Of this most wonderful implement. For years leading manufactures of Farm Implements were trying to make a Weeder, or surface cultivators that would do the work. All used round teeth, until Hallock, patented March 15, 1898, the Flat Tooth, and launched upon the market the Machine shown on this page.

The inclement weather of the morning prevented the rendition of the Children's Day service prepared for that occasion; it will however be given (D. V.) with the addition of "The Little Girl's Vision," with Tableau, on Sunday evening next, June 14th. A cordial welcome to all.

Golt's M. E. Sunday School.

On Sunday night, June 7th Morris' Methodist Episcopal Church, Golt's, held its annual Children's Day exercises. The pulpit and altar was most charmingly regaled with a profusion of flowers of all kinds. The services were opened with singing, followed with an invocation by pastor. The children without a single exception, recited well and sang sweetly, each as happy as God intended they should be on his holy day. Their joy was contagious and every one partook of the happiness of their light young hearts. The beautiful church with its hallowed associations never looked more inviting than it did on that evening. As one approached a little late the merry song of the choir and school, (Miss Laura Knabb, organist) rang out on the summer stillness and wafted to our ears by the gentle summer breezes that caressingly wandered through the shady grove. Every seat in the building was occupied, the aisles were crowded as thick as persons could stand, while many remained outside. The floral decorations were elaborate, beautiful and tastefully arranged. The program used for the occasion was the "Children's Friend" and was under the supervision of Miss Laura Knabb, which was as follows:

Responsive Reading. "Who Is This Friend," School.
Singing, "Nature's Melodies".....School
Welcome..... Wm. Heverin

Singing, "In Early Youth"..... School
Exercise, "Nature's Queens"..... Class
Singing, "God's Summerland.

The entertainment was a success in every way, excelling all former occasions and has been the source of very favorable comments from all classes. The Superintendent, brother B. F. Philips, is always at his post ready for work and a good report from the Sunday School always brings a smile to his face. After dismissal all started for their homes in a delightful shower of rain, well pleased with what they had done and heard.

MR. WILBUR W. HUBBARD received a letter from S. W. Royse & Company, of Manchester, England, on Tuesday last desiring cash figures on 2500 tons of his goods, having heard of them. The letter was quite interesting and long. Mr. H. turned the order over to his Baltimore house.

THE Methodist Protestant parsonage in Kennedyville is being treated to a new dress of colonial yellow, with shutters of green and the trimming of white. It is quite an improvement.

A prominent Southern lady, Mrs. Blanchard, of Nashville, Tenn., tells how she was cured of backache, dizziness, painful and irregular periods by the use of **Lydia E. Pinkham's Vegetable Compound.**

"DEAR MRS. PINKHAM:—Gratitude compels me to acknowledge the great merit of your Vegetable Compound. I have suffered for four years with irregular and painful menstruation, also dizziness, pains in the back and lower limbs, and fitful sleep. I dreaded the time to come which would only mean suffering to me.

"Better health is all I wanted, and cure if possible. **Lydia E. Pinkham's Vegetable Compound** brought me health and happiness in a few short months. I feel like another person now. My aches and pains have left me. Life seems new and sweet to me, and everything seems pleasant and easy.

"Six bottles brought me health, and was worth more than months under the doctor's care, which really did not benefit me at all. I am satisfied there is no medicine so good for sick women as your Vegetable Compound, and I advocate it to my lady friends in need of medical help."—MRS. B. A. BLANCHARD, 422 Broad St., Nashville, Tenn.

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhœa, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, bloating (or flatulence), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, faintness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, "all-gone" and "want-to-be-left-alone" feelings, blues and hopelessness, they should remember there is one tried and true remedy. **Lydia E. Pinkham's Vegetable Compound** at once removes such troubles. Refuse to buy any other medicine, for you need the best.

A Severe Case of Womb Trouble Cured in Philadelphia.

"DEAR MRS. PINKHAM:—I have been cured of severe female troubles by the use of **Lydia E. Pinkham's Vegetable Compound.** I was nearly ready to give up, but seeing your advertisement I purchased one bottle of your medicine, and it did me so much good that I purchased another, and the result was so satisfactory that I bought six more bottles, and am now feeling like a new woman. I shall never be without it. I hope that my testimonial will convince women that your Vegetable Compound is the greatest medicine in the world for falling of the womb or any other female complaints."—MRS. MAY CODY, 2660 Birch St., Philadelphia, Pa.

Remember, every woman is cordially invited to write to Mrs. Pinkham if there is anything about her symptoms she does not understand. Her address is Lynn, Mass., her advice is free and cheerfully given to every ailing woman who asks for it.
