

A Hospital Case

There was a hurry call for the ambulance of the City Hospital. In the course of a few moments a very sick woman was brought in on a stretcher — she was pale as death and evidently suffering keen agony. There was a hasty examination and consultation, and in less than a quarter of an hour the poor creature was on the operating table to undergo an operation for ovaritis.

The above is an accurate account of an incident which occured in New York recently; the young woman in question had warnings enough of her dangerous condition in the terrible pains and burning sensation low down in her left side. She had no one to advise her, and she suffered torture until it was too late for anything to save her life.

Women should remember that if they do not care to tell a doctor their troubles, they should be willing to tell them to a woman, who stands ever ready to advise and help them. Again we state that Mrs. Pinkham's advice is freely and confidentially given to every one who asks for it. Address, Lynn, Mass.

The following letters prove beyond question that Lydia E. Pinkham's Vegetable Compound has the power to cure, and does cure thousands of cases of inflammation of the ovaries, womb, and all other derangements of the female organism.

MRS. OTTOSON SAVED FROM A SURGICAL OPERATION.

"DEAR MRS. PINKHAM: — I cannot thank you enough for what your Vegetable Compound has done for me. If it had not been for your medicine, I think I would have died.

"I will tell you how I suffered. I could hardly walk, was unable to sleep or eat. Menstruation was irregular. At last I had to stay in my bed, and flowed so badly that they sent for a doctor, who said I had inflammation of the ovaries, and must go through an operation, as no medicine could help me, but I could not do that.

"I received a little book of yours, and after reading it I concluded to try **Lydia E. Pinkham's Vegetable Compound,** and I am now a well woman. I shall praise your medicine as long as I live, and also recommend the same to any one suffering as I was." — MRS. MINNIE OTTOSON, Otho, Iowa. (June 9, 1901.)

Follow the record of this medicine, and remember that these thousands of cures of women whose letters are constantly printed in this paper were not brought about by "something else," but by **Lydia E. Pinkham's Vegetable Compound,** the great Woman's Remedy for Woman's Ills. Those women who refuse to accept anything else are rewarded a hundred thousand times, for they get what they want — a cure. Moral — Stick to the medicine that you **know** is Best. Write to Mrs. Pinkham for advice.

INFLAMMATION OF THE OVARIES CURED WITHOUT THE KNIFE.

"DEAR MRS. PINKHAM: — I wish to express my gratitude for the restored health and happiness **Lydia E. Pinkham's Vegetable Compound** has brought into my life.

"I had suffered for three years with terrible pains at the time of menstruation, and did not know what the trouble was until the doctor pronounced it inflammation of the ovaries, and proposed an operation.

"I felt so weak and sick that I felt sure I could not survive the ordeal, and so I told him that I would not undergo it. The following week I read an advertisement in the paper of your Vegetable Compound in such an emergency, and so I decided to try it. Great was my joy to find that I actually improved after taking two bottles, so I kept taking it for ten weeks, and at the end of that time I was cured. I had gained eighteen pounds and was in excellent health, and am now.

"You surely deserve great success, and you have my very best wishes." — MISS ALICE BAILEY, 50 North Boulevard, Atlanta, Ga., Treasurer St. Francis Benevolent Association.

$5000.00 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. **Lydia E. Pinkham Medicine Co., Lynn, Mass.**

The farce was most ludicrous unique and all are to be congratulated at such a success. The poor old peddler with his heavy pack we did pity him, and the two little bright news boys did most excellent and all and each one acted their parts admirably. We noticed one of our society dudes in the parade with his high hat—sure he looked fine. There were over 165 guests present. An elegant poultry supper was served and 49 dollars and one cent realized.

CARRARA HOUSE PAINTS!

MISS IT? Why, yes indeed you will miss it if you are going to paint YOUR HOUSE this spring and not use **CARRARA PAINTS.**

Be sure to call on me or write for full particulars of this, the best paint on the market today. It has so many very good points of merit can't all be told in newspaper. Here are some of them: It will not fade, blister, chalk, peel, crack or powder; is not affected by gases, grease, acids, salt, moisture, or changes in temperature. Out wears white lead (**CARRARA PAINTS** have not a particle of lead in them, but have a better metal.) It holds its color, cleans more easily, is elastic, non-porous, non-poisonous,) no more lead cholic and covers more surface than any other paints, therefore costs less money to paint your house.

Chestertown Endorsement of Carrara Paints.

Mr. Joseph Guest, Dear Sir:—Upon the recommendation of Mr. John Marshall, of Baltimore, Md., builder of John Hopkins Hospital, whom I know to be a thoroughly truthful man, I used your Carrara Paint on my dwelling and found it to be all that is claimed for it, and I take pleasure in recommending it to everybody. I can say I am especially pleased with the Paint. Yours truly, CURTIS E. CRANE.
