Pearce, is announced to take place on Thursday, October 20th, at 8 P. M., in Emmanuel Protestant Episcopal Church, Chestertown. No cards in the county.

POOLE'S ISLAND has been rented by Mr. John Usilton who will tenant same in connection with the Skirven farm where he has proved efficient. Mr. Meister, who has lived on the Island for many years, is at the Soldiers Home.

MR. ALFRED BRAMBLE has adopted a Western method in getting his fields ready for sowing wheat. He will seed about 250 acres on the Tolchester farm and to do this it requires a large force. He had nineteen horses at work and in order not to stop any of them determined to utilize his traction engine. The big engine was attached to two Randall harrows and did the work of eight horses perfectly. Noah Ward engineered the machine over the corn rows with skill. It was a rare sight. Mr. Tilden Brice, of Lankford, uses a traction engine also in his farm work and finds it efficient.

THE minstrel show which is to appear in Chestertown next Friday evening is guaranteed by Mr. John S. Vandergrift to be the best that has ever been in town. They have just completed a tour of Europe.

JUDGING from the amount of freight being received daily by J. D. Jucas we presume that he is preparing for an extensive fall business. Mr. Lucas is a hustler and conducts a well established one price business.

THE Wesley Chapel festival has been postponed until Oct. 22nd because of the 15th being the day for Piney Neck.

MRS. J. W. STARTT has a beet that can't be beaten. It is a triplet!

A Prize Crop.—Mr. Harry C. Willis, on the Flintham farm at Nicholson's Station, is the Tomato King of the Shore for the year 1904. He had less than nine acres planted, from which he gathered 130 tons!

Mr. Frank Crew some years ago gathered nearly fourty tons from two acres.

A Compliment.—Mr. Merritt Gale Rasin son of Mr. and Mrs. M. M. Rasin, of Melitota, has deen elected President of the Senior Class of St.John's College. This is the fourth time Mr. Rasin has been elected to this honor and is certainly a compliment to him. The Annapolis Capital says the following: Mr. M. G. Rasin, the president of the class, was born in Chestertown, Kent county, and attended the public and high schools of that place before coming to St John's. He entered the Freshman class in the fall of 1901 and was unanimously elected to the presidency that year. History has repeated itself every year since then, for he has been unanimously elected every time. Mr. Rasin is a very popular man at the college and holds several positions. He was one of the business managers of last years "Rat Tat" and is president of the Athletic Association for the coming season. He played on both the football and baseball teams last year.

Delegates Elected. — Mr. Harry Hodgkins was made a master Mason by the Chestertown Lodge of Masons on Wednesday evening. Prof. A. B. Burris, Mr. Thos. Massey and Mr. Walter R. Pippin were elected delegates from the Chester Lodge No.115, to the Grand Lodge which meets in Baltimore on November 15.

Court Reprimands Jury.—In the Cecil county court last week two liquor cases were tried and in both cases the men charged with selling were found not guilty by the jury.

After the announcement of the verdict the Court severely reprimanded the jury, saying that if they failed to convict on such evidence it would be impossible to ever secure a conviction in liquor cases.

Will Probated.—The will of the late C.H.B.Massey Esq., was probated in the orphans' Court Tuesday, the main features of which were published last week in the NEWS. He bequeaths all his real estate including farm and houses at Masseys to his brother, E. Mr. William Pennington, a retired farmer, aged 84 years, died at his home in Hillsboro, in Caroline county, Tuesday afternoon after several weeks illness. He is now filling for the second year the pastorate of the Montgomery circuit M. P. Church, Montgomery county, Md; and shall continue his pastorate in connection with his course at the Seminary, going to his work on Saturday and preaching on Sunday, returning to the school again each morning. The State Convention of the Maryland Christian Endeavor Union will be held at Westminster, the home of the President, Mr. George K. Mather, on Wednesday and Thursday, November 2nd and 3rd. It will be the first biennal convention held by the union, the change from annual to biennal meetings having been made two years ago. Rev. Francis E. Clark, D. D., founder of the movement, who is also president of the World's Christian Endeavor Union, and Mr William Shaw, treasurer of the Union, both of Boston, will be present all day November 3rd, which will be recognized as the "big day."

Keifer Pears.—The markets are now glutted with Keifer pears and poor prices are being realized. James S. Harris, Esq., one of Kent's largest fruit growers, says that the Kieffer pear business is overdone and after rushing the trees from the nursery to the field for years we begin to realize that we didn't know when we had enough of it. The mystery with the growers is to know what is done with these pears. It is true that many of our city friends have poor judgement in selecting a good peach or pears because we see them smack their lips over green wilted, miserable fruit that the farm hog would probably not eat. They are looking at this pear now with suspicious eye and asking what sort of a racket is the farmer up to on this Keifer pear joke. They stick their gold-plated false teeth in the largest, handsomest pear the world ever saw and then call for a hatchet. They are writing down to the farm to know if is really a pear, or is it a gourd or thorn apple.
