THE MAN IN ARMOR

Was no match for the microbe. Giants he might slay but this microscopic organism defied him, and in many a campaign more men were destroyed by camp diseases than by the enemy's sword.

The one way to arm against microbic disease is to keep the blood pure. Impure blood both breeds and feeds disease.

The signs of impure blood are easy to read. Pimples, boils, and eruptions generally proclaim the blood to be impure. Scrofulous scores and swellings, salt-rheum, eczema, etc., are other signs of a corrupt condition of the blood.

Doctor Pierce's Golden Medical Discovery purifies the blood and cures diseases caused by the blood's impurity. It cures scrofulous sores, boils, pimples, eczema and other defiling and disfiguring diseases.

"It gives me great pleasure to express my faith in the virtue of Dr. Pierce's Golden Medical Discovery," writes Mr. Ezekiel Floro, of Graytown, Ottawa Co., Ohio. "I suffered everything for two years with humor on my face, which baffled the skill of some of the most noted physicians. Was at once advised to go to the hospital; was doctored there for three months without success. Came home discouraged. Then began to doctor with a 'chemist.' He also failed to help me. Then I began Dr. Pierce's Golden Medical Discovery, with no faith whatever in it. Did it only to please my wife; but I am happy to tell you that after taking five bottles I am entirely cured."

FREE. Dr. Pierce's Common Sense Medical Adviser is sent *free* on receipt of stamps to pay expense of mailing *only*. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

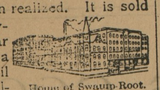

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Home of Swamp-Root.

Don't make any mistake, but remember the name Swamp-Root, Dr. Kilmer's Swamp-Root, and the address Binghamton, N. Y., on every bottle.

Mrs. Fred Unrath,
President Country Club, Benton Harbor, Mich.

"After my first baby was born I did not seem to regain my strength although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband insisted that I take Wine of Cardui for a week and see what it would do for me. I did take the medicine and was very grateful to find my strength and health slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

Wine of Cardui reinforces the organs of generation for the ordeal of pregnancy and childbirth. It prevents miscarriage. No woman who takes Wine of Cardui need fear the coming of her child. If Mrs. Unrath had taken Wine of Cardui before her baby came she would not have been weakened as she was. Her rapid recovery should commend this great remedy to every expectant mother. Wine of Cardui regulates the menstrual flow.

WOMEN IN LIVELY BATTLE.

In electing Mrs. George Stevens second vice president of their club at Delmonico's last week the National Society of New England Women brought to a close an electioneering campaign which for vigor was in line with approved modern methods.

This agitation in a club so proverbially placid was due to the popularity of the two candidates, Mrs. George Stevens and Mrs. C. F. Naething, for second vice president, each of whom had a following bent on victory. This excitement over merely a second vice president is explained by the club's method of electing officers, which is unique; it never elects a president or vice president. The second vice president in course of time becomes president. Yesterday's candidates represented the conservative and the up-to-date—the two opposing factions in the club.

Music was rendered during the three hours of balloting, but received little attention. The successful candidate was at once surrounded by congratulating friends.

Mrs. Stevens is a sweet faced, intellectual woman, of a pronounced New England type. Though born at Wadham's Mills, on Lake Champlain, her parents were Vermonters and all her ancestry is of New England stock. She is a member of Sorosis and the Daughters of 1812.

"Vote for our candidate because she is really the only one" having been the war cry of each faction for several months, it was inevitable that there would be audible wailing from the vanquished party when Mrs. Stevens' election was announced.

"The truth is," said one of the New England dames, "Mrs. Naething represents the younger element in this club, and we're never given half a chance. The conservatives beat us every time. If Mrs. Naething had gray hair and wore a bonnett she'd have won. Instead, she is gowned superbly, and she'd look simply stunning in the president's chair.

"We mean to put her up next year, if some other club doesn't get her away from us. We'd have won to-day if some women had not been cajoled to the other side. Women are so treacherous! Why, I know several who ran after her and have been entertained at her house heaps of times, and yet when it came to the scratch, they voted for Mrs. Stevens."

The treasurer's report yesterday showed a balance of $8,551.91 in the treasury, which makes this the wealthiest woman's club in New York.

THE new era of the turf means great wealth to the boy who can ride a race horse well enough to earn the distinction of being called a first-class jockey. The two highest salaried jockeys in the world are Arthur Redfern and Danny Maher, The former expects to earn $40,000 and the latter $35,000 this season. The former is entering on his seventeenth year and the latter his twentieth. In order to secure Redfern, W. C. Whitney paid $12,000 for his release to James E. Pepper and gave him a contract calling for a salary of $15,000, subject to renewal. Frank Hitchcock pays him $5,000 for a second call.

The stars of the track and their salaries are: Danny Maher, $25,000; Arthur Redfern, $20,000; J. Burns, $10,000; J. Bullman, $12,000; "Winnie" O'Connor, $23,000; J. Reiff, $25,000; George Odom, $12,000; Lucien Lyne, $20,000; W. Shaw, $12,000; Fred Taral, $15,000.

Crowned with Success.

Success, to most people in this the Dawn of the 20th Century, is the synonym of happiness. He is most happy who is most prosperous. This is true, at least, if the baby is well and cheerful, the home is full of sunshine. O. V. Waltz, Hartford City, Ind., says "I believe that Victor Remedies stand ahead of all others. Victor Infants Relief has been crowned with success in every home;" Its a grand Digestive Tonic for the baby, rests the nerves, and is unsurpassed in teething. Your Merchant and Druggist keep it.
