At Millington on Saturday 2,000,000 also were placed, and in the Sassafras at Fox Hole, 1,000,000 more were placed. 4,000,000 fish have been placed in Dorchester waters. 2,000,000 in Caroline waters. 3,000,000 in Cecil waters, 3,000,000 in Talbot waters and 1,000,000 in Queen Anne's waters, besides 17,000,000 sent to the Western Shore. Miss Agnes Miller, of Chicago, speaks to young women about dangers of the Menstrual Period—how to avoid pain and suffering and remove the cause by using **Lydia E. Pinkham's Vegetable Compound.**

"To Young Women:—I suffered for six years with dysmenorrhea (painful periods), so much so that I dreaded every month, as I knew it meant three or four days of intense pain. The doctor said this was due to an inflamed condition of the uterine appendages caused by repeated and neglected colds.

"If young girls only realized how dangerous it is to take cold at this critical time, much suffering would be spared them. Thank God for **Lydia E. Pinkham's Vegetable Compound,** that was the only medicine which helped me any. Within three weeks after I started to take it, I noticed a marked improvement in my general health, and at the time of my next monthly period the pain had diminished considerably. I kept up the treatment, and was cured a month later. I am like another person since. I am in perfect health, my eyes are brighter, I have added 12 pounds to my weight, my color is good, and I feel light and happy."—Miss Agnes Miller, 25 Potomac Ave., Chicago, Ill.

The monthly sickness reflects the condition of a woman's health. Anything unusual at that time should have prompt and proper attention. Fifty thousand letters from women prove that Lydia E. Pinkham's Vegetable Compound regulates menstruation and makes those periods painless.

READ WHAT MISS LINDBECK SAYS:

"Dear Mrs. Pinkham:—**Lydia E. Pinkham's Vegetable Compound** has greatly benefitted me. I will tell you how I suffered. My trouble was painful menstruation. I felt as each month went by that I was getting worse. I had severe bearing-down pains in my back and abdomen.

"A friend advised me to try Mrs. Pinkham's medicine. I did so and am now free from all pain during my periods."—Jessie C. Lindbeck, 1201 6th Street, Rockford, Ill.
