NEW THOUGHTS.

Are you growing more attractive as you advance in life?

"Given a healthy body," says Dr. R. V. Pierce, the specialist in woman's diseases, of Buffalo, N. Y., "and a healthy mind, and everyone can cultivate and enjoy happiness."

We must eat properly and digest well to be beautiful. It is a fact that any form of dyspepsia may in a few days transform a clear, white skin into a mass of pimples and black spots. A beautiful woman has the beauty of her stomach.

Dr. Pierce's Golden Medical Discovery maintains a person's nutrition by enabling one to eat, retain, digest and assimilate the proper nutritious food. It overcomes the gastric irritability and symptoms of indigestion, and thus the person is saved from those symptoms of fever, night-sweats, headache, etc., which are so common. A tonic made up largely of alcohol will shrink the corpuscles of the blood and make them weaker for resistance.

"This is to certify that I have used Doctor Pierce's Golden Medical Discovery, think it's the grandest medicine in the world," writes Mrs. V. M. Young, of Weir, W. Va. "I had dyspepsia in its worst form. I decided to try your medicine. I used five bottles, and now I am doing my own housework. A number of my friends also are using Dr. Pierce's medicine and they recommend it highly. May God bless you in your grand work."

Dr. Pierce believes that a tonic made with alcohol will shrink the red blood corpuscles and make the system weak for resistance; that is why he avoided the use of any alcohol or narcotics in his "Medical Discovery," which contains the pure extract from roots and herbs without a particle of alcohol.

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for dyspepsia or debility.

Biliousness is cured by the use of Dr. Pierce's Pleasant Pellets.

COST OF LIVING

Figures Juggled by the Administration Officials to Sustain Its Policy and Credit.

As an illustration of how figures may be juggled to prove most anything that is desired, Carroll D. Wright, Commissioner of Labor, who prepared a report on the cost of living, which report is being used for campaign purposes by the Republican committee, gives a few comparisons to bear out his contention that the increase in food stuffs has been on the average inconsiderable.

A comparison is made between the cost of butter and vinegar. The former, it is shown, has increased in price 112.9 per cent. and the claim is set up that this increase is overcome by the decrease of 88 per cent. in vinegar.

By comparing these two articles the cost of living remains stationary by setting a 12 per cent. increase in the price of butter against a 12 per cent. decrease in the price of vinegar, yet the butter bill of the average family must be fifty times as great as the vinegar bill.

In Mr. Wright's table on fuel and lighting we find that the average price has risen to 139.8. This table includes a number of different kinds of coal, candles and petroleum, also coke and matches. Coke and matches show a decrease in price, while all the others show an increase:

Increased in price:	
Anthracite coal, chestnut	137.7
Decreased in price:	
Matches	85.4
Average for both articles	111.5

Which goes to show that the cost of fuel and lighting has not increased a great deal, although many men will think that the decrease in the price of matches is hardly a fair set-off against the increase in the price of coal.

HOW PRICES HAVE INCREASED.

Concerning the alleged "statistics" furnished from the National Bureau of Labor and given circulation by the Republican Campaign Committee with a view to showing that the average wages earned in comparison with the cost of living is equal to, if not greater than under Democratic rule, a few figures may not be amiss.

It seems to be an uncontroverted fact that wages have not increased within the past ten years to any perceptible degree, and the "statistics," prepared under the direction of Hon. Carroll D. Wright, admit that the cost of food has increased approximately a little over 5 per cent.

In his figures, Mr. Wright submits a table showing prices which have increased and those which have decreased. In the column of increases the commodities most essential and therefore mostly used appear, while in the opposing column, many of the articles enumerated are by no means necessities.

The table follows:

Increased in price:	
Flour	104.5
Butter	112.9
Codfish	118.6
Cheese	121.6
Potatoes	126.2
Beans	130.2
Milk	127.5
Eggs	193.6
Average price	129.3
Decreased in price:	
Soda Crackers	90.5
Vinegar	88.0
Dried Apples	72.8
Prunes	67.8
Nutmegs	67.1
Soda	64.6
Rice	87.0
Corn Starch	93.6
Average price	78.92

ALMOST SELF PRAISE.

Coming somewhat in the light of a man endorsing his own note, or felicitating himself, is a letter published recently in Paris from the pen of former Minister Bunau-Varilla, sustaining President Roosevelt's course in the Panama coup.

Inasmuch as Minister Bunau-Varilla was Mr. Roosevelt's guide and ally in the snap judgment taken upon the Republic of Colombia, and inasmuch also as he was one of the chief beneficiaries under the whole transaction, he could hardly do less than applaud the act.

FRICK TO COLLECT FUNDS.

A special telegram to the New York World, from Pittsburg, says:

"Henry Clay Frick has been appointed the financial head of the Republican campaign in western Pennsylvania, the object being to use him to secure financial aid from the manufacturers of this section."

The man who made this appointment, if anybody did, is George B. Cortelyou, who WAS Secretary of Commerce (and presumably the chief Government hunter for trust secrets), and IS Chairman and chief fat-fryer for the Republican National Committee.

Dragging Pains

2825 Keeley St.,
CHICAGO, ILL., Oct,, 2, 1902.

I suffered with falling and congestion of the womb, with severe pains through the groins. I suffered terribly at the time of menstruation, had blinding headaches and rushing of blood to the brain. What to try I knew not, for it seemed that I had tried all and failed, but I had never tried Wine of Cardui, that blessed remedy for sick women. I found it pleasant to take and soon knew that I had the right medicine. New blood seemed to course through my veins and after using eleven bottles I was a well woman.

Maude Bush

Mrs. Bush is now in perfect health because she took Wine of Cardui for menstrual disorders, bearing down pains and blinding headaches when all other remedies failed to bring her relief. Any sufferer may secure health by taking Wine of Cardui in her home. The first bottle convinces the patient she is on the road to health.

WE believe the exigencies of the times is such that the Banker can no longer sit back on his Dignity and take all the profits. Banks always pay interest on deposits to a favored few—why not treat all alike?

We were fortunate in being undisturbed by the great Baltimore fire. Local demand for money outside the fire district will be unusually good for two years at least. We do not, however, depend entirely on the local demand, as our wide acquaintance with banks throughout the country affords us a continuous market for surplus money through the Spring trade, the coming season, the Western harvest and the cotton crop—these accommodations are in the form of short-time rediscounts for National Banks in these various sections—are the safest loans that can be made, and always at a good rate of interest.
