HOW ABOUT YOUR SHOES?

Have you an extra pair to give relief to the feet by changing off?

OUR PRICES FOR SHOES are so low that you can be the possessor of many pairs—not of shopworn or out of date footwear, but of stylish, well-made, handsome shoes. My line of spring and summer footwear is now very complete, consisting of Men's Ladies' and Children's Shoes and Oxford Ties, in all the new shapes and kinds of stock. Russia Calf, Pat Leather, Vici Kid and an inspection of them will convince you that you can do as well to buy your Shoes of me as in the city, both as to quality and price, and in doing so you will encourage home industry. We sell nothing but Standard makes No auction goods sold from this store, but good goods at a small margin of profit is our motto Come in and take a look before you buy and be convinced. What we want is a large volume of business with small profits rather than a small business at large profits. This is he way we have done the business in the past and hope to do it in the future.

Men's Shoes and Oxford Ties from - $1.00 to $5.00
Ladies' Shoes and Oxford Ties from - .50 to $3.50
Children's Shoes and Oxford Ties from .25 to $2.50

The largest assortment to select from on the Eastern Shore, so the drummers say. One price to all.

T. G. WROTH,

"The Shoe Man." Under Stam's Hall.

THE DEMOCRATIC PARTY

and the Republicans too, have their platforms, but our platform for giving honest bargains at the lowest prices, is in a class by itself.

Our new stock of goods has just been received, direct from the manufacturers. (That is our secret of selling so cheap). Our shelves are loaded down with goods of excellent patterns and tempting styles. These goods are "goods" in the real sense of the word. Goods that can be depended upon for their reliability and durability.

Our prices too, are eyesores to our competitors and justly so, for haven't we shown our ability to undersell all other stores?

But all this newspaper talk don't amount to a row of pins. What the people want are "bargains," and genuine ones at that. So without further talk, we quote as follows:

HOW WE CATCH A COLD.

A cold is sometimes contracted while remaining inactive for a while in an uncomfortable room or a cold draft and by falling to sleep under like conditions. But most colds are caught while sleeping too cold at night. Deep sleep causes sluggish circulation which renders the system susceptable to change of temperature. To prevent colds, sleep under plenty of cover. To cure colds use Rydales Elixir, it lessens the severity and shortens the duration of a cold and prevents pneumonia Bronchitis and Consumption.

There are but very few jokes older than the one concerning the fur trade and it being a regular skin business, and yet is it not a fact in more ways than one? Furs are bought and sold "on honor" by the great public; none but an expert being able to tell much about them. If you buy furs at a reliable store you will get your money's worth. Our furs are sold with guarantee. Your money back if they are not as we recommend.
