Hats and Hats

Well, 'tis hardly necessary to talk about Hats, as we have them right on top of the heads of so many, however, we'll say this: If we can't fit your head both inside and out, and your purse too, you better leave your measure at some large factory. The main trouble is keeping in sizes.

Underwear.

The standard kind, bought way back at low notch. Get next to a couple of suits.

Gloves.

Just arriving, made as we wanted them, order placed in April last.

Hosiery.

and all the little perquisites to complete your toilet.

There's a vast number who know we show a line that compares very favorably with city establishments at very much less in price, but to those who are outside we extend a special invitation. Come and put 15 to 20 per cent. in saving in your pocket by buying here.

No admission will be charged, but all who wish may make a free will offering at the door on entering. There will be no reserved seats, but the early comers will get in a position to secure the best seats. The house will be crowded and Dr. Watt will be at his best. All who desire an evening of much pleasure will do well to drop in and hear the Reverend gentleman.

Next Sunday 30th inst, will be debt raising day by the M. E. Society, all members and friends are requested to contribute the income of one day's labor. Dr. Watt will preach the morning sermon and it is expected that some other minister from abroad will preach the evening sermon. Special music will be a feature of the day's services.

Prof. Greenwood is giving a series of recitations from Ben Hur before the Odd Fellows Lodge, which are proving exceedingly interesting to the membership.

Many regret the change of ownership of our splendid steamboat line. We hope it will redound to the best interest of all concerned. It is noticed that some are apprehensive that the change will benefit Rock Hall to the detriment of some of our sister towns There need be no apprehension, all Rock Hall desires is fair play and an equal chance with other sections to progress, we extend best wishes to the new company.

Capt. J. R. Downey, made a raid on the tongmen last week and ran in quite a number for having illegal culled oysters, some are disposed to criticize Capt. Downey's work, this is wrong, if the oystermen will not protect their interests some one else must, or the oystermen will soon have no interests worth protecting.

Rural mail carrier Clayton is just home from St. Louis where he has been taking in the World's Fair. He is much elated by his observations and is sorry he could not stay longer than a week or so. Mr. Coburn substituted for Mr. Clayton during his absence, "Ben" makes a good substitute.

It is notable that the campaign committees are on the move down this way these days campaign literature is in large circulation, but as usual is little read. There is no hurrahing, everybody barring the committees are laying low and sawing wood. We had a ride and a talk with Mr. Fred Willson the other day, and among other things he said all this quietness on the part of the rank and file of the voters was evidence of the fact that the people were satisfied with the republican administration of national affairs. Fred is a hustler and knows (?) whereof he speaks.

Miss Lizzie Saunders, of Lankford, is spending a pleasant two weeks visit with the Misses Smith, of South R. H.

Mr. George Parks our worthy oyster rake shaft manufacturer, has purchased a small place at the head of Rock Hall creek, and will remove his shop and fixtures thereon, he will also erect a blacksmith shop in connection with his shaft and boat business. This will prove of much convenience to the oystermen and will be of much lesser expense to Mr. Parks in the prosecution of his trade.

In the person of Mr. Darius Scott this place has lost another of its life long residents. He died on Monday and was burried Wednesday afternoon. Funeral service was conducted by Rev. Mr. Burr. The bearers were C. H. Jones, John Casey, J. W. Joiner, W. K. Ayres, W. T. Harrison and A. Casey. Mr. Scott was long a member of the M. E. Church, he was also a member of the I. O. O. F. Lodge.

Mr. Thos Ashley is very ill at his home here. He is over 80 years of age.

COLLEGE NOTES.

Mr. E. E. Coughlin, '04 of last year's class, has returned for postgraduate work in the normal course.

Mr. Johnnie Hughes has been a guest of friends in town for the last few days.

Capt. Moore of the football team has been forced to retire for a week or so on account of slight injuries received last Saturday at Mt. Washington.

The local team will play on the home grounds this Saturday the strong team of Villanora from Philadelphia. A good game is expected.

Much sorrow is felt on all sides for Mr. Brice, who will probably not participate in the game tomorrow, out of the respect for his grandfather, who has recently died.

Midnight oil is the expense of Greek lessons.

The steam heat plant has been completed in contract time. A very good job

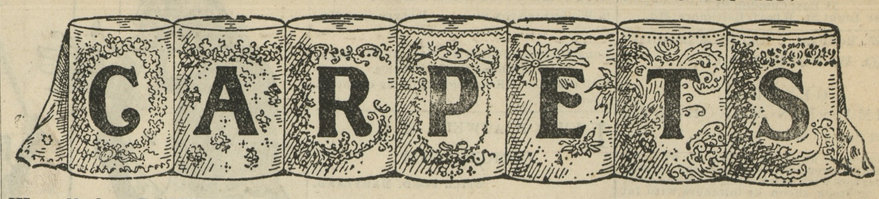

Mr. Gibson, '09, is now ringing the college bell.

The eleven of the new Mount Washington Athletic Club defeated Washington College, of Chestertown, Md., at Mount Washington Saturday afternoon by 21 to 0. A large gathering was present, expecting the visiting team to give the locals a hard rub. The Mount Washington team made its first touchdown before four minutes of play had elapsed. By a skillful formation play the ball was passed to Mayre, who made a fine run of 25 yards around the left end, scoring the touchdown. Toward the end of the first half Washington College braced up and made repeated attacks upon the Mount Washington line, but their efforts were futile and they were unable to score. The second half lasted but eight minutes, and during this time the local team made two touchdowns. The visitors were compelled to leave before the half had finiseed in order to catch their boat for home. Garey, Rasin and Hitch played a good game for Washington College. Capt. Moore was injured but not seriously.
