats who gave 3088 majority for Dr. Herring permit it to be lost and a Republican majority secured in 1902 in a fight between two such men as Ellegood and Jackson, they had better go out of business on the Eastern Shore of Maryland.

STATE GAME LAWS

Closed Seasons in Counties—Non-Residents Must Secure Licenses in Certain Cases.

The Last Maryland Legislature appropriated $250 for the publication of the game laws of the State in condensed form, and as the hunting season is on there is a great demand for the pamphlet by sportsmen.

State Game Warden John W. Avirett recently published the laws in tabulated and compact form and in convenient shape for the pocket. On the subject of licenses for non-resident sportsmen the pamphlet reads:

Licenses for Non-Residents.

"In all the counties of the State except Allegany non-residents are now compelled to secure a license before they can hunt. The license is issued by the clerk of the Circuit court in all the counties except Wicomico, where the County Clerk is charged with this work. In all of the counties not specified below landowners or residents may invite non-residents to hunt on their own lands or with them, in which case no license is required. This does not apply to Kent, where even if invited by a resident the non-resident must take out a license, costing $5 (Acts 1894, Chapter 501), nor to Caroline, Dorchester (except relatives by blood or marriage), Garrett, Kent, (see above), Somerset (unless accompanied by resident), Talbot, Wicomico (unless accompanied by resident) and Worcester.

"The following counties require licenses (to the amount of the license must be added the clerk's fee of 50 cents): Garrett, $25; Charles, Prince George's, St. Mary's, $20; Frederick, Kent ($5 if invited by landowner); Montgomery, $15; Baltimore, Calvert, Carroll, Cecil (wild waterfowl), Harford, Somerset, Washington, Wicomico, Worcester (wild fowl), $10; Talbot, $9.50; Howard, $7.50; Cecil (upland game and shore birds), $5; Caroline, Dorchester and Queen Anne's, $4.50. Most of the licenses are good for one year from date of issue and are non-transferable.

The shooting season for partridges and rabbits in Cecil county, opens on November 1st, and closes on January 9th. In Harford county the season opens on November 15th, and closes on December 14th. The Kent county law allows shooting from November 1st to December 24th. The open season for rail and reed bird in Cecil county, is from September 1st, to March 31st.
